Acreage Holdings, Inc. (the “Company”, “Pubco” or “Acreage”) is a vertically integrated, multi-state operator in the United States (“U.S.”) cannabis industry and has contractual relationships with cannabis cultivation facilities, dispensaries and other cannabis-related companies in the U.S. The Company’s operations include (i) cultivating and processing cannabis plants, (ii) manufacturing branded consumer products, (iii) distributing cannabis flower and manufactured products, and (iv) retailing dosable cannabis products to consumers. The Company’s products appeal to medical and adult recreational use customers through brand strategies intended to build trust and loyalty. The Company’s Class E subordinate voting shares (“Fixed Shares”) and Class D subordinate voting shares (“Floating Shares”) are listed on the Canadian Securities Exchange under the symbols “ACRG.A.U” and “ACRG.B.U”, respectively, quoted on the OTCQX under the symbols “ACRHF” and “ACRDF”, respectively, and traded on the Frankfurt Stock Exchange under the symbols “0VZ1” and “0VZ2”, respectively.

High Street Capital Partners, LLC, a Delaware limited liability company doing business as “Acreage Holdings” (“HSCP”), was formed on April 29, 2014. The Company became the indirect parent of HSCP on November 14, 2018 in connection with the reverse takeover (“RTO”) transaction described below.

The Company’s principal place of business is located at 450 Lexington Avenue, #3308, New York, New York in the U.S. The Company’s registered and records office address is Suite 2800, Park Place, 666 Burrard Street, Vancouver, British Columbia in Canada.

The RTO transaction

On September 21, 2018, the Company, HSCP, HSCP Merger Corp. (a wholly-owned subsidiary of the Company), Acreage Finco B.C. Ltd. (a special purpose corporation) (“Finco”), Acreage Holdings America, Inc. (“USCo”) and Acreage Holdings WC, Inc. (“USCo2”) entered into a business combination agreement (the “Business Combination Agreement”) whereby the parties thereto agreed to combine their respective businesses, which would result in the RTO of Pubco by the security holders of HSCP, which was deemed to be the accounting acquiror. On November 14, 2018, the parties to the Business Combination Agreement completed the RTO.

Canopy Growth Corporation transaction

On June 27, 2019, the Company and Canopy Growth Corporation (“Canopy Growth” or “CGC”) implemented the Prior Plan of Arrangement (as defined in Note 13) contemplated by the Original Arrangement Agreement (as defined in Note 13). Pursuant to the Prior Plan of Arrangement, Canopy Growth was granted an option to acquire all of the issued and outstanding shares of the Company in exchange for the payment of 0.5818 of a common share in the capital of Canopy Growth for each Class A subordinate voting share (each, a “SVS”) held (with the Class B proportionate voting shares (the “PVS”) and Class C multiple voting shares (the “MVS”) being automatically converted to SVS immediately prior to consummation of the Acquisition (as defined in Note 13), which original exchange ratio was subject to adjustment in accordance with the Original Arrangement Agreement. Canopy Growth was required to exercise the option upon a change in federal laws in the United States to permit the general cultivation, distribution and possession of marijuana (as defined in the relevant legislation) or to remove the regulation of such activities from the federal laws of the United States (the “Triggering Event”) and, subject to the satisfaction or waiver of certain closing conditions set out in the Original Arrangement Agreement, Canopy Growth was required to acquire all of the issued and outstanding SVS (following the mandatory conversion of the PVS and MVS into SVS).

On June 24, 2020, Canopy Growth and the Company entered into an agreement to, among other things, amend the terms of the Original Arrangement Agreement and the terms of the Prior Plan of Arrangement (the “Amended Arrangement”). On September 16, 2020, the Company’s shareholders voted in favor of a special resolution authorizing and approving the terms of, among other things, the Amended Arrangement. Subsequently, on September 18, 2020, the Company obtained a final order from the Supreme Court of British Columbia approving the Amended Arrangement, and on September 23, 2020 the Company and Canopy Growth entered into the Amending Agreement (as defined in Note 13) and implemented the Amended Arrangement. Pursuant to the Amended Arrangement, the Company’s articles were amended to create the Fixed Shares, the Floating Shares and the Class F multiple voting shares (the “Fixed Multiple Shares”), and each outstanding SVS was exchanged for 0.7 of a Fixed Share and 0.3 of a Floating Share, each outstanding PVS was exchanged for 28 Fixed Shares and 12 Floating Shares; and each outstanding MVS was exchanged for 0.7 of a Fixed Multiple Share and 0.3 of a Floating Share. Refer to Note 13 for further discussion.

ACREAGE HOLDINGS, INC.
NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(in thousands, except per share data)

Pursuant to the implementation of the Amended Agreement, on September 23, 2020, a subsidiary of Canopy Growth advanced gross proceeds of \$50,000 to Universal Hemp, LLC, an affiliate of the Company. The debenture bears interest at a rate of 6.1% per annum. Refer to Note 10 for further discussion.

COVID-19

In December 2019, a novel strain of coronavirus (“COVID-19”) emerged in Wuhan, China. Since then, it has spread to other countries and infections have been reported around the world. On March 11, 2020, the World Health Organization declared the outbreak of COVID-19 a global pandemic.

In response to the outbreak, governmental authorities in the United States, Canada and internationally have introduced various recommendations and measures to try to limit the pandemic, including travel restrictions, border closures, non-essential business closures, quarantines, self-isolations, shelters-in-place and social distancing. The COVID-19 outbreak and the response of governmental authorities to try to limit it are having a significant impact on the private sector and individuals, including unprecedented business, employment and economic disruptions. Management has been closely monitoring the impact of COVID-19, with a focus on the health and safety of the Company’s employees, business continuity and supporting the communities where the Company operates. The company has implemented various measures to reduce the spread of the virus, including implementing social distancing measures at its cultivation facilities, manufacturing facilities, and dispensaries, enhancing cleaning protocols at such facilities and dispensaries and encouraging employees to adhere to preventative measures recommended by local, state, and federal health officials.

Despite some impact to our day-to-day operations at select locations from time-to-time, COVID-19 has had a minimal impact overall on the Company’s performance.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation and going concern

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles (“GAAP”) for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. In the opinion of management, all adjustments consisting only of normal recurring adjustments necessary for a fair presentation have been reflected in these unaudited condensed consolidated financial statements. Operating results for the interim periods presented are not necessarily indicative of the results that may be expected for the fiscal year ending December 31, 2022, or any other period.

As reflected in the unaudited condensed consolidated financial statements, the Company had an accumulated deficit as of March 31, 2022, as well as a net loss and negative cash flow from operating activities for the three months ended March 31, 2022. These factors raise substantial doubt about the Company’s ability to continue as a going concern for at least one year from the issuance of these financial statements.

However, management believes that substantial doubt about the Company’s ability to meet its obligations for the next twelve months from the date these financial statements were issued has been alleviated due to, but not limited to, (i) access to future capital commitments, (ii) continued sales growth from the Company’s consolidated operations, (iii) latitude as to the timing and amount of certain operating expenses as well as capital expenditures, (iv) restructuring plans that have already been put in place to improve the Company’s profitability, (v) the AFC-VRT credit facilities (refer to Note 10 for further discussion), and (vi) the anticipated Non-Core Divestitures (refer to Note 3 for further discussion), as well as access to the U.S. public equity markets.

If the Company is unable to raise additional capital whenever necessary, it may be forced to decelerate or curtail its footprint build-out or other operational activities until such time as additional capital becomes available. Such limitation of the Company’s activities would allow it to slow its rate of spending and extend its use of cash until additional capital is raised. However, management cannot provide any assurances that the Company will be successful in accomplishing any of its plans. Management also cannot provide any assurance as to unforeseen circumstances that could occur at any time within the next twelve months or thereafter which could increase the Company’s need to raise additional capital on an immediate basis.

These interim unaudited condensed consolidated financial statements and notes thereto should be read in conjunction with the audited consolidated financial statements and notes thereto included in the Company’s Annual Report on Form 10-K for the

ACREAGE HOLDINGS, INC.

(in thousands, except per share data)

year ended December 31, 2021, dated March 11, 2022, as filed with the Securities and Exchange Commission (the “2021 Form 10-K”).

Use of estimates

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”). Preparation of financial statements in conformity with GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities as of the dates presented and the reported amounts of revenues and expenses during the periods presented. Actual results could differ from those estimates. Significant estimates inherent in the preparation of the accompanying unaudited condensed consolidated financial statements include the fair value of assets acquired and liabilities assumed in business combinations, assumptions relating to equity-based compensation expense, estimated useful lives for property, plant and equipment and intangible assets, the valuation allowance against deferred tax assets and the assessment of potential charges on goodwill, intangible assets and investments in equity and notes receivable.

Emerging growth company

The Company is an “emerging growth company” as defined in the Jumpstart Our Business Startups Act (the “JOBS Act”). Under the JOBS Act, emerging growth companies can delay adopting new or revised accounting standards until such time as those standards apply to private companies.

Functional and presentation currency

The unaudited condensed consolidated financial statements and the accompanying notes are expressed in U.S. dollars. Financial metrics are presented in thousands. Other metrics, such as shares outstanding, are presented in thousands unless otherwise noted.

Basis of consolidation

The Company’s unaudited condensed consolidated financial statements include the accounts of Acreage, its subsidiaries and variable interest entities (“VIEs”) where the Company is considered the primary beneficiary, if any, after elimination of intercompany accounts and transactions. Investments in business entities in which Acreage lacks control but is able to exercise significant influence over operating and financial policies are accounted for using the equity method. The Company’s proportionate share of net income or loss of the entity is recorded in *Income (loss) from investments, net* in the Unaudited Condensed Consolidated Statements of Operations.

VIEs

In determining whether the Company is the primary beneficiary of a VIE, the Company assesses whether it has the power to direct matters that most significantly impact the activities of the VIE and have the obligation to absorb losses or the right to receive benefits from the VIE that could potentially be significant to the VIE. There were no material consolidated VIEs as of March 31, 2022 or December 31, 2021.

Non-controlling interests (“NCI”)

Non-controlling interests represent ownership interests in consolidated subsidiaries by parties that are not shareholders of Pubco. They are shown as a component of *Total equity* in the Unaudited Condensed Consolidated Statements of Financial Position, and the share of loss attributable to non-controlling interests is shown as a component of *Net loss* in the Unaudited Condensed Consolidated Statements of Operations. Changes in the parent company’s ownership that do not result in a loss of control are accounted for as equity transactions.

Restricted cash

Restricted cash represents funds contractually held for specific purposes and, as such, not available for general corporate purposes.

Accounts receivable valuations and reclassifications

Accounts receivable are stated at their net realizable value. The allowance against gross trade receivables reflects the best estimate of probable losses inherent in the receivables portfolio determined on the basis of historical experience, specific allowances for known troubled accounts and other currently available information. As of March 31, 2022 and December 31, 2021, the Company's allowance for doubtful accounts was \$350 and \$445, respectively.

Net loss per share

Net loss per share represents the net loss attributable to shareholders divided by the weighted average number of shares outstanding during the period on an as converted basis. Basic and diluted loss per share are the same as of March 31, 2022, 2021 and 2020, as the issuance of shares upon conversion, exercise or vesting of outstanding units would be anti-dilutive in each period. There were 39,522 and 44,466 anti-dilutive shares outstanding as of March 31, 2022 and 2021, respectively.

Accounting Pronouncements Recently Adopted

As of January 1, 2022, the Company adopted ASU 2019-12 - *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes (ASU 2019-12)*. ASU 2019-12 attempts to simplify aspects of accounting for franchise taxes and enacted changes in tax laws or rates and clarifies the accounting for transactions that result in a step-up in the tax basis of goodwill. The adoption of ASU 2019-12 did not have a material effect on the Company's unaudited condensed consolidated financial statements.

As of January 1, 2022, the Company adopted ASU 2020-01 - *Investments-Equity Securities (Topic 321), Investments-Equity Method and Joint Ventures (Topic 323), and Derivatives and Hedging (Topic 815)*. The new standard clarifies the interaction of accounting for the transition into and out of the equity method. The new standard also clarifies the accounting for measuring certain purchased options and forward contracts to acquire investments. The adoption of ASU 2020-01 did not have a material effect on the Company's unaudited condensed consolidated financial statements.

As of January 1, 2022, the Company adopted ASU 2021-04 - *Earnings Per Share (Topic 260), Debt - Modifications and Extinguishments (Topic 470-50), Compensation - Stock Compensation (Topic 718), and Derivatives and Hedging - Contracts in Entity's Own Equity (Subtopic 815-40)*, which clarifies existing guidance for freestanding written call options which are equity classified and remain so after they are modified or exchanged in order to reduce diversity in practice. The standard applies prospectively to modifications or exchanges that occur after it is adopted. The adoption of ASU 2021-04 did not have a material effect on the Company's unaudited condensed consolidated financial statements.

Accounting Pronouncements Not Yet Adopted

In June 2016, the FASB issued ASU 2016-13 - *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments ("ASU 2016-13")*, which was subsequently revised by ASU 2018-19 and ASU 2020-02. The ASU introduces a new model for assessing impairment on most financial assets. Entities will be required to use a forward-looking expected loss model, which will replace the current incurred loss model, which will result in earlier recognition of allowance for losses. The ASU will be effective for the Company's first interim period of fiscal 2023. The Company continues to evaluate the impact of this ASU on its unaudited condensed consolidated financial statements.

In October 2021, the FASB issued ASU 2021-08 - *Business Combinations (Topic 805), Accounting for Contract Assets and Contract Liabilities from Contracts with Customers*. The new standard improves the accounting for acquired revenue contracts with customers in a business combination by addressing diversity in practice and inconsistency. The new standard requires an entity to recognize and measure contract assets and contract liabilities acquired in a business combination in accordance with ASC 606 - *Revenue from Contracts with Customers*. The ASU will be effective for the Company's first interim period of fiscal 2024. The standard should be applied prospectively to business combinations occurring on or after the effective date of the amendments. The Company does not anticipate a material impact on the Company's unaudited condensed consolidated financial statements upon adoption.

CWG

On April 30, 2021, a subsidiary of the Company acquired 100% of CWG Botanicals, Inc. (“CWG”), an adult-use cannabis cultivation and processing operations in the state of California. The completion of this acquisition expanded the Company’s footprint in California.

The consideration paid for CWG consisted of the settlement of a pre-existing relationship, which included a line of credit of \$9,321 and the related interest receivable of \$1,559, which were both previously recorded in *Notes receivable, non-current* on the Statements of Financial Position.

The purchase price allocation is based upon final valuations within the measurement period (generally one year from the acquisition date).

Greenleaf

On October 1, 2021, a subsidiary of the Company acquired 100% of Greenleaf Apothecaries (“GLA”), Greenleaf Gardens (“GLG”), and Greenleaf Therapeutics (“GLT”), collectively known as “Greenleaf.” Greenleaf consists of cannabis cultivation, processing, and dispensary operations in the state of Ohio. The completion of this acquisition established Acreage’s footprint in the Ohio cannabis market.

ACREAGE HOLDINGS, INC.

NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (in thousands, except per share data)

On July 2, 2018, the Company entered into purchase agreements for Greenleaf for the total purchase price of approximately \$8,245 in cash, \$6,096 in seller notes payable and 1.2 million shares of HSCP with an average fair value of \$7.73 per share, which are convertible into shares of the Company. In addition, the Company extended a \$31,200 line of credit and issued \$12,500 in promissory notes to the Greenleaf entities. The consideration paid was made in exchange for: (a) the rights to acquire the Greenleaf entities upon state regulatory approval and; (b) master services agreements (“MSAs”) to operate the entities until such approval was granted and ownership interests were transferred. The purchase consideration paid represents the fair value of the intangible asset related to the MSA that was recorded on the Company’s Statement of Financial Position at the time of the transaction. The intangible asset was amortized over the life of the MSAs.

Upon closing, the Company repaid the remaining \$3,300 worth of sellers notes payable and accrued interest and assumed \$42,043 in notes and interest receivable owed to the Company by Greenleaf that was eliminated upon consolidation. Total consideration for the asset transfer transaction was \$44,996, representing the sum of the \$2,953 carrying value of intangible assets from the 2018 transaction and the liabilities assumed. As the Company owns 100% of Greenleaf, the subsidiary is accounted for on a consolidated basis as of the closing date.

The purchase price allocation is based upon preliminary valuations and estimates and assumptions which are subject to change within the measurement period, generally one year from the acquisition date. The primary areas of the purchase price allocation that are not yet finalized relate to the valuation of the tangible and intangible assets acquired and the residual goodwill resulting from the transaction.

NCCRE

On March 19, 2021, a subsidiary of the Company, HSC Solutions, LLC (“HSC Solutions”) entered into an assignment of membership agreement to acquire the remaining non-controlling interests of its subsidiary, NCC Real Estate, LLC (“NCCRE”), based primarily on the fair value of property held by NCCRE estimated in the amount of \$850. The consideration paid to the non-controlling interest sellers of \$286 was recorded in *Additional paid-in capital* and *Non-controlling interests* on the Statements of Financial Position. Additionally, the Company subsequently repaid the outstanding principal balance of the NCCRE secured loan.

Divestitures

During the three months ended March 31, 2022 and 2021, the Company did not complete any divestitures.

Assets Held for Sale

The Company determined certain businesses and assets met the held-for-sale criteria. Upon classification of the disposal groups as held for sale, the Company tested each disposal group for impairment and recognized charges (recovery) of \$874 for the three months ended March 31, 2022 related to the Oregon disposal group and \$(8,616) for the three months ended March 31, 2021 related to the Acreage Florida disposal group within *Write down (recovery) of assets held-for-sale* on the Unaudited Condensed Consolidated Statements of Operations. Additionally, all assets and liabilities determined within these disposal groups were transferred into *Assets held-for-sale* and *Liabilities related to assets held for sale* on the Unaudited Condensed Consolidated Statements of Financial Position as of March 31, 2022 and December 31, 2021. Furthermore, the Company was unsuccessful in finding a satisfactory buyer for all of its Michigan locations. As a result, the assets remaining in Michigan no longer meet the criteria for being classified as held-for sale and have been impaired (refer to Note 7 for further discussion).

The tables below present the preliminary fair values of the assets and liabilities classified as held for sale on the Unaudited Condensed Consolidated Statements of Financial Position for the years ended March 31, 2022 and December 31, 2021, respectively, and are subject to change based on developments during the sales process.

The average useful life of finite-lived intangible assets ranges from 0.8 to 2.0 years, with 0.8 and 2.0 years being the average useful life for customer relationships and management contracts, respectively.

Impairment of intangible assets

The Company assessed whether any events or changes in circumstances ("triggering events") indicated finite-lived intangible assets to be held-and-used would not be recovered. During the three months ended March 31, 2022, the Company did not identify any triggering events. During the three months ended March 31, 2021, the Company identified a triggering event for its management contract owned by Prime Alternative Treatment Center Consulting, LLC ("PATCC"). The Company evaluated the recoverability of the asset by comparing the carrying value of the asset to the future net undiscounted cash flows expected to be generated by the asset. The carrying value was determined to not be recoverable and the Company proceeded to test the asset for impairment. The Company recognized an impairment charge of \$818 due to changes in expected cash flows pursuant to a revised consulting services agreement. These charges are recognized in *Impairments, net* on the Unaudited Condensed Consolidated Statements of Operations.

The impairment resulted in the recognition of a tax provision benefit and an associated reversal of deferred tax liabilities of \$205 during the three months ended March 31, 2021.

Amortization expense recorded during the three months ended March 31, 2022 and 2021 was \$696 and \$541, respectively.

On September 23, 2020, pursuant to the implementation of the Amended Arrangement (Refer to Note 13 for further discussion), a subsidiary of Canopy Growth advanced gross proceeds of \$50,000 (less transaction costs of approximately \$4,025) to Universal Hemp, an affiliate of the Company, pursuant to the terms of a secured debenture ("6.1% Loan"). In accordance with the terms of the debenture, the funds cannot be used, directly or indirectly, in connection with or for any cannabis or cannabis-related operations in the United States, unless and until such operations comply with all applicable laws of the United States. An additional \$50,000 may be advanced pursuant to the debenture subject to the satisfaction of certain conditions by Universal Hemp. Prior Plan of Arrangement with Canopy Growth

On June 19, 2019, the shareholders of the Company and of Canopy Growth separately approved the proposed plan of arrangement (the “Prior Plan of Arrangement”) involving the two companies, and on June 21, 2019, the Supreme Court of British Columbia granted a final order approving the Prior Plan of Arrangement. Effective June 27, 2019, the articles of the Company were amended pursuant to the Prior Plan of Arrangement to provide that, upon the occurrence (or waiver by Canopy Growth) of the Triggering Event, and subject to the satisfaction of the conditions set out in the arrangement agreement entered into between Acreage and Canopy Growth on April 18, 2019, as amended on May 15, 2019 (the “Original Arrangement Agreement”), Canopy Growth will acquire (the “Acquisition”) all of the issued and outstanding shares in the capital of the Company (each, an “Acreage Share”).

Second Amendment to the Arrangement Agreement with Canopy Growth

On September 23, 2020, Acreage and Canopy Growth entered into an amending agreement (the “Amending Agreement” or “Amended Arrangement”) (and together with the Original Arrangement Agreement and any further amendments thereto, the “Amended Plan of Arrangement”) and the Amended Arrangement became effective at 12:01 a.m. (Vancouver time) (the “Amendment Time”) on September 23, 2020 (the “Amendment Date”). Pursuant to the Amended Plan of Arrangement, Canopy Growth made a cash payment of \$37,500 which was delivered to Acreage’s shareholders and certain holders of securities convertible or exchangeable into shares of Acreage. Acreage also completed a capital reorganization (the “Capital Reorganization”) effective as of the Amendment Time whereby: (i) each existing SVS was exchanged for 0.7 of a Fixed Share and 0.3 of a Floating Share; (ii) each issued and outstanding PVS was exchanged for 28 Fixed Shares and 12 Floating Shares; and (iii) each issued and outstanding MVS was exchanged for 0.7 of a Fixed Multiple Share and 0.3 of a Floating Share.

At the Amendment Time, each option, restricted share unit, compensation option, and warrant to acquire existing SVS (each a “Security”) that was outstanding immediately prior to the Amendment Time was exchanged for a replacement Security to acquire Fixed Shares (a “Fixed Share Replacement Security”) or Floating Shares (a “Floating Share Replacement Security”) to account for the Capital Reorganization.

NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (in thousands, except per share data)

Pursuant to the Amended Plan of Arrangement, upon the occurrence or waiver (at the discretion of Canopy Growth) of the Triggering Event (the “Triggering Event Date”), Canopy Growth will, subject to the satisfaction or waiver of certain closing conditions set out in the Amended Plan of Arrangement: (i) acquire all of the issued and outstanding Fixed Shares (following the mandatory conversion of the Fixed Multiple Shares into Fixed Shares) on the basis of 0.3048 of a common share of Canopy Growth (each whole common share, a “Canopy Growth Share”) for each Fixed Share held (the “Fixed Exchange Ratio”) at the time of the acquisition of the Fixed Shares (the “Acquisition Time”), subject to adjustment in accordance with the terms of the Amended Plan of Arrangement (the “Canopy Call Option”); and (ii) have the right (but not the obligation), exercisable for a period of 30 days following the Triggering Event Date to acquire all of the issued and outstanding Floating Shares (the “Floating Call Option”) at a price to be determined based upon the 30 day volume-weighted average trading price of the Floating Shares, subject to a minimum price of \$6.41, as may be adjusted in accordance with the terms of the Amended Plan of Arrangement, to be payable, at the option of Canopy Growth, in cash, Canopy Growth Shares, or a combination thereof. If any portion is paid in Canopy Growth Shares, the number of Canopy Growth Shares to be exchanged for each Floating Share shall be determined on the basis of a 30 day volume-weighted average calculation using the Floating Shares (the “Floating Ratio”). The closing of the acquisition of the Floating Shares pursuant to the Floating Call Option, if exercised, will take place concurrently with the closing of the acquisition of the Fixed Shares pursuant to the Canopy Call Option, if exercised. The Canopy Call Option and the Floating Call Option will expire 10 years from the Amendment Date.

At the Acquisition Time each Fixed Share Replacement Security will be exchanged for a replacement Security from Canopy Growth equal to: (i) the number of Fixed Shares that were issuable upon exercise of such Fixed Share Replacement Security immediately prior to the Acquisition Time, multiplied by (ii) the Fixed Exchange Ratio in effect immediately prior to the Acquisition Time (if the foregoing would result in the issuance of a fraction of a Canopy Growth Share, then the number of Shares to be issued would be rounded down to the nearest whole number).

In the event that the Floating Call Option is exercised and Canopy Growth acquires the Floating Shares at the Acquisition Time, each Floating Share Replacement Security will be exchanged for a replacement Security from Canopy Growth equal to: (i) the number of Floating Shares that were issuable upon exercise of such Floating Share Replacement Security immediately prior to the Acquisition Time, multiplied by (ii) the Floating Ratio (if the foregoing would result in the issuance of a fraction of a Canopy Growth Share, then the number of Shares to be issued would be rounded down to the nearest whole number). In the event that the Floating Call Option is exercised and Canopy Growth acquires the Floating Shares at the Acquisition Time, Acreage will be a wholly-owned subsidiary of Canopy Growth.

The Amended Plan of Arrangement provides for, among other things, Amendments to the definition of Purchaser Approved Share Threshold (as defined therein) to change the number of Acreage shares available to be issued by Acreage without an adjustment in the Fixed Exchange Ratio such that Acreage may issue a maximum of 32,700 shares. Furthermore, Acreage generally may not issue any equity securities without Canopy Growth’s prior consent. Additionally, the Amended Plan of Arrangement allows for various Canopy Growth rights that extend beyond the Acquisition Date, including, among others, (i) rights to nominate a majority of Acreage’s Board of Directors following the Acquisition Time; (ii) restrictive covenants in respect of the business conduct in favor of Canopy Growth; (iii) termination of non-competition and exclusivity rights granted to Acreage by Canopy Growth in the event that Acreage does not meet certain specified financial targets; (iv) implementation of further restrictions on Acreage’s ability to operate its business in the event that Acreage does not meet certain specified financial targets; and (v) termination of the Amended Plan of Arrangement in the event that Acreage does not meet certain specified financial targets in the trailing 12 month period. Further, the Amended Plan of Arrangement imposes restrictions on Acreage entering into any contracts in respect of Company Debt if: (i) such contract would be materially inconsistent with market standards for companies operating in the United States cannabis industry; (ii) such contract prohibits a prepayment of the principal amount of such Company Debt; and (iii) such contract would provide for interest payments to be paid through the issuance of securities as opposed to cash, among other restrictions. The Amended Plan of Arrangement also provides for the following: (i) certain financial reporting obligations to Canopy; (ii) certain specified criteria related to any new directors or officers of Acreage, (iii) a limit to Acreage’s operations to the Identified States (as defined therein).

Debenture

In connection with the implementation of the Amended Arrangement, pursuant to a secured debenture dated September 23, 2020 (the “Debenture”) issued by Universal Hemp, LLC, an affiliate of Acreage that operates solely in the hemp industry in full compliance with all applicable laws (the “Borrower”), to 11065220 Canada Inc., an affiliate of Canopy Growth (the “Lender”), the Lender agreed to provide a loan of up to \$100,000 (the “Loan”), \$50,000 of which was advanced on the Amendment Date (the “Initial Advance”), and \$50,000 of the Loan will be advanced in the event that the following conditions, among others, are satisfied: (a) the Borrower’s EBITDA (as defined in the Debenture) for any 90 day period is greater than or equal to 2.0 times the interest costs associated with the Initial Advance; and (b) the Borrower’s business plan for the 12 months following the applicable 90 day period supports an Interest Coverage Ratio (as defined in the Debenture) of at least 2.00:1.

The principal amount of the Loan will bear interest from the date of advance, compounded annually, and be payable on each anniversary of the date of the Debenture in cash in U.S. dollars at a rate of 6.1% per annum. The Loan will mature 10 years from the date of the Initial Advance.

The Loan must be used exclusively for U.S. hemp-related operations and on the express condition that such amount will not be used, directly or indirectly, in connection with or for the operation or benefit of any of the Borrower's affiliates other than subsidiaries of the Borrower exclusively engaged in U.S. hemp-related operations and not directly or indirectly, towards the operation or funding of any activities that are not permissible under applicable law. The Loan proceeds must be segregated in a distinct bank account and detailed records of debits to such distinct bank account will be maintained by the Borrower.

No payment due and payable to the Lender by the Borrower pursuant to the Debenture may be made using funds directly or indirectly derived from any cannabis or cannabis-related operations in the United States, unless and until the Triggering Event Date.

The Debenture includes usual and typical events of default for a financing of this nature, including, without limitation, if: (i) Acreage is in breach or default of any representation or warranty in any material respect pursuant to the Arrangement Agreement; (ii) the Non-Core Divestitures are not completed within 18 months from the Amendment Date; and (iii) Acreage fails to perform or comply with any covenant or obligation in the Arrangement Agreement which is not remedied within 30 days after written notice is given to the Borrower by the Lender. The Debenture also includes customary representations and warranties, positive covenants and negative covenants of the Borrower.

Surety bonds

Through March 31, 2022, the Company has paid \$3,000 of the promissory note.

Contingencies

The Company's operations are subject to a variety of local and state regulations. Failure to comply with one or more of those regulations could result in fines, restrictions on its operations, or losses of permits that could result in the Company's applicable subsidiaries ceasing operations. While management of the Company believes that the Company's subsidiaries are in compliance with applicable local and state regulations as of March 31, 2022, cannabis regulations continue to evolve and are subject to differing interpretations. As a result, the Company's subsidiaries may be subject to regulatory fines, penalties, or restrictions in the future.

The Company and its subsidiaries may be, from time to time, subject to various administrative, regulatory and other legal proceedings arising in the ordinary course of business. Contingent liabilities associated with legal proceedings are recorded when a liability is probable, and the contingent liability can be reasonably estimated.

role in NYCANNA by its former partner, New Amsterdam Distributors, LLC, which attempted to directly or indirectly sell or transfer EPMMNY's alleged interest in NYCANNA to other entities in 2016 and 2017, including Impire, NYMRC and High Street.

EPMMNY alleges that it is entitled to the value of its alleged minority interest in NYCANNA or minority ownership in NYCANNA. High Street is also entitled to full indemnity from the claims asserted against it by EPMMNY pursuant to the purchase agreement pertaining to its acquisition of NYCANNA and personal guarantee by the largest shareholders of the seller. High Street, along with the other defendants filed a motion to dismiss on April 1, 2019. The motion was fully briefed and submitted to the Court as of July 18, 2019, and oral argument was heard on September 6, 2019. The motion remains pending before the Court.
