

Mineworx to Present at the 8th Annual LD Micro Invitational

Los Angeles, CA / Accesswire / May 28, 2018 – Mineworx Technologies Ltd., (the "Company" or "Mineworx") (TSXV: MWX) (OTCQB: MWXRF) (FSE: YRS WKN: A2DSW3), a leading provider of proprietary, cost-effective, and non-toxic precious metals extraction solutions to the E-Waste and mining industries, today announced that it will be presenting at the 8th annual LD Micro Invitational on Monday, June 4th at 2:30 PM PST. Greg Pendura, CEO of Mineworx and Don Weatherbee, CFO will be giving the presentation and meeting with investors.

“The event is slated to be our largest Invitational to date.” stated Chris Lahiji, President of LD Micro. “When the fires caused the cancellation of our Main Event back in December, we vowed to come back even stronger. This event showcases our firm’s ability to attract the most unique and exciting names in micro-cap.”

The conference will be held at the Luxe Sunset Bel Air Hotel, will feature 230 companies in the small-cap / micro-cap space, and will be attended by over 1,000 individuals.

About Mineworx

Mineworx is positioned for growth through partnerships with advanced mining and E-Waste opportunities utilizing its proprietary and patent pending extraction technologies. These innovations will increase and enhance business opportunities by deploying cost effective, environmentally friendly extractive metallurgy solutions.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. The firm hosts several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and micro-cap universe.
