

Trulieve Launches 21st Location in Florida

With 140,000 medical cannabis patients, Trulieve is keeping up with high demand

WEST PALM BEACH, FL, Oct. 31, 2018 /CNW/ - Trulieve, Florida's premier medical cannabis provider and market share leader, is opening the doors on its second Palm Beach location this week. This comes just a few short weeks after its official listing on the Canadian Securities Exchange (TRUL) and marks its fifth dispensary storefront in South Florida.

"With every dispensary, our main focus is creating an environment that is comfortable, safe, and reliable, and we're proud to continue cultivating those spaces in South Florida," says Kim Rivers, Trulieve CEO. "With thousands of patients being added to the registry each week, bringing them safe and effective care will continue to be our focus. We want to ensure that those who need it the most, including those who have been unable to make it to a physical location before, are taken care of."

Currently, Trulieve operates 20 other dispensaries throughout the state of Florida. As part of the company's mission to ensure safe, reliable access for patients statewide, Trulieve plans to open the doors of its 30th location by February 2019, which is the maximum presently allowed by state law.

In stores and online, patients will find Florida's largest selection of THC and CBD products, all available in a variety of delivery methods, including vaporizers, ground flower for vaporizing, tinctures, topical creams, concentrates, and more. Trulieve also offers home delivery statewide for patients unable to make it to a physical store, in addition to 20 other dispensaries in locations across the state from Pensacola to Miami.

Recently, the Office of Medical Marijuana Use announced the registry had surpassed 140,000 registered medical marijuana patients with an active ID card, with Trulieve consistently selling more than 2/3rds of the state's overall volume. There are currently more than 1,800 registered ordering physicians in the state of Florida as well.

To celebrate their newest store, Trulieve will be holding a press conference with Victoria Walker, Director of Community Relations, on Tuesday, October 30th at 10:00 AM, with doors opening and press tours of the new dispensary immediately following.
