### 5) Approval of Omnibus Incentive Plan

The Corporation previously adopted a stock option plan (the "**Option Plan**") pursuant to which the board of directors ("**Board**") may grant options (the "**Options**") to purchase

Common Shares of the Corporation to NEOs, directors and employees of the Corporation or affiliated corporations and to consultants retained by the Corporation.

On November 1, 2024, the Corporation adopted a new security-based compensation plan (the “**Omnibus Plan**”). The Omnibus Plan is subject to approval by the CSE and receipt of shareholder approval at the Meeting.

The purpose of the Omnibus Plan is to attract, retain, and motivate NEOs, directors, officers, employees and other service providers by providing them with the opportunity to acquire an interest in the Corporation and benefit from the Corporation’s growth. The Omnibus Plan allows for the Corporation to grant incentive stock options, deferred share units and restricted share units, on terms acceptable to the exchange on which the Corporation is listed.

Under the Omnibus Plan, the maximum number of Common Shares reserved for issuance, including compensation securities currently outstanding, is equal to 10% of the Common Shares outstanding from time to time (the “**10% Maximum**”) when combined with any other share-based compensation arrangements in place. The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Common Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The following is a summary of certain provisions of the Omnibus Plan and is subject to, and qualified in its entirety by, the full text of the Compensation Plan attached to this Circular as Schedule “B”. Capitalized terms used herein which are not otherwise defined shall have the meaning ascribed to them under the Omnibus Plan.

- (a) the maximum aggregate number of Common Shares that are issuable pursuant to all Security Based Compensation granted or issued to Insiders (as a group) must not exceed 10% of the issued Common Shares at any point in time;
- (b) the maximum aggregate number of Common Shares issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to Insiders (as a group) must not exceed 10% of the issued Common Shares, calculated as at the date any Security Based Compensation is granted or issued to any Insider;
- (c) the maximum aggregate number of Common Shares issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to any one Person (and where permitted under applicable securities exchange policies, any Companies that are wholly owned by that Person) must not exceed 5% of the issued Common Shares, calculated as at the date an any Security Based Compensation is granted or issued to the Person;
- (d) the maximum aggregate number of Common Shares that are issuable pursuant to all Security Based Compensation granted or issued in any 12-month period to any one Consultant must not exceed 2% of the issued Common Shares, calculated as at the date any Security Based Compensation is granted or issued to the Consultant;

- (e) Investor Relations Service Providers may not receive any Security Based Compensation, other than Stock Options;
- (f) Upon expiry of a Stock Option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Option Plan. All Options granted under the Option Plan may not have an expiry date exceeding ten (10) years from the date on which the Board grants and announces the granting of the Option;
- (g) if a provision is included that the Participant's heirs or administrators are entitled to any portion of the outstanding Security Based Compensation, the period in which they can make such claim must not exceed one year from the Participant's death; and
- (h) any Security Based Compensation granted or issued to any Participant who is a Director, Officer, Employee, Consultant or Management Company Employee must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an eligible Participant under the Compensation Plan.

At this year's meeting, the Shareholders will be asked to approve the adoption of the new Omnibus Plan for directors, officers, employees, management company employees and consultants. If implemented by the Corporation, the Omnibus Plan will replace the existing Option Plan.

### ***The Compensation Plan Resolution***

At the Meeting, Shareholders will be asked to pass the following Ordinary Resolution to approve the Omnibus Plan (the "**Omnibus Plan Resolution**") to accommodate the CSE policies governing security-based compensation plans, substantially in the following form:

**"BE IT RESOLVED THAT as an ordinary resolution of the Corporation that:**

1. the Omnibus Plan, in substantially the form as attached as Schedule "B" to the management information circular of the Corporation dated November 1, 2024, be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the Policies of the Exchange, as the directors of the Corporation may deem necessary or advisable;
2. all issued and outstanding stock options of the Corporation previously granted shall be continued under and governed by the Omnibus Plan; and

These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 Disclosure of Corporate Governance Practices ("**NI 58-101**"), the Corporation is required to disclose its corporate governance practices, as summarized below. The Board of Directors will continue to monitor such practices on an ongoing basis and, when necessary, implement such additional practices as it deems appropriate.

### Composition of the Board

The Board facilitates its exercise of independent supervision over management by ensuring that the Board is composed of a majority of independent directors. Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. The Board has five directors, two of which are considered to be independent. Michael MacDougall and Carlos Arias Eguiguren are considered to be independent directors for the purposes of NI 58-101. Cyrus Driver and Simon D. Studer are not considered to be independent due to their relationship as senior officers, and Sandy MacDougall due to his former position as a senior officer.

The Board of the Corporation facilitates its exercise of supervision over the Corporation's management through frequent meetings of the Board.

### Mandate of the Board

The Board of Directors has responsibility for the stewardship of the Corporation including responsibility for strategic planning, identification of the principal risks of the Corporation's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Corporation's internal control and management information systems.

The Board of Directors sets long-term goals and objectives for the Corporation and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Corporation to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Corporation and its business. The Board is responsible for protecting Shareholders' interests and ensuring that the incentives of the Shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board of Directors reviews, as frequently as required, the principal risks inherent in the Corporation's business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the audit committee of the Board, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board of Directors, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the Corporation is authorized to act without Board approval, on all ordinary course matters relating to the Corporation's business.

The Board of Directors also monitors the Corporation's compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution.

The Board of Directors is responsible for the appointment of senior management and monitoring of their performance.

The Board facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board.

The Board does not hold regularly scheduled meetings without the non-independent directors and members of management. Since the beginning of the Corporation's last financial year, the independent directors did not hold any ad hoc meetings without the non-independent directors and management.

When a matter being considered involves a director, that director does not vote on the matter. As well, the directors regularly and independently confer amongst themselves and thereby keep apprised of all operational and strategic aspects of the Corporation's business.

#### *Position Descriptions*

The Board has not developed written position descriptions for the President or the chair of any board committees. Given the size of the Corporation's infrastructure and the existence of only a small number of officers, the Board does not feel that it is necessary at this time to formalize position descriptions in order to delineate their respective responsibilities.

#### *Orientation and Continuing Education*

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Corporation's properties, business and industry and on the responsibilities of directors. New directors also receive historical public information about the Corporation and the mandates of the committees of the Board. Board meetings may also include presentations by the Corporation's management and employees to give the directors additional insight into the Corporation's business. In addition, new directors are encouraged to visit and meet with management on a regular basis and to pursue continuing education opportunities where appropriate.

#### *Ethical Business Conduct*

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. Further, the Corporation's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the

Corporation's financial statements and any related findings as to the integrity of the financial reporting process.

Under applicable corporate legislation, a director is required to act honestly and in good faith with a view to the best interest of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction is a director or officer (or an individual acting in a similar capacity) of a party to the contract or voting on the contract or transaction, unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid, and the director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

#### Nomination of Directors

The Board will consider its size each year when it considers the number of directors to recommend to the shareholders of the Corporation for election at the annual Meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual Meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, show support for the Corporation's mission and strategic objectives, and a willingness to serve.

#### Assessments

The Board of Directors has not established a formal process to regularly assess the Board and the Audit Committee with respect to their effectiveness and contributions. Nevertheless, their effectiveness is subjectively measured on an ongoing basis by each director based on their assessment of the performance of the Board, the Audit Committee or the individual directors compared to their expectation of performance. In doing so, the contributions of an individual director are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

## Information about Executive Compensation

### Compensation of Executives

When determining executive compensation, the Corporation's practices are designed to retain, motivate and reward the executive officers of the Corporation for their performance and contribution to the Corporation's long-term success. The Board seeks to compensate the Corporation's executive officers by combining short and long-term cash and equity incentives. It also seeks to reward the achievement of corporate and individual performance objectives, and to align executive officers' incentives with shareholder value creation. The Board seeks to tie individual goals to the area of the executive officer's primary responsibility. These goals may include the achievement of specific financial or business development goals.

The compensation of the executive officers of the Corporation include three major elements: (a) base salary, (b) discretionary cash bonuses, and (c) long-term equity incentives, consisting of stock options under the Stock Option Plan. These three principal elements of compensation are described below.

### Components of Executive Compensation

#### Base Salary

Base salaries are intended to provide an appropriate level of fixed compensation that will assist in employee retention and recruitment. Base salaries are based on an assessment of factors such as the executive's performance, a consideration of competitive compensation levels in companies similar to the Corporation and a review of the performance of the Corporation as a whole and the role such executive played in such corporate performance.

#### Discretionary Cash Bonus

The Corporation, in its discretion, may award cash bonuses in order to motivate executives to achieve short-term corporate goals. The compensation committee will make recommendations to the Board (or, there being no compensation committee, the Board alone) who will approve cash bonuses. The success of executive officers in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals are factors in the determination of cash bonuses. In determining cash bonuses, the Board assesses each executive's performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Corporation that arise on a day to day basis.

#### Performance-Based Incentives

As at the date of this Circular, performance-based incentives have been granted by way of stock options pursuant to the Option Plan. If approved by shareholders at the Meeting, the Corporation will grant performance-based incentives under the Omnibus Plan. The Omnibus Plan will provide the Board with the ability and flexibility to make broader and different forms of equity rewards as part of its need to retain a competitive compensation structure for its directors, officers, executives, employees, consultants and service providers.

Under the Omnibus Plan, the Board is authorized to grant Options, Restricted Share Units (“**RSUs**”) and Deferred Share Units (“**DSUs**”) to directors, officers, employees, management

company employees and consultants of the Corporation and/or its subsidiaries (“**Eligible Participants**”), and when such Eligible Participants are granted Awards, the “**Participants**”) in order to attract, retain and motivate such persons as individuals whose skills, performance and loyalty to the objectives and interests of the Corporation are necessary to the Corporation’s success, to incentivize them to continue their services for the Corporation, and to align their interests with those of the Corporation.

A full copy of the Omnibus Plan is attached as Schedule "B" to this Circular.

- (c) to reward Participants for their performance of services while working for the Company or a Subsidiary; and
- (d) to provide a means through which the Company or a Subsidiary may attract and retain able Persons to enter its employment or service.

#### **Section 2.2 Implementation and Administration of the Plan.**

- (1) The Plan shall be administered and interpreted by the board of directors of the Company (the “**Board**”) or, if the Board by resolution so decides, by a committee appointed by the Board. If such committee is appointed for this purpose, all references to the “Board” herein will be deemed references to such committee. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (2) Subject to Article 7 and any applicable rules of the Stock Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions

and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.

- (3) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. The Board may delegate to officers or managers of the Company, or committees thereof, the authority, subject to such terms as the Board shall determine, to perform such functions, in whole or in part. Any such delegation by the Board may be revoked at any time at the Board's sole discretion. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board, or by any officer, manager, committee or any other Person to which the Board delegated authority to perform such functions, shall be final and binding on the Company, its Subsidiaries and all Eligible Participants.
- (4) No member of the Board or any Person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Awards will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company and its Subsidiaries do not assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with such Participant's own tax advisors.

- (4) The Plan includes an "evergreen" stock option plan, as Shares of the Company covered by Options which have been exercised or settled, as applicable, and Options which have expired or are forfeited, surrendered, cancelled or otherwise terminated or lapsed for any reason without having been exercised, will be available for subsequent grants under the Plan and the number of Options that may be granted under the Plan increases if the total number of issued and outstanding Shares of the Company increases. ### **Section 2.6 Granting of Awards.**

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any Stock Exchange or under any law or regulation of any jurisdiction, or the consent or approval of any Stock Exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Awards or exercise of any Option or the issuance or purchase of Shares thereunder, if applicable, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

For the avoidance of doubt, no Dividend Equivalents shall be granted in connection with an Option.

#### **Section 3.2 Option Awards.**

Subject to the provisions set forth in this Plan and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Plan, (ii) fix the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted, (iii) determine the price per Share to be payable upon the exercise of each such Option (the “**Option Price**”) and the relevant vesting provisions (including Performance Criteria, if applicable) and the Option Term, the whole subject to the terms and conditions prescribed in this Plan or in any Option Agreement, and any applicable rules of the Stock Exchange.

#### **Section 3.3 Option Price.**

- (1) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten years from the date the Option is granted (the “**Option Term**”).
- (2) Should the expiration date for an Option fall within a Black-Out Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Black-Out Period, such tenth Business Day to be considered the expiration date for such Option for all purposes under the Plan.

### **Section 3.5 Exercise of Options.**

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such Performance Criteria and/or other vesting conditions as the Board at the time of granting the particular Option, may determine in its sole discretion. For greater certainty, any exercise of Options by a Participant shall be made in accordance with any insider trading policies implemented by the Company.

### **Section 3.6 Method of Exercise and Payment of Purchase Price.**

- (1) Subject to the provisions of the Plan, an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.5) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering a fully completed Exercise Notice to the Company at its registered office to the attention of the Corporate Secretary of the Company (or the individual that the Corporate Secretary of the Company may from time to time designate) or give notice in such other manner as the Company may from time to time designate, which notice shall specify the number of Shares in respect of which the Option is being exercised and shall be accompanied by full payment, by cash, certified cheque, bank draft or any other form of payment deemed acceptable by the Board of the purchase price for the number of Shares specified therein and, if required by Section 8.2, the amount necessary to satisfy any taxes.
- (2) Upon the exercise, the Company shall, as soon as practicable after such exercise but no later than ten Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares either to:
  - (a) deliver to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice; or
  - (b) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) Subject to the rules and policies of the Stock Exchange (including the TSXV Share Limits, as applicable), the Board may, in its discretion and at any time, determine to grant a Participant the right, other than an Investor Relations Provider, when entitled to exercise Options, to deal with such Options on a “cashless exercise” basis (the “**Cashless Exercise Right**”). The Board may determine in its discretion that such Cashless Exercise Right, if any, grants a Participant the right to exercise such Options by notice in writing to the Company and receive, without payment of any cash other than pursuant to Section 8.2, that number of Shares, disregarding fractions, that is equal to the quotient obtained by dividing:

- (1) the product of the number of Options being exercised multiplied by the difference between the Market Value on the day immediately prior to the exercise of the Cashless Exercise Right and the Option Price; and
  - (2) the Market Price on the day immediately prior to the exercise of the Cashless Exercise Right.
- (4) In the event the Board grants and the Participant exercises Options pursuant to a Cashless Exercise Right:
- (a) the Company shall make an election pursuant to subsection 110(1.1) of the Tax Act; and
  - (b) the number of Options exercised, and not the number of Shares issued by the Company pursuant to such Cashless Exercise Right shall be included in calculating the limitation in Sections 2.4 and 2.5 and the TSXV Share Limits, as applicable.

### **Section 3.7 Option Agreements.**

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine. The Option Agreement may contain any such terms that the Company considers necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

### **Section 3.8 Incentive Stock Options.**

- (1) ISOs are available only for Participants who are employees of the Company, or a “parent corporation” or “subsidiary corporation” (as such terms are defined in Section 424(e) and (f) of the U.S. Tax Code), on the date the Option is granted. In addition, a Participant who holds an ISO must continue as an employee, except that upon termination of employment the Option will continue to be treated as an ISO for up to three months, after which the Option will no longer qualify as an ISO, except as provided in this Section 3.8(1). A Participant’s employment will be deemed to continue during period of sick leave, military leave or other *bona fide* leave of absence, provided the leave of absence does not exceed three months, or the Participant’s return to employment is guaranteed by statute or contract. If a termination of employment is due to permanent disability, an Option may continue its ISO status for up to one year, and if the termination is due to death, the ISO status may continue for the balance of the Option’s term. Nothing in this Section 3.8(1) will be deemed to extend the original expiry date of an Option.
- (2) A Participant who owns, or is deemed to own, pursuant to Section 424(e) of the U.S. Tax Code, Shares possessing more than 10% of the total combined voting power of all classes of stock of the Company may not be granted an Option that is an ISO unless the Option Price is at least 110% of the Market Value of the Shares, as of the date of the grant, and the Option is not exercisable after the expiration of five years from the date of grant.

- (3) To the extent the aggregate Market Value (determined as of the date of grant) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under all plans of the Company and any affiliates) exceeds US\$100,000, the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Options other than ISOs, notwithstanding any contrary provision in the applicable Option Agreement.

## **ARTICLE 4**

### **RESTRICTED SHARE UNITS**

#### **Section 4.1 Nature of RSUs.**

A “Restricted Share Unit” (or “**RSU**”) is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient Participant to acquire Shares as determined by the Board or to receive the Cash Equivalent or a combination thereof, as the case may be, pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such RSU expires prior to being settled. Vesting conditions may, without limitation, be based on continuing employment (or other service relationship) and/or achievement of Performance Criteria. Unless otherwise determined by the Board in its discretion, the Award of an RSU is considered a bonus for services rendered in the calendar year in which the Award is made or as an incentive for future services rendered to the Company or its Subsidiaries.

#### **Section 4.2 RSU Awards.**

- (1) The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive RSUs under the Plan, (ii) fix the number of RSUs, if any, to be granted to each Eligible Participant and the date or dates on which such RSUs shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria, if any) and the Restricted Period of such RSUs, (provided, however, that no such Restricted Period shall exceed the three years referenced in Section 4.3), and (iv) any other terms and conditions applicable to the granted RSUs, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any RSU Agreement.
- (2) Subject to the vesting and other conditions and provisions in this Plan and in the RSU Agreement, each vested RSU awarded to a Participant shall entitle the Participant to receive one Share, the Cash Equivalent or a combination thereof upon confirmation by the Board that the vesting conditions (including the Performance Criteria, if any) have been met and no later than the last day of the Restricted Period. For greater certainty, RSUs that are subject to Performance Criteria may not become fully vested by the last day of the Restricted Period.

#### **Section 4.3 Restricted Period.**

Subject to Section 2.7(a), the applicable restricted period in respect of a particular RSU shall be determined by the Board but in all cases shall end no later than the 31<sup>st</sup> of December of the third calendar year following the calendar year in which the performance of services for which such RSU is granted, occurred (the “**Restricted Period**”). All unvested RSUs shall be cancelled on the

RSU Vesting Determination Date (as such term is defined in Section 4.4) and, in any event: all unvested RSUs shall be cancelled no later than the last day of the Restricted Period.

#### **Section 4.4 RSU Vesting Determination Date.**

The vesting determination date means the date on which the Board determines if the Performance Criteria and/or other vesting conditions with respect to an RSU have been met (the “**RSU Vesting Determination Date**”), and as a result, establishes the number of RSUs that become vested, if any. For greater certainty, the RSU Vesting Determination Date must fall after the end of the Performance Period, if any, but no later than the 15<sup>th</sup> of December of the calendar year which commences three years after the calendar year in which the performance of services for which such RSU is granted, occurred. Notwithstanding the foregoing, for any U.S. Participant, the RSU Vesting Determination Date shall occur no later than the 15<sup>th</sup> of March of the calendar year following the end of the Performance Period.

#### **Section 4.5 Settlement of RSUs.**

- (1) Except as otherwise provided in the RSU Agreement, all of the vested RSUs covered by a particular grant shall be settled as soon as practicable and in any event within ten Business Days following their RSU Vesting Determination Date and no later than the end of the Restricted Period (the “**RSU Settlement Date**”).
- (2) Settlement of RSUs shall take place promptly following the RSU Settlement Date and no later than the end of the Restricted Period, and shall take the form determined by the Board, in its sole discretion. Settlement of RSUs shall be subject to Section 8.2 and shall take place through:
  - (a) in the case of settlement of RSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
  - (b) in the case of settlement of RSUs for Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board):
    - (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
    - (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
  - (c) in the case of settlement of the RSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.

- (3) Notwithstanding the foregoing, for any U.S. Participant, the RSU Settlement Date and delivery of Shares or Cash Equivalent, if any, shall each occur no later than the 15<sup>th</sup> of March of the calendar year following the end of the Performance Period.

#### **Section 4.6 Determination of Amounts.**

- (1) For purposes of determining the Cash Equivalent of RSUs to be made pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the Market Value on the RSU Settlement Date multiplied by the number of vested RSUs in the Participant's Account to settle in cash.
- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of RSUs pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the whole number of Shares equal to the whole number of vested RSUs then recorded in the Participant's Account to settle in Shares.

#### **Section 4.7 RSU Agreements.**

RSUs shall be evidenced by an RSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The RSU Agreement may contain any such terms that the Company considers necessary in order that the RSU will comply with any provisions respecting restricted share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

#### **Section 4.8 Award of Dividend Equivalents.**

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of unvested RSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. However, to the extent that Dividend Equivalents awarded under this Section 4.8 entitle Participants to receive additional RSUs, the maximum aggregate number of Shares that might possibly be issued to satisfy this obligation must be included in the grant limits in Section 2.4(2)(b), clause (i) and (ii) of the defined term "TSXV Share Limits" and Sections 2.5(2) and (3), and if the Company does not have a sufficient number of Shares available under this Plan to satisfy its obligations in respect of such Dividend Equivalents it shall make payments in cash.

In the event that the Participant's applicable RSUs do not vest, all Dividend Equivalents, if any, associated with such RSUs will be forfeited by the Participant and returned to the Company's account.

**ARTICLE 5**  
**DEFERRED SHARE UNITS**

**Section 5.1 Nature of DSUs.**

A “Deferred Share Unit” (or “**DSU**”) is an Award attributable to a Participant’s duties as a director of the Company and that, upon settlement, entitles the recipient Participant to receive such number of Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board) as determined by the Board, or to receive the Cash Equivalent or a combination thereof, as the case may be, and is payable after Termination of Service of the Participant.

**Section 5.2 DSU Awards.**

The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive DSU Awards under the Plan, (ii) fix the number of DSU Awards to be granted to each Eligible Participant, and (iii) fix the date or dates on which such DSU Awards shall be granted, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement. Each DSU awarded shall entitle the Participant to one Share, or the Cash Equivalent, or a combination thereof.

**Section 5.3 Payment of Annual Base Compensation.**

- (1) Subject to the Board determining otherwise, each Participant may elect to receive in DSUs any portion or all of their Annual Base Compensation by completing and delivering a written election to the Company on or before the 5th day of November of the calendar year ending immediately before the calendar year with respect to which the election is made. Such election will be effective with respect to compensation payable for fiscal quarters beginning during the calendar year following the date of such election. Elections hereunder shall be irrevocable with respect to compensation earned during the period to which such election relates.
- (2) Further, where an individual becomes a Participant for the first time during a fiscal year and, for individuals that are U.S. Participants, such individual has not previously participated in a plan that is required to be aggregated with this Plan for purposes of Section 409A of the U.S. Tax Code, such individual may elect to defer Annual Base Compensation with respect to fiscal quarters of the Company commencing after the Company receives such individual’s written election, which election must be received by the Company no later than 30 days after the later of the Plan’s adoption or such individual’s appointment as a Participant. For greater certainty, new Participants will not be entitled to receive DSUs for any Annual Base Compensation earned pursuant to an election for the quarter in which they submit their first election to the Company or any previous quarter.
- (3) All DSUs granted with respect to Annual Base Compensation will be credited to the Participant’s Account when such Annual Base Compensation is payable (the “**Grant Date**”).
- (4) The Participant’s Account will be credited with the number of DSUs calculated to the nearest thousandths of a DSU, determined by dividing the dollar amount of compensation

payable in DSUs on the Grant Date by the Market Value of the Shares. Fractional DSUs will not be issued and any fractional entitlements will be rounded down to the nearest whole number.

#### **Section 5.4 Additional Deferred Share Units.**

In addition to DSUs granted pursuant to Section 5.3, the Board may award such number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services they render to the Company or its Subsidiaries. The Board shall determine the date on which such DSUs may be granted and the date as of which such DSUs shall be credited to a Participant's Account. An award of DSUs pursuant to this Section 5.4 shall be subject to a DSU Agreement evidencing the Award and the terms applicable thereto.

#### **Section 5.5 Settlement of DSUs.**

- (1) A Participant may receive their Shares, or Cash Equivalent, or a combination thereof, to which such Participant is entitled upon Termination of Service, by filing a redemption notice on or before the 15th day of December of the first calendar year commencing after the date of the Participant's Termination of Service. Notwithstanding the foregoing, if any Participant does not file such notice on or before that 15th day of December, the Participant will be deemed to have filed the redemption notice on the 15th day of December (the date of the filing or deemed filing of the redemption notice, the "**Filing Date**"). In all cases for each U.S. Participant, the U.S. Participant will be deemed to have filed the redemption notice on the date of their Termination of Service.
- (2) The Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than the end of the first calendar year commencing after the Participant's Termination of Service. In all cases for each U.S. Participant, the Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than the 1<sup>st</sup> day of March of the calendar year following Termination of Service.
- (3) In the event of the death of a Participant, the Company will, subject to Section 8.2, make payment of the DSU Settlement Amount within two months of the Participant's death to or for the benefit of the legal representative of the deceased Participant. For the purposes of the calculation of the Settlement Amount, the Filing Date shall be the date of the Participant's death.
- (4) Subject to Section 2.7(a) and the terms of the DSU Agreement, including the satisfaction or, at the discretion of the Board, waiver of any vesting conditions, settlement of DSUs shall take place promptly following the Filing Date, and take the form as determined by the Board, in its sole discretion. Settlement of DSUs shall be subject to Section 8.2 and shall take place through:
  - (a) in the case of settlement of DSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
  - (b) in the case of settlement of DSUs for Shares:

- (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
  - (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
- (c) in the case of settlement of the DSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.

#### **Section 5.6 Determination of DSU Settlement Amount.**

- (1) For purposes of determining the Cash Equivalent of DSUs to be made pursuant to Section 5.5 such calculation will be made on the Filing Date based on the Market Value on the Filing Date multiplied by the number of vested DSUs in the Participant's Account to settle in cash.
- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of DSUs pursuant to Section 5.5, such calculation will be made on the Filing Date based on the whole number of Shares equal to the whole number of vested DSUs then recorded in the Participant's Account to settle in Shares.

#### **Section 5.7 DSU Agreements.**

DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The DSU Agreement may contain any such terms that the Company considers necessary in order that the DSU will comply with any provisions respecting deferred share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

#### **Section 5.8 Award of Dividend Equivalents.**

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of DSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. However, to the extent that Dividend Equivalents awarded under this Section 5.8 entitle Participants to receive additional DSUs, the maximum aggregate number of Shares that might possibly be issued to satisfy this obligation must be included in the grant limits in Section 2.4(2)(b), clause (i) and (ii) of the defined term "TSXV Share Limits" and Sections 2.5(2) and (3), and if the Company does not have a sufficient number of Shares available under this Plan to satisfy its obligations in respect of such Dividend Equivalents it shall make payments in cash.

**ARTICLE 6**  
**GENERAL CONDITIONS**

**Section 6.1 General Conditions Applicable to Awards.**

Each Award, as applicable, shall be subject to the following conditions:

- (1) Vesting Period. Subject to Section 2.7(a), each Award granted hereunder shall vest in accordance with the terms of the Grant Agreement entered into in respect of such Award; and (b) the Board has the right to accelerate the date upon which any Award becomes exercisable notwithstanding the vesting schedule set forth for such Award, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration.
- (2) Employment. Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Company or any of its Affiliates in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.
- (3) Grant of Awards. Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company or any Subsidiary.
- (4) Rights as a Shareholder. Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Subject to Section 4.8 and Section 5.8, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.
- (5) Conformity to Plan. In the event that an Award is granted, or a Grant Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (6) Non-Transferrable Awards. Each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether

voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. No Award granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.

- (7) Participant's Entitlement. Except as otherwise provided in this Plan or unless the Board permits otherwise, upon any Subsidiary of the Company ceasing to be a Subsidiary of the Company, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Company and not of the Company itself, whether or not then exercisable, shall automatically terminate on the date of such change.

## **Section 6.2 General Conditions Applicable to Options.**

Each Option shall be subject to the following conditions:

- (1) Termination for Cause. Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Company that the Participant was discharged for Cause shall be binding on the Participant. "**Cause**" shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company's codes of conduct and any other reason determined by the Company to be cause for termination.
- (2) Termination not for Cause. Upon a Participant ceasing to be an Eligible Participant as a result of such Participant's employment or service relationship with the Company or a Subsidiary being terminated without Cause, (i) any unvested Option granted to such Participant shall terminate and become void immediately and (ii) any vested Option granted to such Participant may be exercised by such Participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of 90 days after the Termination Date, or the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire. Notwithstanding the foregoing, any vested Option must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an Eligible Participant under this Plan.
- (3) Resignation. Upon a Participant ceasing to be an Eligible Participant as a result of such Participant's resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall terminate and become void immediately upon resignation, and (ii) unless otherwise determined by the Board, in its sole discretion, each vested Option granted to such Participant will cease to be exercisable on the earlier of the 30 days following the Termination Date and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire. Notwithstanding the foregoing, any vested Option must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an Eligible Participant under this Plan.
- (4) Permanent Disability/Retirement. Upon a Participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability, (i) any unvested Option shall terminate and become void immediately, and (ii) any vested Option will cease to be exercisable on the earlier of the 90 days from the date of retirement or the date on which the Participant ceases such Participant's employment or service relationship with the Company or any

Subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.

- (5) Death. Upon a Participant ceasing to be an Eligible Participant by reason of death, any vested Option granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Options (the “**Vested Awards**”) on the date of such Participant’s death. Such Vested Awards shall only be exercisable within 12 months after the Participant’s death or prior to the expiration of the original term of the Options whichever occurs earlier.

### **Section 6.3 General Conditions Applicable to RSUs.**

Each RSU shall be subject to the following conditions:

- (1) Termination for Cause and Resignation. Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of such Participant’s resignation from the Company or a Subsidiary, the Participant’s participation in the Plan shall be terminated immediately, all RSUs credited to such Participant’s Account that have not vested shall be forfeited and cancelled, and the Participant’s rights to Shares or Cash Equivalent or a combination thereof that relate to such Participant’s unvested RSUs shall be forfeited and cancelled on the Termination Date. The Participant shall not receive any payment in lieu of cancelled RSUs that have not vested.
- (2) Death or Termination. Upon a Participant ceasing to be an Eligible Participant as a result of (i) death, (ii) retirement, (iii) Termination for reasons other than for Cause, (iv) such Participant’s employment or service relationship with the Company or a Subsidiary being terminated by reason of injury or disability, or (v) becoming eligible to receive long-term disability benefits, all unvested RSUs in the Participant’s Account as of such date relating to a Restricted Period in progress shall be terminated, and the Participant shall not receive any payment in lieu of cancelled RSUs.
- (3) General. For greater certainty, where a Participant’s employment or service relationship with the Company or a Subsidiary is terminated pursuant to Section 6.3(1) or Section 6.3(2) following the satisfaction of all vesting conditions in respect of particular RSUs but before receipt of the corresponding distribution or payment in respect of such RSUs, the Participant shall remain entitled to such distribution or payment provided such distribution or payment is made within a reasonable period, not exceeding 12 months, following termination of such Participant’s employment or service relationship.

## **ARTICLE 7**

### **ADJUSTMENTS AND AMENDMENTS**

#### **Section 7.1 Adjustment to Shares.**

In the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Company with or into another corporation, or (v) any distribution to all holders of Shares or other securities in the capital of the Company, of cash, evidences of indebtedness or other assets of the Company

(excluding an ordinary course dividend in cash or Shares, but including for greater certainty shares or equity interests in a Subsidiary or business unit of the Company or one of its Subsidiaries or cash proceeds of the disposition of such a Subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Stock Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;
- (b) adjustments to the number of Shares to which the Participant is entitled upon exercise of such Award; or
- (c) adjustments to the number or kind of Shares reserved for issuance pursuant to the Plan.

### **Section 7.2 Change of Control.**

- (1) In the event of a potential Change of Control, the Board shall have the power, in its sole discretion, subject to Section 7.3, to modify the terms of this Plan and/or the Awards to assist the Participants to tender into a take-over bid or to participate in any other transaction leading to a Change of Control.
- (2) If the Company completes a transaction constituting a Change of Control and within 12 months following the Change of Control, (i) a Participant who was also an officer or employee of, or Consultant to, the Company prior to the Change of Control has their position, employment or Consulting Agreement terminated, or the Participant is constructively dismissed, or (ii) a director ceases to act in such capacity, then all unvested RSUs shall immediately vest and shall be paid out, and all unvested Options shall vest and become exercisable. Any Options that become exercisable pursuant to this Section 7.2(2) shall remain open for exercise until the earlier of their expiry date as set out in the Grant Agreement and the date that is 90 days after such termination or dismissal.
- (3) Notwithstanding any other provision of this Plan, this Section 7.2 shall not apply with respect to any DSUs held by a Participant where such DSUs are governed under paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.
- (4) Notwithstanding any other provision of this Plan, for all U.S. Participants, "Change of Control" as defined herein shall be as "Change in Control" is defined in 409A of the U.S. Tax Code.

### **Section 7.3 Amendment or Discontinuance of the Plan.**

- (1) The Board may suspend or terminate the Plan at any time. Notwithstanding the foregoing, any suspension or termination of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.

- (2) The Board may from time to time, in its absolute discretion and without approval of the shareholders of the Company make the following types of amendments to this Plan or any Award, subject to any regulatory or Stock Exchange requirement at the time of such amendment:
- (a) amendments of a “housekeeping” nature, including any amendment that is necessary to: (i) clarify an existing provision of the Plan; correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan; (iii) comply with applicable law or the requirements of the Stock Exchange or any other regulatory body; or (iv) correct any grammatical or typographical errors in the Plan; and
  - (b) amendments regarding the administration of the Plan.
- (3) With approval of the shareholders of the Company (including disinterested shareholder approval, as applicable) and subject to any regulatory or Stock Exchange requirement at the time of such amendment, the Board may amend this Plan, including amendments to the provisions of this Plan that:
- (a) amend the definition of an Eligible Participant under the Plan;
  - (b) increase the maximum number of Shares issuable under the Plan (either as a fixed number or fixed percentage of the Outstanding Issue), except in the event of an adjustment pursuant to Article 7;
  - (c) increase the maximum number of Shares that may be (A) issuable to Insiders at any time, or (B) issued to Insiders under the Plan and any other proposed or established Share Compensation Arrangement in a one-year period, except in case of an adjustment pursuant to Article 7;
  - (d) amend the method for determining the Option Price;
  - (e) extend the maximum term of any Award;
  - (f) amend the expiry and termination provisions applicable to an Award; and
  - (g) amend the amendment provisions of the Plan.
- (4) Notwithstanding the foregoing, any amendment of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.

#### **Section 7.4 TSX Venture Exchange Approval of Adjustments.**

While the Shares are listed for trading on the TSX Venture Exchange, any adjustment, other than in connection with a subdivision of the Shares into a greater number of Shares pursuant to Section 7.1(a) or a consolidation of Shares into a lesser number of Shares pursuant to Section 7.1(b), to any Award pursuant to the provisions hereof is subject to the prior acceptance of the TSX Venture Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

**ARTICLE 8**  
**MISCELLANEOUS**

**Section 8.1 Use of an Administrative Agent and Trustee.**

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent or trustee to administer the Awards granted under the Plan, including for the purposes of making secondary market purchases of Shares for delivery on settlement of an Award, if applicable, and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

**Section 8.2 Tax Withholding.**

Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, including by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.1, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or determined by the Company as appropriate.

**Section 8.3 US Tax Compliance.**

- (1) DSU Awards granted to U.S. Participants are intended to be comply with, and Option and RSU Awards granted to U.S. Participants are intended to be exempt from, all aspects of Section 409A of the U.S. Tax Code and related regulations ("**Section 409A**"). Notwithstanding any provision to the contrary, all taxes associated with participation in the Plan, including any liability imposed by Section 409A, shall be borne by the U.S. Participant.
- (2) For purposes of interpreting and applying the provisions of any DSU or other Award to subject to Section 409A, the term "termination of employment" or similar phrase will be interpreted to mean a "separation from service," as defined under Section 409A, provided, however, that with respect to an Award subject to the Tax Act, if the Tax Act requires a complete termination of the employment relationship to receive the intended tax treatment, then "termination of employment" will be interpreted to only include a complete termination of the employment relationship.
- (3) If payment under any DSU or other Award subject to Section 409A is in connection with the U.S. Participant's separation from service, and at the time of the separation from service the Participant is subject to the U.S. Tax Code and is considered a "specified employee" (within the meaning of Section 409A), then any payment that would otherwise be payable

during the six-month period following the separation from service will be delayed until after the expiration of the six-month period, to the extent necessary to avoid taxes and penalties under Section 409A, provided that any amounts that would have been paid during the six-month period may be paid in a single lump sum on the first day of the seventh month following the separation from service.

#### **Section 8.4 Clawback.**

Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or Stock Exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or Stock Exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or Stock Exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Awards (whether or not vested or exercisable) and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which such Participant is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Plan. In addition, the Board may require forfeiture and disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or applicable Stock Exchange listing standards, including and any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the Participant to cooperate fully with the Board, to effectuate any forfeiture or disgorgement required hereunder. Neither the Board nor the Company nor any other person, other than the Participant and such Participant's permitted transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or such Participant's permitted transferees, if any, that may arise in connection with this Section 8.4.

#### **Section 8.5 Securities Law Compliance.**

- (1) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award and exercise of any Option, and the Company's obligation to sell and deliver Shares in respect of any Awards, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the rules and regulations of applicable Stock Exchanges and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any Award hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (2) No Awards shall be granted in the United States and no Shares shall be issued in the United States pursuant to any such Awards unless such Shares are registered under the U.S. Securities Act and any applicable state securities laws or an exemption from such registration is available. Any Awards granted in the United States, and any Shares issued pursuant thereto, will be "restricted securities" (as such term is defined in Rule 144(a)(3))

under the U.S. Securities Act). Any certificate or instrument representing Awards granted in the United States or Shares issued in the United States pursuant to such Awards pursuant to an exemption from registration under the U.S. Securities Act and applicable state securities laws shall bear substantially the following legend restricting transfer under applicable United States federal and state securities laws:
