1. Nature of operations and going concern

New International Infopet Systems Ltd. (the "Company") was incorporated under the laws of the Province of Ontario on March 9, 1965. The Company has no operations and is currently seeking new business opportunities. The Company has limited working capital to pursue such business opportunities. To date, activities have been funded by loans from related parties (Note 4). There can be no assurance that should additional financing from the related parties or others be required, it will be available or on terms acceptable to the Company. The ability of the Company to continue as a going concern is dependent upon, among other things, its being able to obtain additional financing, and maintaining positive operating cash flows. The Company's discretionary activities do have considerable scope for flexibility in terms of the amount and timing of expenditure, and expenditures may be adjusted accordingly.

The primary office is located at Suite 204, 181 Eglinton Avenue East, Toronto, Ontario, Canada, M4P 1J4.

The Company's financial year ends on October 31.

2. Statement of compliance

The Company applies International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") and interpretations issued by the International Financial Reporting Interpretations Committee ("IFRIC"). These unaudited condensed interim financial statements have been prepared in accordance with International Accounting Standard 34, Interim Financial Reporting. Accordingly, they do not include all of the information required for full annual financial statements required by IFRS as issued by the IASB and interpretations issued by the IFRIC.

The policies applied in these unaudited condensed interim financial statements are based on IFRS issued and outstanding as of September 10, 2013, the date the Board of Directors approved the statements. The same accounting policies and methods of computation are followed in these unaudited condensed interim financial statements as compared with the most recent annual financial statements as at and for the year ended October 31, 2012, except as noted below. Any subsequent changes to IFRS that are given effect in the Company's annual financial statements for the year ending October 31, 2013 could result in restatement of these unaudited condensed interim financial statements.

Changes in accounting policies

Amendments to IAS 1 Presentation of Financial Statements

On November 1, 2012, the Company adopted IAS 1 Presentation of Financial Statements (amendments to IAS 1), issued by the IASB in June 2011. The amendments require items presented in the statement of other comprehensive income to be categorized according to whether the items will or will not be reclassified to income at a future date. The adoption did not impact the Company's unaudited condensed interim financial results.

3. Long-term investment

The Company owns 1,000 common shares of International Infopet Systems Inc., a privately owned company registered in Delaware, United States. This holding represents a one-third interest in that corporation.

The Company exercises significant influence over the investee and uses the equity method to account for its investment. During 2004, the investment became permanently impaired and was written down to a nominal amount of \$1. Any subsequent increase in value will be recognized only when the investment becomes profitable.
