

## Star Navigation Systems Part of CSE25 Index

TORONTO, Sept. 19, 2017 -- Star Navigation Systems Group Ltd. (CSE:SNA) (CSE:SNA.CN) ("Star" or the "Company"), is pleased to announce that Star will be a part of the CSE25, a new index just introduced by the Canadian Securities Exchange ("CSE" or the "Exchange"). This index is comprised of the securities of the largest companies by market capitalization trading on the Exchange.

The CSE25 Index is a subgroup of the CSE Composite Index. The composite index was launched in 2015 and includes almost half of the Exchange's listed companies and covers over 75% of the trading activity on the Exchange. The new index includes the top twenty-five securities by market capitalization contained in the composite index. These companies account for over 50% of the weighting in the larger index and are typically stocks that attract considerable trading volume.

Mr. Viraf S. Kapadia, Star's CEO said:

"Our listing on the CSE in April of this year has been a very positive move for our Company and we look forward to working with the Exchange as Star moves forward."

About Star Navigation:

Star Navigation Systems Group Ltd. owns the exclusive worldwide license to its proprietary, patented In-flight Safety Monitoring System, STAR-ISMS®, the heart of the STAR-A.D.S. ® System. Its real-time capability of tracking performance trends and predicting incident-occurrence enhances aviation safety and improves fleet management while reducing costs for the operator. Star's MMI Division designs and manufactures high performance, mission critical, flight deck flat panel displays for defence and commercial aviation industries worldwide.

*Certain statements contained in this News Release constitute forward-looking statements. When used in this document, the words "may", "would", "could", "will", "expected" and similar expressions, as they relate to Star or its management are intended to identify forward-looking statements. Such statements reflect Star's current views with respect to future events and are subject to certain risks, uncertainties and assumptions. Many factors could cause Star's actual performance or achievements to vary from those described herein. Should one or more of these factors or uncertainties materialize, or should assumptions underlying forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Star does not assume any obligation to update these forward-looking statements, except as required by law. Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of the content of this release.*
