SponsorsOne set to build the first 'Direct to Consumer' Billion Dollar CBD Brand in the USA.

For Immediate Release

Waterloo, Ontario, February 12, 2019: SponsorsOne Inc., (CSE: SPO) (Frankfurt: 5SO) the company that makes small brands BIG by building large, engaged and authentic influencer communities that buy and support the Brands they love, is pleased to announce it has developed a complete direct-to-consumer platform for processors of CBD in the USA. Higher margins, along with direct engagement with the customers create a sustainable long-term opportunity for these emerging CBD Brands. SponsorsOne takes a partnership approach and doesn't receive any upfront fees. As a true partner to the Brand, we only get paid when a product sale occurs, so we are investing alongside the Brand and sharing in the risk while bringing our brand-building expertise to the table.

"We have developed a unique method of storytelling that engages the direct consumer market by telling the Brand's story within social media," states Myles Bartholomew, CEO of SponsorsOne Inc. "We build large influencer communities that buy a lot of product."

Under a Brand Development Agreement, SponsorsOne will collaborate with the CBD Processor to develop a direct-to-consumer strategy, identify the target market and create the messaging. We will work together to create the branding, e-commerce website, build the influencer market and generate the creative content that tells the Brand story over social media. Further, SponsorsOne will manage the social media accounts for the Brand and interact daily with the influencers to continually engage with their followers and drive sales to the Brand's e-commerce site. SponsorsOne is looking to form long-term relationships with major CBD Processors.

By leveraging SponsorsOne's proprietary micro-influencer platform called SponsorCoin, along with our content development capability, we believe we can build the first \$1 billion online CBD brand in the USA.

A sample e-commerce site can be viewed at www.gonutraceuticals.store and CBD producers can reach us by going to www.sponsorsone.com and click the CBD link to inquire.
