These unaudited condensed consolidated interim financial statements for the six months ended June 30, 2013 have been prepared in accordance with IAS 34 Interim Financial Reporting. They do not include all disclosures that would otherwise be required in a complete set of financial statements and should be read in conjunction with the Company's 2012 annual financial statements which have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB").

The condensed consolidated interim financial statements have been prepared using accounting policies consistent with those used in the Company's 2012 annual financial statements except for new standards, interpretation and amendments mandatorily effective for the first time from January 1, 2013. Note 2c sets out the impact of new standards, interpretations and amendments that have had a material effect on the financial statements.

The preparation of financial statements in compliance with IFRS requires management to make certain critical accounting estimates and exercise judgement in applying the Company's policies.
