Dear Sirs/Mesdames:

We refer to the short form base shelf prospectus dated June 5, 2024 (the "Prospectus") of Trulieve Cannabis Corp. (the "Company"). We consent to being named and to the use, through incorporate by reference, in the Prospectus, of our report dated February 29, 2024 with respect to our audits of the consolidated financial statements of the Company as of December 31, 2023 and 2022 and for each of the three years in the period ended December 31, 2023 and our report dated February 29, 2024 with respect to our audit of internal control over financial reporting of the Company as of December 31, 2023.

We report that we have read the Prospectus and all information therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the financial statements upon which we have reported or that are within our knowledge as a results of our audit of such financial statements. We have complied with auditing standards generally accepted in the United States of America for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus.

We were dismissed as auditors on March 25, 2024 and, accordingly, we have not performed any audit or review procedures with respect to any financial statements appearing in such Prospectus for the periods after the date of our dismissal.

Our report on the effectiveness of internal control over financial reporting expressed an adverse opinion because of the existence of material weaknesses.
