

## **AFFINOR PROVIDES RESEARCH AND DEVELOPMENT UPDATE**

VANCOUVER, British Columbia, December 23, 2024 (GLOBE NEWSWIRE) -- Affinor Growers Inc. (“**Affinor**” or the “**Company**”) (CSE: AFI; OTCQB: RSSFF) is pleased to announce that it has placed an order to manufacture 28 of the Company’s newly designed strawberry grow towers for use at the Company’s facility in Abbotsford. The new towers stand 14 feet high and can produce approximately 2,500 pounds of strawberries annually or 30 pounds per square foot of greenhouse utilized.

The Company anticipates delivery of the new tower system and custom engineered LED lighting in March 2025 for the cultivation of strawberries. The new growing system will also be used for continued research & development to maximize production output, quality and efficiencies for Affinor’s customers.

Nick Brusatore, the Company’s Chief Executive Officer, stated as follows; “*The newly engineered towers are a game changer due to the high production output of strawberries per square foot inside the Greenhouse. The new Affinor tower system allows our customers and collaborators like FARMX Produce Inc. to install and efficiently scale up their cost effective 28,000 square foot strawberry Greenhouse operation in strategic locations across North America.*”

### **About Affinor**

Affinor is a publicly traded company listed on the CSE under the symbol “AFI” and on the OTCQB under the symbol “RSSFF”. Affinor is focused on developing vertical farming technologies and using those technologies to grow fruits and vegetables in a sustainable manner.

## CAUTION REGARDING FORWARD-LOOKING INFORMATION

*This news release includes certain statements that may be deemed “forward-looking statements”. All statements in this new release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “could” or “should” occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company’s management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management’s beliefs, estimates or opinions, or other factors, should change.*
