

FOR IMMEDIATE RELEASE

Eagleford Energy Board Changes

Toronto, Canada December 23rd, 2015 – Eagleford Energy Corp. (OTCQB “EGFDF”) (“Eagleford Energy” or the “Corporation”), announces that Colin McNeil, P. Geoph (“McNeil”) resigned as a director of the Corporation and John Budden has been appointed as a new director.

John Budden has over 50 years of diverse, domestic and international investment experience. He co-founded Rabin Budden Partners in the 1980’s with Ted Rabin and in 1989 was appointed President & CEO of Dynamic Fund Management. Since 1992, his Ottawa/Boston based consulting practice has advised major international financial services companies on mergers and acquisitions, strategic alliances and emerging trends. Over the years, he has introduced a select group of great core and alternative investment managers to major pensions, endowments and family offices.

The Corporation extends its appreciation to Colin McNeil for his many contributions to the Company and its shareholders over the years.

Certain information regarding the Company in this news release may constitute forward-looking statements under applicable securities laws. The forward-looking information includes, without limitation, projections or estimates made by us and our management in connection with our business operations. Various assumptions were used in drawing the conclusions or making the forecasts and projections contained in the forward-looking information contained in this press release, which assumptions are based on management analysis of historical trends, experience, current conditions and expected future developments pertaining to the Company and the industry in which it operates as well as certain assumptions as specifically outlined in the release above. Forward-looking information is based on current expectations, estimates and projections that involve a number of risks, which could cause actual results to vary and in some instances to differ materially from those anticipated by the Company and described in the forward-looking information contained in this press release. Undue reliance should not be placed on forward-looking information, which is not a guarantee of performance and is subject to a number of risks or uncertainties. Readers are cautioned that the foregoing list of risk factors is not exhaustive. Forward-looking information is based on the estimates and opinions of the Company’s management at the time the information is released and the Company disclaims any intent or obligation to update publicly any such forward-looking information, whether as a result of new information, future events or otherwise, other than as expressly required by applicable securities laws.
