

# Star Navigation Announces Participation in Singapore Air Show

Brampton, Ontario--(Newsfile Corp. - February 22, 2022) - Star Navigation Systems Group Ltd. (CSE: SNA) (CSE: SNA.CN) ("Star" or the "Company") is pleased to announce that it participated as an exhibitor at the Singapore Air Show ("SAS"). The show ran from February 15-18, 2022.

The Company hopes to leverage participation at the airshow to meet industry leaders from various companies in the Asia Pacific region and explore more business opportunities. It also offers the Company a chance to showcase Star product offerings and solutions.

The SAS had over 350 aerospace exhibitors from around the world showcasing their products. This environment helps Star create brand awareness and industry credibility while promoting Star partners.

Amir Bhatti, CEO of Star Navigation states that "The SAS is a good platform to introduce the Star-A.D.S.® system and highlight its ability to help airlines meet the GADSS mandated requirement for safety in January 2023.

## Forward Looking Information

Certain statements in this news release may constitute "forward-looking statements". Forward-looking statements are statements that address or discuss activities, events or developments that Star expects or anticipates may occur in the future. When used in this news release, words such as "estimates", "expects", "plans", "anticipates", "projects", "will", "believes", "intends" "should", "could", "may" and other similar terminology are intended to identify such forward-looking statements.

Forward-looking statements reflect the current expectations and beliefs of Star's management. Because forward-looking statements involve known and unknown risks, uncertainties and other factors, actual results, performance or achievements of Star or the industry may be materially different from those implied by such forward-looking statements. Examples of such forward-looking information that may be contained in this news release include statements regarding: growth and future prospects of our business; our perceptions of the industry and markets in which we operate and anticipated trends in such markets; expectations regarding the operation of our app; and our future revenues.

Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in the forward-looking statements may include, but are not limited to, our ability to execute on our business plan, increase visibility amongst consumers and convert users to revenue producing subscribers and the success of the business of our partners. Forward-looking statements involve significant uncertainties, should not be read as a guarantee of future performance or results, and will not necessarily be an accurate indication of whether or not such results will be achieved.

The risks posed by the COVID-19 pandemic are real and substantial but cannot be defined or measured in any meaningful way at this time.

Should one or more of these factors or uncertainties materialize, or should assumptions underlying forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected.

Accordingly, readers should exercise caution in relying upon forward-looking statements and Star undertakes no obligation to publicly revise them to reflect subsequent events or circumstances, except as required by law.
