

BITRUSH CORP. ANNOUNCES GRANT OF STOCK OPTIONS

NOT FOR DISTRIBUTION IN THE UNITED STATES OR TO US NEWSWIRES

TORONTO, ONTARIO, June 9, 2022 – BitRush Corp. (CSE:BRH, Frankfurt:0XSN) (“**BitRush**” or the “**Company**”) announces that the Company has granted effective June 8, 2022, an aggregate of 250,000 incentive stock options to certain (5) consultants under its 2021 Omnibus Equity Incentive Compensation Plan to purchase up to an aggregate of 250,000 common shares at an exercise of \$0.05 per share until June 8, 2026. 187,500 options vest in equal amounts on a quarterly basis over one year, while the remaining number of options vested upon grant.

The common shares of the Company, including the common shares issuable pursuant to the exercise of the options, remain suspended from trading in accordance with the rules of the CSE. Such suspension will continue until such time as the Company effectively meets certain listing requirements of the CSE. Although the Company does not currently have any definitive plans for the operation of a business, it is investigating and evaluating opportunities with a view to the development of a sustainable business.

FORWARD LOOKING INFORMATION

This press release is for informational purposes only and is not an offer to buy or the solicitation of an offer to sell any securities in any jurisdiction.

This press release contains certain “forward-looking information”. All statements, other than statements of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future (including, without limitation, the Company’s expected future plans described in this news release) constitute forward-looking information.

This forward-looking information reflects the current expectations or beliefs of the Company based on information currently available to the Company as well as certain assumptions including, the ability of the Company to be presented with or find appropriate business opportunities in a timely manner. Forward- looking information is subject to a number of significant risks and uncertainties and other factors that may cause the actual results of the Company to differ materially from those discussed in the forward-looking information, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on the Company. Factors that could cause actual results or events to differ materially from current expectations, include, but are not limited to, the inability of the Company to find appropriate business opportunities that are economically viable or to raise funds in a timely manner, if at all, that may be required to grow and develop a business and/or the failure to formulate definitive plans to operate a business successfully, or the inability of the Company to meet CSE listing requirements and to reactivate the trading of its shares on the CSE.

Any forward-looking information speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or otherwise. Although the Company believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein.
