

# Trulieve Opens New Dispensary in Clearwater, Florida

CLEARWATER, FL, March 11, 2019 /CNW/ - Trulieve Cannabis (OTC: TCNNF & CNSX: TRUL) ("Trulieve"), a leading and top performing cannabis company in the United States, is opening the doors of its newest location on Monday: a new dispensary at Clearwater, Florida.

"Trulieve is and always has been focused on the patients it serves and is consistently working to provide a great experience when they visit our dispensaries. This new, updated Clearwater location is larger, provides easier access to patients, and delivers an even more pleasant and comfortable experience to our patients. We will continue to provide patients with the same high-quality products and natural relief to which they are accustomed," said Kim Rivers, Trulieve CEO. "We are confident that patients will enjoy the improved experience."

Presently, Trulieve operates 23 other dispensaries throughout the state of Florida, including several locations in the Tampa Bay region. As part of the company's mission to ensure safe, reliable access for patients statewide, Trulieve plans to continue opening stores as the patient registry and demand grows.

In stores and online, patients will find Florida's largest selection of THC and CBD products, available in a variety of delivery methods, including concentrates, ground flower for vaporizing, tinctures, topical creams, vaporizers, and more. Trulieve also offers home delivery statewide for patients unable to make it to a physical store, in addition to its 24 dispensaries in locations across the state.

Recently, the Office of Medical Marijuana Use announced the registry had surpassed 190,000 registered medical marijuana patients with an active ID card, with Trulieve consistently selling between 60%-70% of the state's overall volume, per the Florida Department of Health. There are currently more than 2,000 registered ordering physicians in the state of Florida as well.
