

## TRULIEVE COMPLETES MERGER AND LISTING ON THE CSE

**TORONTO, ONTARIO, September 21, 2018** – Trulieve Cannabis Corp., formerly Schyan Exploration Inc. (the “**Company**” or “**Trulieve**”), is pleased to announce that the Company has completed the merger of Trulieve, Inc. (“**Trulieve US**”) and a wholly owned subsidiary of the Company (“**Subco**”) announced September 11, 2018, whereby the Company acquired all of the outstanding securities of Trulieve US by way of a plan of merger pursuant to the laws of the State of Florida (the “**Transaction**”). Pursuant to the Transaction, Subco merged with and into Trulieve US, Trulieve US became a wholly-owned subsidiary of the Company, and the Company changed its name to “Trulieve Cannabis Corp.” In addition and in connection with the Transaction, the outstanding 10,927,500 subscription receipts of Trulieve US, announced on August 29, 2018, were exchanged for 10,927,500 Subordinate Voting Shares of the Company (3,573,450 of which Subordinate Voting Shares were immediately converted into 35,734.50 Multiple Voting Shares), and the 548,446 broker warrants of Trulieve US were exchanged for 548,446 broker warrants to purchase Subordinate Voting Shares of the Company at an exercise price of \$6.00 until September 21, 2020.

Trulieve also announced today that the Subordinate Voting Shares of Trulieve will begin trading on the Canadian Securities Exchange (the “**CSE**”) under the symbol “**TRUL**” on September 25, 2018. A listing statement with information about Trulieve and prepared in accordance with the policies of the CSE will be available on SEDAR at [www.sedar.com](http://www.sedar.com).

Trulieve US is the first and largest fully-licensed medical cannabis company in the state of Florida and serves over 80,000 patients. It is completely vertically integrated with over 450,000 square feet of cultivation facilities with a further 95,000 square feet to be added in 2018. Trulieve US operates a “good manufacturing practice” certified processing facility that produces 90 different private label, medical grade cannabis products that are sold through 17 company-owned dispensaries.

“Trulieve US was built with a patients-first mentality by focusing on improving access to medical cannabis while producing the highest quality products in the industry,” said Kim Rivers, CEO of Trulieve. “Achieving this important milestone of a public listing enhances our ability to expand and serve more patients while allowing investors to participate in our growth.”

**Forward-Looking Information:**

This news release contains “forward-looking information” within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein are forward-looking information. Generally, forward-looking information may be identified by the use of forward-looking terminology such as “plans”, “ expects” or “does not expect”, “proposed”, “is expected”, “budgets”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases, or by the use of words or phrases which state that certain actions, events or results may, could, would, or might occur or be achieved. In particular, this news release contains forward-looking information regarding: Trulieve’s business, the increase or decrease of the investment by certain persons in Trulieve, and the conversion of Super Voting Shares and Multiple Voting Shares to Subordinate Voting Shares. There can be no assurance that such forward-looking information will prove to be accurate, and actual results and future events could differ materially from those anticipated in such forward-looking information. This forward-looking information reflects Trulieve’s current beliefs and is based on information currently available to Trulieve and on assumptions Trulieve believes are reasonable. These assumptions include, but are not limited to: market acceptance and approvals. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Trulieve to be materially different from those expressed or implied by such forward-looking information. Such risks and other factors may include, but are not limited to: general business, economic, competitive, political and social uncertainties; general capital market conditions and market prices for securities; delay or failure to receive board or regulatory approvals; the actual results of future operations; competition; changes in legislation, including environmental legislation, affecting Trulieve; the timing and availability of external financing on acceptable terms; and lack of qualified, skilled labour or loss of key individuals. A description of additional assumptions used to develop such forward-looking information and a description of additional risk factors that may cause actual results to differ materially from forward-looking information can be found in Trulieve’s disclosure documents on the SEDAR website at [www.sedar.com](http://www.sedar.com). Although Trulieve has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. Readers are cautioned that the foregoing list of factors is not exhaustive. Readers are further cautioned not to place undue reliance on forward-looking information as there can be no assurance that the plans, intentions or expectations upon which they are placed will occur. Forward-looking information contained in this news release is expressly qualified by this cautionary statement. The forward-looking information contained in this news release represents the expectations of Trulieve as of the date of this news release and, accordingly, is subject to change after such date. However, Trulieve expressly disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities law.
