About Iberian Minerals

Iberian Minerals is a Canadian junior mining company focused in Spain. The Company's business strategy is to actively engage its Spanish contacts and technical team towards the further accumulation of high interest assets throughout the mineral rich Iberian Peninsula. Iberian Minerals is currently evaluating its Caurio gold/copper/silver concessions located in the Rio Narcea Gold Belt in Asturias, northern Spain and the recently acquired Aroche Wollastonite concession in the province of Huelva, south western Spain. The Company is also studying the re-opening of the Cehegin iron ore concessions in south eastern Spain. For further information, go to www.iberianminerals.ca
