

## NEWS RELEASE

### CULT Food Science Announces Debt Settlement and RSU Grant

Toronto, Ontario, April 8, 2024 / CNW / CULT Food Science Corp. (“CULT” or the “Company”) (CSE: CULT) (OTC: CULTF) (FRA: LN0), a pioneer in the investment, development, and commercialization of cellular agriculture technologies and products, has announced that it has entered into debt settlement agreements (the “**Settlement Agreements**”) to settle outstanding cash payments owed to creditors (the “**Creditors**”) totaling \$140,940 (the “**Debt Settlement**”).

Pursuant to the Settlement Agreements, the Company has agreed to issue an aggregate of 2,250,000 common shares (“**Shares**”) at a deemed price of \$0.03997 per Share, based on a 20-day VWAP and 1,020,000 Shares at a deemed price of \$0.05 per Share. The Debt Settlement includes a director of the Company as to 160,000 Shares for consulting services.

The board of directors of the Company determined that it is in the best interests of the Company to settle the outstanding debts by the issuance of the Shares in order to preserve the Company’s cash for working capital.

The Company will be relying on section 2.24 (the “**Exemption**”) of NI 45-106 Prospectus Exemptions, as to 2,250,000 Shares issued to certain Creditors. Securities issued under the Exemption are not subject to a hold period and are free trading.

The Company also announces the issuance of 1,360,000 Restricted Share Units (“**RSUs**”) of the Company to its directors and officers pursuant to its RSU Plan adopted by the shareholders on June 15, 2023. The RSUs will vest immediately and are subject to a four month and one day hold period.

#### About CULT Food Science

CULT is revolutionizing the world of food through science. In partnership with our portfolio companies, we are building some of the first food brands in the world that leverage cellular agriculture technologies to create a healthier, more sustainable, and truly delicious future for all.

**Forward-Looking Information:**

Information set forth in this news release may involve forward-looking statements. Forward-looking statements are statements that relate to future, not past, events. In this context, forward-looking statements often address a company's expected future business and financial performance, and often contain words such as "anticipate", "believe", "plan", "estimate", "expect", and "intend", statements that an action or event "may", "might", "could", "should", or "will" be taken or occur, or other similar expressions. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include but are not limited to the following risks: those associated with marketing and sale of securities; the need for additional financing; reliance on key personnel; the potential for conflicts of interest among certain officers or directors with certain other projects; and the volatility of common share price and volume. Forward-looking statements are made based on management's beliefs, estimates and opinions on the date that statements are made and except as required by law, the Company undertakes no obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change. Investors are cautioned against attributing undue certainty to forward-looking statements. For further information on risk, investors are advised to see the Company's MD&A and other disclosure filings with the regulators which are found at [sedar.com](http://sedar.com).
