NOTICE-AND-ACCESS

Notice is also hereby given that the Corporation has decided to use the notice-and-access method of delivery of meeting materials for the Meeting. The notice-and-access method of delivery of meeting materials allows the Company to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer. Under the notice-and-access system, shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Management Information Circular, the annual financial statements and other meeting materials (collectively the “**Meeting Materials**”), shareholders receive a notification (the “**Notice-and-Access Notification**”) with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting.

The specific details of the matters proposed to be brought before the Meeting, including the text of the resolutions in respect thereof, are set forth in the Meeting Materials. A supplemental mailing list return request and proxy form with a return envelope also accompany this notice.

SOLICITATION OF PROXIES

This management information circular (the “**Circular**”) is furnished in connection with the solicitation by the management of **STAR NAVIGATION SYSTEMS GROUP LTD.** (“**SNS**”, the “**Corporation**” or the “**Company**”) of proxies to be used at the Corporation's annual and special meeting of the Shareholders of the Corporation to be held in person on January 16, 2023 at 10:00 a.m. (Eastern time) or at any adjournment thereof (the “**Meeting**”). Unless otherwise stated, all information contained in this Circular is presented as at December 9, 2022. The purpose of the Meeting is as set out in the accompanying notice of meeting (the “**Notice of Meeting**”).

The solicitation of proxies by this Circular is being made by or on behalf of the management of the Corporation. It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by directors, officers and regular employees of the Corporation without special compensation. The cost of solicitation will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers or directors of the Corporation. A shareholder desiring to appoint some other person to attend and act on his or her behalf at the Meeting may do so by inserting the name of such person in the blank space provided in the form of proxy or by completing another proper form of proxy and, in either case, delivering the form not less than 48 hours, Saturdays, Sundays and holidays excepted, prior to the time of the Meeting to the office of Capital Transfer Agency Inc., 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2. A person appointed as a proxy need not be a shareholder of the Corporation.

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

A shareholder may revoke a proxy by depositing an instrument in writing, executed by him or his attorney authorized in writing, or, if the shareholder is a corporation, under its corporate seal or signed by a duly authorized officer or attorney for the corporation:

- (a) at the offices of the registrar and transfer agent of the Corporation, Capital Transfer Agency Inc., 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2, at any time, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment of the Meeting at which the proxy is to be used; or
- (b) at the registered office of the Corporation, 11 Kenview Blvd, Brampton, Ontario, L6T 5G5, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used; or
- (c) with the Chair of the Meeting on the day of the Meeting or an adjournment of the Meeting.

In addition, a proxy may be revoked by the shareholder executing another form of proxy bearing a later date and depositing same at the offices of the registrar and transfer agent of the Corporation within the time period set out under the heading “Voting of Proxies”, or by the shareholder personally attending the Meeting and voting his/her Shares.

ADVICE TO SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders of the Corporation, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

Voting in Person at the Meeting

A registered shareholder, or a non-objecting beneficial owner (“**NOBO**”) whose name has been provided to the Corporation’s registrar and transfer agent, Capital Transfer Agency Inc., will appear on a list of shareholders prepared by the registrar and transfer agent for purposes of the Meeting. To vote in person at the Meeting each registered shareholder or NOBO will be required to register for the Meeting by identifying themselves at the registration desk. Non-registered beneficial shareholders (other than NOBOs) must appoint themselves as a proxyholder to vote in person at the Meeting. Please also refer to “Non-Registered Holders” below.

Voting by Proxy at the Meeting

If a registered shareholder or NOBO cannot attend the virtual Meeting but wishes to vote on the resolutions, the registered shareholder or NOBO should sign, date and deliver the enclosed form of proxy to the Corporation’s registrar and transfer agent, Capital Transfer Agency Inc., 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2 so it is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. **The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A shareholder giving a proxy can strike out the names of the nominees printed in the accompanying form of proxy and insert the name of another nominee in the space provided, or the shareholder may complete another form of proxy. A proxy nominee need not be a shareholder of the Corporation.** A shareholder giving a proxy has the right to attend the Meeting or appoint someone else to attend as his or her proxy at the Meeting and the proxy submitted earlier can be revoked in the manner described under “Appointment and Revocation of Proxies”.

Non-registered Holders

In many cases, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or,
- (b) in the name of a depository (such as The Canadian Depository for Securities Limited or “**CDS**”). Non-Registered Holders do not appear on the list of shareholders of the Corporation maintained by the transfer agent.

In accordance with Canadian securities law, the Corporation has distributed copies of the Notice of Meeting, this Management Information Circular and the form of proxy (collectively, the “**meeting materials**”) to CDS and intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, intermediaries will use a service company to forward the meeting materials to Non-Registered Holders. Non-Registered Holders, other than NOBOs, will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

A. *Voting Instruction Form.* In most cases, a Non-Registered Holder will receive, as part of the meeting materials, a voting instruction form. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the holder's behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Holder's behalf), the Non-Registered Holder must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Holder.

Or,

B. *Form of Proxy.* Less frequently, a Non-Registered Holder will receive, as part of the meeting materials, a form of proxy that has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the holder's behalf), the Non-Registered Holder must complete the form of proxy and deposit it with the Corporation's registrar and transfer agent, Capital Transfer Agency Inc., 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2, as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the holder's behalf), the Non-Registered Holder must strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided.

Non-Objecting Beneficial Owners

These meeting materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you.

VOTING OF SHARES REPRESENTED BY MANAGEMENT PROXIES

The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed proxy on any ballot that may be called for in accordance with the instructions on the proxy. In the absence of such instructions, such Common Shares will be voted **IN FAVOUR** of each of the resolutions referred to in the proxy.

The form of proxy accompanying this Circular confers discretionary authority upon the persons named in the proxy with respect to amendments to or variations of matters identified in the Notice of Meeting and with respect to other matters, if any, which may properly come before the Meeting. At the date of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. **However, if any other matters, which are not known to management, should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxy.**

(VI) STOCK OPTION PLAN AMENDMENTS

Currently, the Corporation has in place a stock option plan dated as of January 18, 2006, as amended (the "Option Plan") for the purpose of attracting, retaining and incenting superior officers, directors and consultants, and to enhance shareholder value. The current plan, as approved by shareholders, provides that the number of Common Shares issuable pursuant to options granted under the Option Plan is limited to 50,000,000 and vesting provisions are required. (As at December 8, 2022, Nil remained available for grant.)

At the Meeting, the shareholders will be asked to increase the maximum number of Common Shares reserved under the Option Plan. In making the decision to recommend this amendment, the Board considered a number of factors, including the number of options currently outstanding under the Option Plan, the Corporation's existing and future human resource requirements and competitive benchmarks. The Board of Directors considers options as an effective incentive tool to attract and to retain directors, officers, employees and consultants, and allowing them to participate in the success of the Corporation. Accordingly, the Board of Directors determined that it was necessary to increase the maximum number of Common Shares reserved under the Option Plan so that the Corporation will be able to use this incentive tool.

Under the amendment, the number of Common Shares which may be reserved for issuance to all optionees under the Option Plan in aggregate shall not exceed 85,000,000.

The full text of the amended Option Plan will be available for review at the Meeting.

This amendment is subject to the approval of the CSE. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

This compensation discussion and analysis (“CD&A”) provides an overview of the Corporation’s executive compensation program together with a description of the material factors underlying the decisions which resulted in the compensation provided in 2022 to the Corporation’s Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”) and any other NEOs, as defined in National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”), as presented in the tables which follow this CD&A. To the extent this CD&A contains statements regarding future individual and Corporation performance targets and goals, these target and goals are disclosed in the limited context of the Corporation’s compensation programs and should not be understood to be statements of management’s expectations or estimates of financial results or other guidance. Management of the Corporation specifically cautions investors not to apply these statements to other contexts.

The Board has overall responsibility for determining and implementing the Corporation’s philosophy with respect to executive compensation. The Board makes all compensation decisions for the NEOs. Decisions regarding the compensation of other employees are made by the CEO. The Corporation does not use benchmarking or performance goals in determining executive compensation. The Corporation has not retained compensation consultants to advise on executive compensation. The Corporation does not anticipate making any significant changes to its compensation policies and practices in the next financial year.

Compensation Philosophy and Objectives

The Corporation’s compensation program is designed to attract, motivate, reward and retain the personnel required to achieve the Corporation’s business goals and objectives.

The Corporation’s compensation objectives are as follows:

1. Attract, retain and compensate talented executives in a highly competitive business environment;
2. Evaluate each executive officer position on the following factors and provide a base salary based on:
 - a. the individual’s demonstrated ability to perform the role;
 - b. skill requirements;
 - c. level of responsibility; and
 - d. market value of the role.
3. Compensate executives in a way that creates sustained shareholder value by linking long-term incentives to growth in shareholder value.

Risk Oversight

The Board considers the implications of the risks associated with the Corporation’s compensation policies and practices as part of its ongoing consideration of those policies and practices. Among other considerations, the Board:

- a. considers whether the Corporation’s compensation policies and practices are structurally different within various divisions of the Corporation;
- b. considers whether compensation policies and practices for certain executive officers are structured significantly differently from other executive officers within the Corporation;
- c. ensures that any performance metrics that may be set include effective risk management and regulatory compliance procedures;

- d. monitors areas where compensation policies and practices may result in compensation to executive officers being a significant percentage of the Corporation's revenue once revenue is achieved;
- e. ensures that compensation policies and practices do not vary significantly from the Corporation's overall compensation structure;
- f. ensures that incentive plan award periods based on specific tasks are matched to the risk period associated with that task;
- g. ensures that compensation policies and practices do not emphasize short term goals over long term goals and objectives; and
- h. ensures that incentive plan awards provide for a maximum benefit or payout limit.

Based on its consideration of the foregoing and other issues in the past year, the Board has not identified any risks in the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Equity Requirements

The Corporation currently does not require directors or executives to own a particular amount of Common Shares. The Board is satisfied that stock and option holdings among the directors and officers are sufficient at this time to provide motivation and to align this group's interests with those of Shareholders.

The Corporation does not have a policy that forbids directors or NEOs from purchasing financial instruments (including for greater certainty prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by an NEO or director.

Components of Executive Compensation

Executive compensation for NEOs consists of two (2) elements: base salary and long-term incentives (stock options). The relative proportion of each element of compensation is aligned with the executive's responsibility and ability to influence business results. The incentive opportunity is established by the Board.

The two elements of executive compensation are described in further detail below:

1. Base Salary – Base salary provides a fixed level of income based on an individual's demonstrated ability to perform the role, the market value for the role and also having regard to the incumbent's responsibilities, years of service, potential for advancement and performance.
2. Stock Option Plan – In order to give employees, officers and directors a long-term incentive, the Corporation has an employee stock option plan (the "**Option Plan**"). The Option Plan awards options to acquire common shares of the Corporation, and forms part of the Corporation's executive and employee compensation program. The Corporation awards options to certain consultants as well. Readers should be aware that gains realized from stock option exercises and stock sales in a given year may be the result of options granted over many years and may reflect several years' appreciation of the underlying shares.

Share-based and Option-Based Awards

All option-based awards to executives are made pursuant to the provisions of the Option Plan. The Board makes all decisions regarding awards to NEOs. Decisions regarding awards to other employees and consultants or amendments to the Option Plan are made by the CEO in consultation with the Board. In all cases, decisions regarding option-based awards take into account any previous grants of option-based awards to the individuals concerned that may have occurred. The Corporation does not have a share-based awards plan.

Compensation Governance

The Corporation has established a Compensation Committee to determine compensation for the Corporation's directors and executive officers. In fulfilling its responsibilities, the Compensation Committee is responsible for the following:

- Overseeing the Corporation's compensation and benefits policies;
- Establishing performance criteria, evaluating performance, and setting compensation for the Corporation's Chief Executive Officer;
- Reviewing the performance criteria, evaluation, and compensation recommendation for the Corporation's NEOs, excluding the Chief Executive Officer;
- Reviewing and identifying risks arising from the Corporation's compensation policies and, if considered necessary, recommending appropriate risk mitigation policies and practices to the Board;
- Making recommendations to the Board regarding the compensation to be provided to directors of the Corporation;
- Reviewing the Corporation's management succession plan; and
- Reviewing compensation related disclosure to be filed or submitted by the Corporation pursuant to applicable laws.

The Compensation Committee currently consists of Dr. Darrin Milne (Chair), Gurdip Panaich, Karl Reichert. The Committee members meet the requirements of "independence" set forth in NI 52-110.

A brief description of the education and experience of Dr. Milne, Mr. Panaich and Mr. Reichert may be found in the "Directors Profiles" section.

Neither the Corporation nor the Compensation Committee has retained any compensation consultant or advisor to advise the Corporation, the Board or the Compensation Committee at any time.
