MIAMI GARDENS, FL, March 14, 2019 /CNW/ - Trulieve Cannabis (OTC: TCNNF & CNSX: TRUL) ("Trulieve"), a leading and top performing cannabis company in the United States, is opening the doors of its 25th storefront in Florida on Thursday: a new dispensary in Miami Gardens.

"As the patient registry continues to grow and new rules are adopted, we remain dedicated to providing reliable access to the patients that are looking for natural, direct relief," says Trulieve CEO Kim Rivers. "Expanding access across the state, especially throughout South Florida, is crucial as it's home to a large portion of patients. Our goal to ensure that all patients have access to high-quality, effective products in a space where they can feel comfortable and safe will always be our top priority."

Presently, Trulieve operates 24 other dispensaries throughout the state of Florida, including six more locations in Miami and throughout the South Florida region. As part of the company's mission to ensure safe, reliable access for patients statewide, Trulieve will continue opening stores as the patient registry and demand grows.

Trulieve also offers home delivery statewide for patients unable to make it to a physical store, in addition to its 25 dispensaries in locations across the state.
