The new dispensary expands patient access to Florida's largest inventory of medical cannabis products

TALLAHASSEE, Fla., Feb. 26, 2021 /CNW/ - [Trulieve Cannabis Corp.](#) (CSE: TRUL) (OTCQX: TCNNF) ("Trulieve" or "the Company"), a leading and top-performing cannabis company based in the United States, announced today the opening of a brand-new Florida dispensary, the Company's 80th nationwide. The new location marks the Company's first in Tamarac and third in Broward County, expanding patient access to Florida's largest and broadest assortment of high-quality medical cannabis products.

The new Tamarac dispensary supports Trulieve's goal of ensuring direct, reliable access to medical cannabis across its home state of Florida. It marks a record 75 Florida dispensaries for Trulieve, joining nearby locations in Fort Lauderdale, Dania Beach, and several more throughout nearby Miami-Dade and Palm Beach counties.

"Access has always played a key role at Trulieve, from continually expanding and broadening our product catalog to bringing stores directly to where patients need them, we're really focused on ensuring patients across Florida are well taken care of," said [Trulieve CEO Kim Rivers](#). "There's so much to celebrate as we open our 75th Florida dispensary but we're especially excited to connect further with the community in Tamarac, especially those curious about exploring natural relief and medical cannabis. Our staff is well-trained, educated, and ready to serve patients; we encourage everyone to reach out to find out more."

In honor of the Company's brand-new dispensary, all patients — from those new to Trulieve to the dedicated Truliever community — will be eligible for a 25% in-store discount at the new Tamarac dispensary on opening day. In line with policies adopted statewide, all visitors are required to wear masks for the duration of their dispensary visit. Additionally, only patients and their state-approved caregivers will be allowed inside the waiting room and dispensary at this time.
