

Acreage Holdings Expands Investor Relations Team With the Appointment of Christine Rigby As Vice President of Investor Relations

New York, NY – May 8, 2019 – Acreage Holdings (“Acreage”) (CSE: ACRG.U) (OTCQX: ACRGF) (FSE: oZV) today announced the appointment of Christine Rigby as Vice President of Investor Relations. Rigby will partner with Steve West to develop and strengthen the company’s investor relations strategy and framework to deliver its vision to all shareholders. Rigby will also help drive strategic initiatives with Acreage’s management team. The continued growth of the cannabis industry has generated significant investor interest in the space, and Acreage is assembling the best team to cultivate new investor relationships. Rigby brings with her more than 25 years of capital markets experience and joins Acreage after leading investor relations and serving as a board member at another leading cannabis multi-state operator, Curaleaf Holdings. Rigby will report to Chief Financial Officer Glen Liebowitz.

“Christine is recognized as one of the most effective and respected investor relations professionals in the cannabis industry, with extensive experience across investment strategy, private equity, sales, trading and capital raising. We could not be more thrilled to have Christine on our team to continue building and strengthening our relationships with the investment community,” said Acreage Chairman and CEO Kevin Murphy.

Prior to joining Acreage, Rigby led Investor Relations at Curaleaf Holdings for three years, helping grow Curaleaf’s national footprint from one to 12 states and playing a critical role in its RTO process. Concurrently, Christine assisted in launching Measure 8 Venture Partners, a private equity fund focused on the cannabis space with over \$100 million raised. For close to 10 years before that, she served as a Vice President and Head Trader for the private equity fund, The Sputnik Group, serving as the lead contact for investment, private banking and prime broker relationships. She began her career at Citi Smith Barney, concluding her 14 years at the firm as Senior Vice President of Wealth Management.

“I have closely watched and admired the professional approach and tremendous growth trajectory of Acreage these past few years and could not be more excited to play an integral role in telling the company’s story to the investment community.” said Christine Rigby.
