Iberian Minerals Announces the Death of Former V.P and Director Attilio (Tony) Spat

Calgary, Alberta – Iberian Minerals Ltd., formerly Solid Resources Ltd., (“Company”) (TSXV: IML) (OTCQB: SLDRF) announced today that Attilio (Tony) Spat passed away on March 5, 2015.

Tony first joined the Company in 1999 and served as Vice President of Mineral Exploration and later as a Director until his retirement a few years ago. Tony had a distinguished career as a mining engineer and senior exploration geologist worldwide.

Management of Iberian Minerals in Canada and Spain are deeply saddened to hear of Tony’s passing. Tony’s wealth of knowledge and expertise of the mining industry made an invaluable contribution to our company. The entire management team of Iberian Minerals extend our heartfelt condolences to Tony’s family during this difficult time.

About Iberian Minerals

Iberian Minerals is a Canadian junior mining company focused in Spain. The Company is currently studying the re-opening of the Cehegin iron ore concessions in south-eastern Spain and is the process of evaluating a number of additional resource assets throughout Spain.
