Mr. Berardi,

The present letter is to inform you that we have decided to change our auditors firm. We are in the selection process and the new firm will contact you to proceed with the change and make it effective no later than April 30, 2015. We would have preferred to maintain the relationship but under the circumstances we feel it is the best decision for the company.

In that process, we will follow instructions and guidelines from our new auditors and legal advisors, in respect with the rules for this transition.

We appreciated your services and we trust your collaboration in this transition process.

Best regards,

Sébastien Plouffe, CEO  
Affinor Growers Inc.
