TALLAHASSEE, Fla. – July 8, 2022 –This press release corrects a prior version published on July 7, 2022 to update the timing for effectiveness of the registration statement. [Trulieve Cannabis Corp.](#) (CSE: [TRUL](#)) (OTCQX: [TCNNF](#)) (“Trulieve” or “the Company”), a leading and top-performing cannabis company in the U.S., announced that it filed a shelf registration statement on Form S-3 (the Registration Statement) with the United States Securities and Exchange Commission (“SEC”) on July 7, 2022 to register a base shelf prospectus and to register for resale select subordinate voting shares of the Company. The Registration Statement is expected to become effective upon its acceptance by the SEC.

The Company became eligible to file the S-3 registration statement following one year of reporting under the previously filed registration statement and associated amendments on Form S-1. The S-3 filing provides a shelf registration which may provide the Company with additional flexibility in its future financing opportunities. The resale prospectus covers the resale registration by Selling Shareholders of up to 72,288,199 subordinate voting shares. Selling Shareholders may offer, sell or distribute all or a portion of their Subordinate Voting Shares publicly or through private transactions at prevailing market prices or at negotiated prices. This press release does not constitute an offer to sell or the solicitation of an offer to buy securities.

The Company has filed a registration statement (including a prospectus) with the SEC for the registration of shares to which this communication relates.
