

Trulieve Opens 27th Florida Dispensary, Offering Relief to Patients in Southwest Florida

With nearly 210,000 patients on the registry and counting, Trulieve continues to match the state's brisk growth pace

BONITA SPRINGS, FL, April 16, 2019 /CNW/ - Trulieve Cannabis (OTC: TCNNF & CNSX: TRUL) ("Trulieve" or "the company"), a leading and top-performing cannabis company in the United States, is opening the doors of its 27th storefront in Florida on Tuesday with a new dispensary in Bonita Springs. The store will offer relief to patients throughout Collier County, including nearby Naples, Estero, Cape Coral, and more.

"Our Bonita Springs store is one we've looked forward to opening for a while; we have always been committed to moving as quickly as possible opening new locations to provide for the rapidly growing patient base," said Trulieve CEO Kim Rivers. "We're excited to open a store on the southwest coast of Florida and further patient access, especially for patients who may have struggled or been unable to visit a store before."

Presently, Trulieve operates 26 other dispensaries throughout the state of Florida, including several throughout the South Florida region. As part of the company's mission to ensure safe, reliable access for patients statewide, Trulieve will continue opening stores as the patient registry and demand grows.

In stores and online, patients will find Florida's largest selection of THC and CBD products, available in a variety of delivery methods, including full flower cannabis, concentrates, tinctures, topical creams, vaporizers, and more. Trulieve also offers home delivery statewide for patients unable to make it to a physical store, in addition to its 27 dispensaries in locations across the state.

The Office of Medical Marijuana Use recently announced the registry had surpassed 207,000 registered medical marijuana patients with an active ID card, with Trulieve consistently selling between 60%-70% of the state's overall volume, per the Florida Department of Health. There are currently more than 2,100 registered ordering physicians in the state of Florida as well.

To celebrate their newest store, Trulieve will be holding a press conference on Tuesday, April 16th at 10:00 AM, with doors opening and press tours of the new dispensary immediately following.
