

# Trulieve Opens New Orlando Dispensary, Expanding Brand Reach in Central Florida

*Orlando Millennia dispensary broadens access to Florida's widest-ranging medical cannabis inventory for patients*

ORLANDO, May 5, 2020 /CNW/ - Trulieve Cannabis Corp. (CSE: TRUL & OTCQX: TCNNF) ("Trulieve" or "the Company"), a leading and top-performing cannabis company based in the United States, is set to open the doors of a new Florida dispensary on Tuesday, May 5th. The new Central Florida location marks a record 47 locations in the state of Florida and 49 nationwide for Trulieve.

Located on Conroy Road, the dispensary joins Trulieve's 46 other dispensaries statewide, and marks the fourth Trulieve storefront in the area, joining Orlando North, Orlando South, and Orlando Colonial.

"During the uncertainty brought on by COVID-19 over the past couple months, we have remained committed to our patients and our mission: to expand and ensure safe, reliable patient access statewide. We've taken proactive steps throughout the organization to keep our employees and our patients safe and will continue to exercise proactive safety precautions as the state reopens," said [Trulieve CEO Kim Rivers](#). "We are fortunate to broaden our brand in such a supportive community and we're excited to open our Orlando Millennia store today. This will be one of our largest dispensaries, allowing us to continue to bring direct access to patients in the Orlando market, with online ordering, in-store pick-up options, and direct home delivery available to help patients statewide."

Rivers added, "We will continue to update and adapt our policies and procedures companywide as new COVID-19 information comes out to protect the health and wellbeing of patients and employees."

To commemorate the milestone location, all patients — from those new to Trulieve to our strong Truliever community — will be eligible for a 25% in-store discount at the Orlando Millennia location on the day of the opening.

For our new dispensary opening, Trulieve will continue to make our entire catalog of products available for ordering online, with in-store pickup, curbside pickup, or home delivery options available. Additionally, to assist with CDC guidelines for social distancing and company-enforced safety guidelines, several measures have been taken to ensure the health and well-being of employees and patients, including limiting visitors to the dispensary to patients only and modifying store layouts to assist with social distancing. A full list of initiatives enacted by Trulieve in response to COVID-19 are available online at [Trulieve.com](#).
