## **Solid Resources Retains Renmark Financial Communications Inc.**

VANCOUVER, - **Solid Resources Ltd.** ("Solid" or the "Company") (TSX-V: **SRW**) (OTCQX: **SLDRF**) (Frankfurt: **YRS**) is pleased to announce that it has retained the services of Renmark Financial Communications Inc. to handle its investor relations activities.

"We are pleased to announce that we have selected Renmark to reinforce Solid Resources' profile in the financial community and enhance the visibility of our project portfolio. We choose Renmark because its standards and methodologies fit best with the message we wish to communicate to the investing public," noted Greg Pendura, President & CEO of Solid Resources Ltd.

In consideration of the IR services to be provided by Renmark Financial Communications Inc., Solid Resources Ltd. has agreed to a monthly agreement with a retainer of \$5,000.

Renmark Financial Communications Inc. does not have any interest, directly or indirectly, in Solid Resources Ltd. or its securities, or any right or intent to acquire such an interest.

Solid Resources is a Canadian junior mining company focused in Spain on the exploration and development of rare and precious metals and industrial commodities worldwide. The Company is currently in the late stage of quantifying the presence of tantalum, tin, lithium and other rare minerals on its Alberta-1 property in north-western Spain and re-opening 62 iron ore concessions in south-eastern Spain.

*Certain statements contained in this press release, including statements which are related to exploration activity and future prospects and profitability and which may contain words such as "could", "should", "expect", "believe", "will" and similar expressions and statements relating to matters that are not historical facts are forward-looking statements. Such forward-looking statements involve known and unknown risks and uncertainties which may cause the actual results, performances and/or achievements of Solid to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include fluctuations in the market conditions and prices of tantalum, lithium, tin, and other metals and related products and services; competition; political and economic conditions in countries in which Solid does business; changes in laws and regulations, including environmental regulations, to which Solid is subject, and other factors which are described in further detail in Solid's filings with the Canadian Securities Regulators.*

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
