News Release

SponsorsOne Announces Initial Orders From The U.S. Northeast Distribution Channel

Distributor Orders For Doc Wylder's Exceed Expectations After Company's Presale Marketing Presentations To Retailers Result With Higher Demand

Waterloo, Ontario, April 12, 2021, SponsorsOne Inc., (CSE: SPO) (Frankfurt: 5SO), (OTC:SPONF), a company that utilizes its proprietary platform that combines digital marketing, wholesale and retail distribution, branding, and operational & funding capital, giving it a competitive first-mover advantage in rapidly selling proprietary brands focused in the Alcohol, Functional Beverage and Hemp Sectors, announced today we have received multiple orders from our distribution channel and are in production for shipments of Doc Wylder's in April 2021.

Myles Bartholomew, CEO of SponsorsOne, said: "our distributors have completed the presale to the retail channel and have indicated high demand from retail as a result of these pre-sale presentations which were led by the management of our beverage division PBC and head of S1 Brands, Kevin Swadish".

William Mickel, Managing Director - New York Director of Craft Spirits, Vintage Imports Inc. said, "We are very excited to introduce Doc Wylders to our industry partners in the Northeast. Doc Wylders is not only delicious and gluten-free, but with no sugar and a unique resealable, cold-sleeved package, the brand is in a category of its own. No other product on the market is able to deliver all of the unique attributes and overall quality of the four various spirit-infused lemonade flavors which Doc Wylders is introducing."

This order represents an initial stocking order for the Northeastern retail channel to seed the product in retail outlets, which should lead to larger follow on orders. The order placed by Vintage Imports was five times larger than originally indicated and we're very pleased with the initial order demand. Doc Wylder's is currently in production and will be shipped in April. We expect the product to be on the shelves in early May 2021.
