### **About SponsorsOne:**

SponsorsOne is positioned as a leader in the next evolution of social digital marketing and crypto-commerce with the SponsorsCloud™ platform and its highly scalable digital – smart contract based digital-currency called SponsorCoin. Combined, this allows Brands to build and manage their own proprietary and highly engaged communities of micro-fluencers within the social realm. The SponsorsCloud™ platform allows for data driven- intelligent marketing campaigns that will change the way brands connect to their community and compensate the micro-influencer for authentic engagement using the SponsorCoin digital-currency. SponsorsCloud™ and SponsorCoin is a tool for brands to inspire real movements around their products and services in which their most valuable customers become their best salespeople and producing far greater ROI than current social media advertising methods.
