

## **STAR-A.D.S. ® – Kingdom of Saudi Arabia**

TORONTO, Sept. 17, 2018 -- Star Navigation Systems Group Ltd. (CSE: SNA) (OTCQB: SNAVF) ("Star" or the "Company") is pleased to announce that the STAR-A.D.S. ® system has received its approval from the General Authority of Civil Aviation of the Kingdom of Saudi Arabia. This important step from a renowned regulation Authorities is the most recent validation granted to the Star Navigation system.

It builds on Star credibility and visibility while the company keeps on engaging with operators and stakeholders in this region of the world. In the short run, Star will now work on the implementation of its STAR-A.D.S. ® solution over the remaining part of the fleet of its current local customer.

### **About Star Navigation:**

Star Navigation Systems Group Ltd. owns the exclusive worldwide license to its proprietary, patented In-flight Safety Monitoring System, STAR-ISMS®, the heart of the STAR-A.D.S. ® system. Its real-time capability of tracking performance trends and predicting incident-occurrence enhances aviation safety and improves fleet management while reducing costs for the operator.

Stars' M.M.I. Division designs and manufactures high performance, mission critical, flight deck flat panel displays for defence and commercial aviation industries worldwide. These displays are found on aircraft and simulators, from P-3 Orion and C-130 aircraft, to Sikorsky and AgustaWestland helicopters, as examples.

*Certain statements contained in this News Release constitute forward-looking statements. When used in this document, the words "may", "would", "could", "will", "expected" and similar expressions, as they relate to Star or its management, are intended to identify forward-looking statements. Such statements reflect Star's current views with respect to future events and are subject to certain risks, uncertainties and assumptions. Many factors could cause Star's actual performance or achievements to vary from those described herein. Should one or more of these factors or uncertainties materialize, or should assumptions underlying forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Star does not assume any obligation to update these forward-looking statements, except as required by law.*

*Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of the content of this release.*
