INFORMATION CIRCULAR
November 12, 2013

INTRODUCTION

This Information Circular is furnished to the shareholders (the “**Shareholders**”) holding common shares (each, a “**Share**”) of Netco Silver Inc. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the special meeting (the “**Meeting**”) of the Shareholders to be held on Wednesday, December 11, 2013 at 10:00 a.m. (Vancouver time) at the offices of Clark Wilson LLP located at Suite 900, 885 West Georgia Street, Vancouver, British Columbia, Canada.

Date and Currency

The date of this Information Circular, and information contained herein, is November 12, 2013, unless otherwise noted. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of November 6, 2013 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED

FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY STRIKING OUT THE PRINTED NAMES OF THE DESIGNATED PERSONS AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**") at their offices located at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact, authorized in writing, or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the chair of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Shares represented will be voted or withheld from the vote on that matter accordingly. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Shares.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as discussed elsewhere in this Information Circular, none of the following persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors:

Only registered Shareholders who were holders of record on the Record Date of November 6, 2013, will be entitled to vote at the Meeting. These registered Shareholders will be entitled to cast one vote for each Share held on the Record Date.

PARTICULARS OF MATTERS TO BE ACTED UPON

Continuance from Alberta to British Columbia, Adoption of New Articles and Name Change

Summary

The Company presently exists under the *Business Corporations Act* (Alberta) (the "**ABCA**"). At the Meeting, Shareholders will be asked to consider and, if thought fit, to pass a special resolution (the "**Continuance Resolution**") designed to effect the continuance (the "**Continuance**") of the Company out of the Province of Alberta and into the Province of British Columbia, whereafter the Company will be subject to the *Business Corporations Act* (British Columbia) (the "**BCBCA**"). In connection with the Continuance, the Company proposes to change its name from "Netco Silver Inc." to "Brisio Innovations Inc." (the "**Name Change**"), or such other name as may be approved by the board of directors of the Company (the "**Board**"), in its sole discretion, and is acceptable to the British Columbia Registrar of Companies.

In addition to Shareholder approval, the Continuance is subject to the approval of the Alberta Registrar (on being satisfied that the Continuance will not adversely affect creditors or Shareholders) and of the TSX Venture Exchange (the "**TSXV**").

Management of the Company has determined and believes that the Continuance is in the best interest of the Company as the Company's head office and its management are located in British Columbia. As such, the Continuance is expected to be more efficient and cost effective for the Company.

Accordingly, at the Meeting, management intends to seek Shareholder approval for the Continuance into British Columbia and the concurrent Name Change. If the Continuance and Name Change are approved by Shareholders, the Company intends to file with the British Columbia Registrar of Companies, under the BCBCA, a continuation application. The continuation application will include the Company's proposed Notice of Articles (the "**Notice of Articles**") and proposed Articles (the "**New Articles**"), a copy of which is attached as Schedule "B" hereto, each of which will be available for review at the Meeting.

In accordance with the provisions of the ABCA, the special resolution approving the Continuance Resolution will require the approval of not less than 66.67% of the votes cast at the Meeting.

Upon completion of the Continuance, the ABCA and the existing articles and bylaws of the Company will cease to apply to the Company and the corporate affairs of the Company will thereafter be governed by the BCBCA and the proposed Notice of Articles and New Articles, as if it had been originally incorporated as a British Columbia company. The Continuance will result in certain changes in the corporate laws applicable to the Company and the provisions of its constituting documents. See the discussion below titled "Comparison of the BCBCA and the ABCA and Constituting Documents".

Notwithstanding the alteration of Shareholders' rights and obligations resulting from the Continuance and adoption of the New Articles, the Company will still be bound by the rules and policies of the TSXV, the British Columbia Securities Commission and the Alberta Securities Commission, as well as other applicable securities legislation. Nothing that follows should be construed as legal advice to any particular Shareholder, each of whom is advised to consult their own legal advisor with respect to the implications of the Continuance.

The Continuance will not result in any change in the assets, liabilities, net worth, management or share capital of the Company. The Continuance is not a reorganization, amalgamation or merger. The number and class of Shares held by Shareholders will not be altered by the Continuance (other than with respect to Shareholders who dissent to the Continuance Resolution as described below).

The proposed Continuance gives rise to a right of dissent under Section 191 of the ABCA. If the right of dissent is validly exercised by any of the Shareholders entitled to do so (the “**Dissenting Shareholders**”), and the Company completes the Continuance, the Company would be required to purchase, for cash, the Shares of such Dissenting Shareholders at the fair value of such Shares (as determined in accordance with the ABCA), as of the close of business on the last business day before the date that the Continuance Resolution is adopted, subject to the provisions of the ABCA.

Comparison of the BCBCA and the ABCA and Constatng Documents

The following is a summary of certain differences between the BCBCA and Notice of Articles and the New Articles, on the one hand, and the ABCA and the existing articles and bylaws of the Company, on the other hand. The following summary is not an exhaustive list of these differences, and is qualified in its entirety by reference to the BCBCA, the ABCA, the existing bylaws and articles and the new Notice of Articles and the New Articles.

The proposed Notice of Articles and the New Articles, as well as the existing articles and bylaws of the Company, will be: (i) available for viewing up to the date of the Meeting at the registered office of the Company at Suite 900 – 885 West Georgia, Vancouver, British Columbia; (ii) mailed to any Shareholder free of charge, upon request to the President of the Company at the address for the Company set forth on the first page of this Information Circular; and (iii) available for review at the Meeting. A draft of the proposed New Articles is also attached as Schedule “B” to this Information Circular.

Constatng Documents

Under the BCBCA, the constating documents of a company consist of a “notice of articles”, which sets forth the name of the corporation and the amount and type of authorized capital, among other things, and “articles”, which govern the management of the company. The notice of articles is filed with the British Columbia Registrar of Companies and the articles are filed with the company’s registered and records office.

Under the ABCA, a company has “articles”, which set forth the name of the company and the amount and type of authorized capital, the restrictions on share transfers (if any), the number of directors, and any restrictions on business. Under the ABCA, companies also have “bylaws” which govern the management of the company. The articles are filed with the Alberta Registrar of Corporations and the bylaws are filed with the company’s registered and records office.

Therefore, the current articles and bylaws of the Company, which are suitable for a company governed by the ABCA and not for a company governed by the BCBCA, will have to be changed to constating documents that are suitable for a British Columbia company. Upon the Continuance becoming effective, the former articles and bylaws of the Company will be repealed and replaced with the Notice of Articles and the New Articles.

If Shareholders approve the Continuance, the Notice of Articles and the New Articles under the BCBCA will provide for authorized capital consisting of an unlimited number of Shares without par value and an unlimited number of preference shares without par value, which is the same as the Company’s authorized capital under the ABCA. The Continuance to British Columbia and adoption of the Notice of Articles and the New Articles will not result in any substantive changes to the constitution, powers or management of the Company, except as described herein.

Ability to Set Necessary Levels of Shareholder Consent

Under the BCBCA, a company, in its articles, can establish levels for various shareholder approvals (other than those prescribed by the BCBCA). The percentage of votes required for a “special resolution” can be specified in the

articles and may be no less than 2/3 and no more than 3/4 of the votes cast. The ABCA does not provide for flexibility on shareholder approvals, which are either ordinary resolutions passed by a majority of the votes cast or, where specified in the ABCA, special resolutions, which must be passed by 2/3 of the votes cast.

Notwithstanding the foregoing, the New Articles that will be adopted by the Company if the Continuance is completed will provide that the percentage of votes required for a special resolution is no less than 2/3 of the votes cast, which is the same as currently provided for under the Company's existing bylaws.

Amendments to Constituting Documents

The ABCA requires a special resolution passed by a majority of not less than two-thirds of the votes of shareholders cast on the resolution to make fundamental changes to a company's articles, while changes to a company's bylaws require only a resolution of the directors.

Under the BCBCA, if a company's articles do not specify the type of resolution, any substantive change to the corporate charter of a company, such as an alteration of the restrictions, if any, on the business carried on by a corporation, or certain changes to the authorized capital of a company, requires a special resolution passed by the majority of votes that the articles of the company specify is required or, if the articles do not contain such a provision, a special resolution passed by at least two-thirds of the votes cast on the resolution. Other fundamental changes such as a proposed amalgamation or continuance of a company out of the jurisdiction require a similar special resolution passed by holders of each class entitled to vote at a general meeting of the company and the holders of all classes of shares adversely affected by an alteration of special rights and restrictions.

The New Articles that will be adopted if the Continuance is completed will allow the Board to make certain alterations to the Company's authorized share structure by way of directors' resolution as opposed to the Company having to incur the additional costs of obtaining Shareholder approval. Under the New Articles, subject to the provisions of the BCBCA, the Company may, by resolution of the directors:

- (a) create one or more classes or series of shares or, if none of the shares of a class or series of shares are allotted or issued, eliminate that class or series of shares;
- (b) increase, reduce or eliminate the maximum number of shares that the Company is authorized to issue out of any class or series of shares or establish a maximum number of shares that the Company is authorized to issue out of any class or series of shares for which no maximum is established;
- (c) if the Company is authorized to issue shares of a class of shares with par value:
 - (i) decrease the par value of those shares,
 - (ii) if none of the shares of that class of shares are allotted or issued, increase the par value of those shares,
 - (iii) subdivide all or any of its unissued or fully paid issued shares with par value into shares of smaller par value, or
 - (iv) consolidate all or any of its unissued or fully paid issued shares with par value into shares of larger par value;
- (d) subdivide all or any of its unissued or fully paid issued shares without par value;
- (e) change all or any of its unissued or fully paid issued shares with par value into shares without par value or all or any of its unissued shares without par value into shares with par value;
- (f) alter the identifying name of any of its shares;
- (g) consolidate all or any of its unissued or fully paid issued shares without par value; or

- (h) otherwise alter its shares or authorized share structure when required or permitted to do so by the BCBCA.

Directors

The ABCA and the BCBCA both provide that a company that is a public company (referred to as a “public company” in the BCBCA and a “distributing corporation” in the ABCA), such as the Company, must have a minimum of three directors. Under the ABCA, at least two of such directors must not be officers or employees of the company or its affiliates, and at least 1/4 of the directors must be resident Canadians. By contrast, there are no residency requirements for directors of a company governed by the BCBCA.

Under the ABCA, directors may be removed by ordinary resolution whereas, under the BCBCA, directors may be removed by a special resolution or, if the articles of a company provide that a director may be removed by a resolution of the shareholders entitled to vote at general meetings passed by less than a special majority or may be removed by some other method, directors may be removed by the resolution or method specified. In addition, under the BCBCA, a director may be removed by court order in connection with an application by a shareholder under Section 227 of the BCBCA, which addresses oppression remedies, as further described below.

Shareholder Proposals

A shareholder of a company incorporated under the ABCA who is entitled to vote may submit notice of any matter related to the business or affairs of the company that such person proposes to raise at a meeting of shareholders (referred to as a “proposal”), if such shareholder (i) is the registered holder or beneficial owner of at least 1% of all issued voting shares of the company or the shares have a fair market value of at least the amount prescribed under the ABCA, (ii) has held such shares for the 6 month period immediately before the shareholder submits the proposal, and (iii) has support for the proposal by other registered holders or beneficial owners of shares holding at least 5% of the issued voting shares of the company.

Under the BCBCA, a person submitting a proposal under the BCBCA must own at least one voting share and must have held at least one voting share for an uninterrupted period of at least two years before the date of signing the proposal. In addition, the proposal requires the signature of shareholders who, together with the submitting shareholder, are registered or beneficial owners of shares that, in the aggregate: (a) constitute at least 1% of the issued shares of the company that carry the right to vote at general meetings; or (b) have a fair market value exceeding a prescribed amount provided for in the BCBCA. Any such proposal must be received at the registered office of the company at least three months before the anniversary of the previous year’s annual reference date and comply with the other applicable provisions of the BCBCA.

Sale of Company’s Undertaking or Property

Under the BCBCA, a company may sell, lease or otherwise dispose of all or substantially all of the undertaking of the company only if it does so in the ordinary course of its business or if it has been authorized to do so by a special resolution. The BCBCA does not specify whether holders of shares that do not otherwise carry a right to vote may vote on any proposed sale, lease or disposition of all or substantially all of the undertaking of a company.

Under the ABCA, a company may sell, lease or exchange all or substantially all of the property of the company other than in the ordinary course of business only if it has been authorized by a special resolution. Each share of the company carries the right to vote in respect of the sale, lease or exchange, whether or not such share otherwise carries the right to vote and, where a class or series of shares is affected by the sale, lease or exchange in a manner different from another class or series, the holders of shares of that affected class or series are entitled to vote separately on the transaction.

Rights of Dissent and Appraisal

The ABCA provides that shareholders who dissent to certain actions being taken by a company may exercise a right of dissent and require the company to purchase the shares held by such shareholders at the fair value of such shares.

This dissent right is available where a company proposes to: (a) amend its articles to add, change or remove any provision restricting or constraining the issue or transfer of any class of shares; (b) amend its articles to add, change or remove any restrictions on business or businesses that the company may carry on; (c) enter into certain statutory amalgamations; (d) continue out of the jurisdiction; or (e) sell, lease or exchange all or substantially all of its property.

The BCBCA provides a similar dissent remedy, although the procedure for exercising this remedy differs from that set forth in the ABCA and some of the circumstances in which the right to dissent arises are different.

Oppression Remedies

Pursuant to Section 227 of the BCBCA, a shareholder (which term includes any person whom the court considers to be an appropriate person to make an application under Section 227) of a company has the right to apply to the court for an order under Section 227 on the grounds that the affairs of the company are being or have been conducted, or that the powers of the directors are being exercised, in a manner oppressive to one or more of the shareholders, including the applicant, or that some act of the company has been done or is threatened, or that some resolution of the shareholders or of the shareholders holding shares of a class or series of shares has been passed or is proposed, that is unfairly prejudicial to one or more shareholders, including the applicant. In response to such an application, the court may make such order as it considers appropriate, including an order to direct or prohibit any act proposed by the company and an order to remove any director.

Under the ABCA, a shareholder, former shareholder, director, former director, officer or former officer and certain creditors of a company or any of its affiliates, or any other person who, in the discretion of a court, is a proper person to seek an oppression remedy, may apply to a court for an order the court thinks fit to rectify the matters complained of where, in respect of a company or any of its affiliates, any act or omission effects a result, or the business or affairs are or have been carried on or conducted in a manner, or the powers of the directors are or have been exercised in a manner, that is oppressive or unfairly prejudicial to, or that unfairly disregards the interest of, any securityholder, creditor, director or officer.

Shareholder Derivative Actions

Pursuant to Section 232 of the BCBCA, a shareholder (which term includes any person whom the court considers to be an appropriate person to make an application under Section 232 of the BCBCA) or director of a company may, with leave of the court, and after having made reasonable efforts to cause the directors of the company to prosecute a legal proceeding, prosecute such proceeding in the name of and on behalf of the company to enforce a right, duty or obligation owed to the company that could be enforced by the company itself or to obtain damages for any breach of such right, duty or obligation. There is a similar right of a shareholder or director, with leave of the court, and in the name and on behalf of the company, to defend a legal proceeding brought against the company.

The ABCA contains similar provisions for derivative actions but the list of persons having the right to bring such an action explicitly also includes former shareholders, former directors, officers, former officers, any affiliate of the foregoing, and any person who, in the discretion of the court, is a proper person to make an application to the court to bring a derivative action. Also, the ABCA permits a complainant to commence an action in the name of a subsidiary of the company.

Place of Shareholder Meetings

The ABCA provides that meetings of shareholders must be held in Alberta, unless all the shareholders entitled to vote at that meeting agree otherwise or unless the articles provide that meetings of shareholders may be held outside Alberta. Under the BCBCA, meetings may be held outside British Columbia if: (i) the location is provided for in the articles; (ii) the articles do not restrict the company from approving a location outside British Columbia and the location is approved by the resolution required by the articles for that purpose, if any, or otherwise by ordinary resolution; or (iii) the location of the meeting is approved in writing by the British Columbia Registrar of Companies before the meeting is held.

Change of Name

The ABCA provides that a special resolution is required in order to change a company's name. As permitted by the BCBCA, the New Articles will provide that a change of name may be approved by directors' resolution.

Quorum for Shareholders' Meetings

Under the current bylaws, a quorum is two persons present in person, or represented by proxy, and holding not less than ten percent (10%) of the issued shares of the Company having voting rights at such meeting. The proposed New Articles will provide that quorum will consist of one or more persons, present in person or represented by proxy.

Shareholders' Rights of Dissent to the Continuance

The proposed Continuance gives rise to a right of dissent under Section 191 of the ABCA. If the right of dissent is validly exercised by any of the Shareholders entitled to do so, and the Company completes the Continuance, the Company would be required to purchase, for cash, the Shares of such Dissenting Shareholders at the fair value of such Shares (as determined in accordance with the ABCA), as of the close of business on the last business day before the date that the Continuance Resolution is adopted, subject to the provisions of the ABCA.

Persons who are beneficial owners of Shares registered in the name of a broker, custodian, nominee or other intermediary who wish to dissent should be aware that **only a registered Shareholder is entitled to dissent**. A person who beneficially owns Shares, but is not the registered holder thereof, should contact the registered Shareholder for assistance.

Section 191 of the ABCA, which sets out the procedure for dissenting, is set forth in Schedule "A" and should be reviewed carefully. **Failure to adhere strictly to the requirements of Section 191 of the ABCA may result in the loss or unavailability of the right of dissent.**

In any event, if a notice of dissent is given by a Shareholder, it is the present intention of the Board to determine, in its sole discretion, whether or not to proceed with the completion of the Continuance and the Name Change.

The Continuance Resolution

Shareholders will be asked at the Meeting to approve the Continuance Resolution, the proposed text of which is set forth below. In order to be effective, the Continuance Resolution requires the favourable vote of not less than two-thirds of the votes cast with respect to the Continuance Resolution at the Meeting, either in person or by proxy.

Management of the Company recommends that Shareholders vote in favour of the Continuance Resolution. It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the Continuance Resolution.

Shareholders should review and carefully consider the provisions of the BCBCA and the ABCA, the existing articles and bylaws of the Company and the proposed Notice of Articles and New Articles of the Company before deciding how to vote on the Continuance Resolution.

Notwithstanding the approval of the Continuance Resolution by the Shareholders, the Board may abandon the Continuance or the Name Change without further approval from the Shareholders. If the Continuance is abandoned, the Company will continue to be governed by the ABCA and the existing articles and bylaws of the Company. If the Name Change is not approved, the Company will continue to use its existing name, or such other name as may be determined in accordance with the Company's bylaws or the New Articles (as applicable).

The proposed form of the Continuance Resolution is set out below and is subject to such amendments as management may propose but which do not materially affect the substance of the Continuance Resolution:

“BE IT RESOLVED, as a special resolution of the shareholders of the Company, that:

1. The Company be and is hereby authorized to apply to the Registrar of Corporations (Alberta) (the “**Alberta Registrar**”) for authorization, pursuant to Section 189 of the *Business Corporations Act* (Alberta) (the “**ABCA**”), to discontinue the Company from the Province of Alberta and the provisions of the ABCA, and to file a continuation application (the “**Continuation Application**”) with the Registrar of Companies (British Columbia) (the “**BC Registrar**”) under the *Business Corporations Act* (British Columbia) (the “**BCBCA**”) to continue the Company to the Province of British Columbia as if it had been incorporated under the BCBCA (the “**Continuance**”);
2. Concurrently with the Continuance, the name of the Company be changed from “Netco Silver Inc.” to “Brisio Innovations Inc.”, or such other name as may be approved by the board of directors of the Company (the “**Board**”), in its sole discretion, and as may be acceptable to any regulatory body having jurisdiction (the “**Name Change**”);
3. Effective upon the issuance of a certificate of continuation by the BC Registrar, the Company adopt the notice of articles attached to the Continuation Application (the “**Notice of Articles**”) and the articles attached as Schedule “B” to the Company’s Information Circular dated November 12, 2013 (the “**New Articles**”), in substitution for the articles and bylaws of the Company pursuant to the ABCA;
4. Clark Wilson LLP be appointed as the Company’s agent to electronically file the Continuation Application with the BC Registrar and to apply to the Alberta Registrar for authorization permitting the continuance and to request a certificate of discontinuation under the ABCA;
5. On the date and time that the Continuation Application is filed with the BC Registrar, the existing articles and bylaws of the Company be replaced with the Notice of Articles contained in the Continuation Application and the New Articles, all as approved by the Board;
6. The Board, in its sole and complete discretion, be and is hereby authorized to abandon the application for the Continuance at any time prior to the Continuance becoming effective, without further notice to, or approval of, the shareholders of the Company if, in its discretion, the Board deems such abandonment to be advisable;
7. The Board, in its sole and complete discretion, be and is hereby authorized to choose not to effect the proposed Name Change, notwithstanding shareholder approval of the Name Change; and
8. Any one director or officer of the Company be and is hereby authorized, for and on behalf of the Company, to approve, execute and deliver all such documents and instruments, and to take all such other actions, as such officer or director may determine to be necessary or advisable to implement this resolution and the matters authorized hereby including, without limitation, the execution and filing of the Continuance Application and any forms prescribed by or contemplated under the BCBCA or the ABCA.”

Management of the Company recommends that Shareholders vote in favour of the Continuance Resolution, and the Designated Persons named in the enclosed form of proxy intend to vote for the approval of the Continuance Resolution at the Meeting unless otherwise directed by the Shareholders appointing them.

Adoption of Advance Notice Provision

Summary

The Board proposes to add an advance notice provision, the full text of which is set out at Section 12.11 of the New Articles attached hereto as Schedule “B” (the “**Advance Notice Provision**”), to the New Articles in connection with the Continuance. The Board has determined that it is in the best interests of the Company to adopt and include the Advance Notice Provision in the New Articles as it: (i) facilitates orderly and efficient annual general or, where the need arises, special, meetings; (ii) ensures that all Shareholders receive adequate notice of director nominations and sufficient information with respect to all nominees; and (iii) allows Shareholders to make an informed vote.

At the Meeting, Shareholders will be asked to consider, and if thought advisable, to pass a special resolution, the full text of which is set out below, to adopt the Advance Notice Provision and to include the text of the Advance Notice Provision in the New Articles.

Purpose of the Advance Notice Provision

The purpose of the Advance Notice Provision is to provide Shareholders, directors and management of the Company with direction on the procedure for shareholder nomination of directors. The Advance Notice Provision is the framework by which the Company seeks to fix a deadline by which Shareholders must submit director nominations to the Company prior to any annual or special meeting of Shareholders, and sets forth the information that a Shareholder must include in the notice to the Company for the notice to be in proper written form.

Effect of the Advance Notice Provision

Subject only to the BCBCA and the New Articles, only persons who are nominated in accordance with the procedures set out in the Advance Notice Provision shall be eligible for election as directors of the Company. Nominations of persons for election to the Board may be made at any annual meeting of Shareholders, or at any special meeting of Shareholders (if one of the purposes for which the special meeting was called was the election of directors): (a) by or at the direction of the Board, including pursuant to a notice of meeting; (b) by or at the direction or request of one or more Shareholders pursuant to a proposal made in accordance with the provisions of the BCBCA, or a requisition of the Shareholders made in accordance with the provisions of the BCBCA; or (c) by any person (a “**Nominating Shareholder**”): (A) who, at the close of business on the date of the giving of the notice provided for in the Advance Notice Provision and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and (B) who complies with the notice procedures set forth in the Advance Notice Provision.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Secretary of the Company at the principal executive offices of the Company.

To be timely, a Nominating Shareholder’s notice to the Secretary of the Company must be given:

- (a) in the case of an annual meeting of Shareholders, not less than 30 and not more than 65 days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder is to be given not later than the close of business on the 10th day after the Notice Date in respect of such meeting; and
- (b) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of Shareholders was made. In no event shall any adjournment or postponement of a

meeting of Shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder's notice as described above.

To be in proper written form, a Nominating Shareholder's notice to the Secretary of the Company must set forth:

- (a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (i) the name, age, business address and residential address of the person; (ii) the principal occupation or employment of the person during the past five years; (iii) the class or series and number of shares in the capital of the Company which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of Shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; (iv) a statement as to whether such person would be "independent" of the Company (as such term is defined under applicable securities legislation) if elected as a director at such meeting and the reasons and basis for such determination; (v) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such Nominating Shareholder and beneficial owner, if any, and their respective affiliates and associates, or others acting jointly or in concert therewith, on the one hand, and such nominee, and his or her respective associates, or others acting jointly or in concert therewith, on the other hand; and (vii) any other information relating to the person that would be required to be disclosed in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and Applicable Securities Laws (as defined below);
- (b) as to the Nominating Shareholder giving the notice: (i) any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote any shares of the Company; (ii) the class or series and number of shares in the capital of the Company which are controlled or which are owned beneficially or of the record by the Nominating Shareholder as of the record date for the meeting of Shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (iii) any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and Applicable Securities Laws (as defined below);

The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable Shareholder's understanding of the independence, or lack thereof, of such proposed nominee.

The chair of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the Advance Notice Provision and, if any proposed nomination is not in compliance with the Advance Notice Provision, to declare that such defective nomination shall be disregarded.

For purposes of the Advance Notice Provision: (a) "public announcement" shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on SEDAR at www.sedar.com; and (b) "Applicable Securities Laws" means the applicable securities legislation of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada.

Notwithstanding any other provision of the Advance Notice Provision, notice given to the Secretary of the Company pursuant to the Advance Notice Provision may only be given by personal delivery or facsimile transmission, and shall be deemed to have been given and made only at the time it is served by personal delivery or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Secretary at the address of the principal executive offices of the Company; provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the subsequent day that is a business day.

Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement of the Advance Notice Provision.

Shareholder Approval

The adoption of the Advance Notice Provision and the inclusion of the Advance Notice Provision in the New Articles requires approval by special resolution of the Shareholders and, as such, an affirmative vote of not less than two-thirds of the votes cast at the Meeting.

At the Meeting, Shareholders will be asked to pass the following special resolution to adopt the Advance Notice Provision and include the Advance Notice Provision in the New Articles (the “**Advance Notice Resolution**”):

“BE IT RESOLVED, as a special resolution of the shareholders of the Company, that:

1. The Advance Notice Provision, as defined and more particularly described in the Company’s Information Circular dated November 12, 2013, be and is hereby authorized, approved and adopted, subject to, if required, the approval of the TSX Venture Exchange;
2. The inclusion of the Advance Notice Provision in the articles of the Company be and is hereby authorized and approved;
3. The board of directors of the Company is hereby authorized, at any time in its absolute discretion, to determine whether or not to proceed with the foregoing resolutions, without further approval, ratification or confirmation by the shareholders of the Company; and
4. Any director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver for and on behalf of the Company, under the corporate seal of the Company or otherwise, all such certificates, instruments, agreements, notices and other documents as in his opinion may be necessary or desirable for the purpose of giving effect to these resolutions.”

The Advance Notice Resolution must be approved by at least two-thirds of the votes cast by Shareholders who, being entitled to do so, vote in person or by proxy at the Meeting in respect of the Advance Notice Resolution.

The form of the Advance Notice Resolution set forth above is subject to such amendments as management may propose at the Meeting, but which do not materially affect the substance of the Advance Notice Resolution.

Management of the Company recommends that Shareholders vote in favour of the Advance Notice Resolution. It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the Advance Notice Resolution.

2013 Stock Option Plan

At the Company’s 2007 Special Meeting, the Shareholders approved the Stock Option Plan (2007) (the “**2007 Plan**”), which enabled the Board to grant stock options to directors, officers and other qualified persons, exercisable into an amount of up to 1,283,120 Shares (including options granted prior to implementation of the 2007 Plan).

At the Meeting, management will seek the approval of the Shareholders for the adoption of a new stock option plan, the 2013 Stock Option Plan (the “**2013 Plan**”), a copy of which is attached hereto as Schedule “C”. The 2013 Plan is a “rolling” stock option plan, whereby the aggregate number of Shares reserved for issuance under the 2013 Plan, together with any other Shares reserved for issuance under any other plan or agreement of the Company (including the 2007 Plan), shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted

basis) at the time an option is granted. If the 2013 Plan is adopted at the Meeting, no further options will be granted under the 2007 Plan, however options granted under the 2007 Plan will continue to be subject to the terms of the 2007 Plan. The 2013 Plan complies with the current policies of TSXV and is subject to the approval of the Shareholders and the TSXV and the rules of the TSXV.

The following information is intended as a brief description of the 2013 Plan and is qualified in its entirety by the full text of the 2013 Plan, a copy of which is attached as Schedule "C" to this Information Circular.

1. The Board shall establish the exercise price at the time each option is granted, subject to the following conditions:
 - (a) if the Shares are listed on the TSXV, the exercise price will not be less than the minimum prevailing price permitted by the TSXV Policies;
 - (b) if the Shares are not listed, posted and trading on any stock exchange or bulletin board, then the exercise price will be determined by the Board at the time of granting;
 - (c) if an option is granted within 90 days of a distribution by a prospectus by the Company, the exercise price will not be less than the price that is the greater of the minimum prevailing price permitted by TSXV policies and the per Share price paid by public investors for Shares acquired under the distribution by the prospectus, with the 90 day period beginning on the date a final receipt is issued for the prospectus; and
 - (d) in all other cases, the exercise price shall be determined in accordance with the rules and regulations of any applicable regulatory bodies.
2. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, without having been exercised in full, the number of Shares in respect of the expired or terminated option shall again be available for an option grant under the 2013 Plan.
3. All options granted under the 2013 Plan may not have an expiry date exceeding ten years from the date on which the option is granted (unless automatically extended as a result of a blackout period as described below).
4. The expiry date of each option will be automatically extended if the expiry date falls within a period during which the Company prohibits optionees from exercising their options, provided that:
 - (a) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the policies of the TSXV). For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any options will not be automatically extended in any circumstances;
 - (b) the blackout period expires upon the general disclosure of the undisclosed Material Information and the expiry date of the affected options is extended to no later than ten (10) business days after the expiry of the blackout period; and
 - (c) the automatic extension will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.
5. Options granted to any one individual in any 12 month period cannot exceed more than 5% of the issued Shares of the Company, unless the Company has obtained disinterested Shareholder approval.

6. Options granted to any one consultant in any 12 month period cannot exceed more than 2% of the issued Shares of the Company, without the prior consent of the TSXV.
7. Options granted to all persons, in aggregate, conducting investor relations activities in any 12 month period cannot exceed more than 2% of the issued Shares of the Company, without the prior consent of the TSXV.
8. The 2013 Plan provides that options issued to optionees performing investor relations activities will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
9. If a director, employee or consultant of the Company is terminated for cause, then any option granted to the option holder will terminate immediately upon the option holder ceasing to be a director, employee, or consultant by reason of termination for cause.
10. If an option holder ceases to be a director, employee or consultant of the Company (other than by reason of death, disability or termination of services for cause), or if an optionee resigns, as the case may be, then any option granted to the option holder that had vested and was exercisable on the date of termination will expire on the earlier of the expiry date and the date that is 90 days following the date that the option holder ceases to be a director, employee or service provider of the Company.
11. If the engagement of an option holder engaged in investor relations activities as a consultant is terminated for any reason other than cause, disability or death, any option granted to such option holder that was exercisable and had vested on the date of termination will be exercisable until the earlier of the expiry date and the date that is 30 days after the effective date of the option holder ceasing to be a consultant.
12. If an option holder dies, the option holder's lawful personal representatives, heirs or executors may exercise any option granted to the option holder that had vested and was exercisable on the date of death until the earlier of the expiry date and one year after the date of death of the option holder.
13. If an option holder ceases to be a director, employee or consultant as a result of a disability, the option holder may exercise any option granted to the option holder that had vested and was exercisable on the date of disability until the earlier of the expiry date and one year after the date of disability.
14. Stock options granted to directors, employees or consultants will vest when granted unless determined by the Board on a case by case basis, other than options granted to consultants performing investor relations activities, which will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
15. The 2013 Plan will be administered by the Board who will have the full authority and sole discretion to grant options under the 2013 Plan to any eligible party, including themselves.
16. Options granted under the 2013 Plan shall not be assignable or transferable by an option holder.
17. The Board may from time to time, subject to regulatory or Shareholder approval, amend or revise the terms of the 2013 Plan.

The 2013 Plan provides that other terms and conditions may be attached to a particular stock option at the discretion of the Board. Notwithstanding references to "Netco Silver Inc." in the form of 2013 Plan attached hereto, in the event that the Continuance and the Name Change are completed, the final form of the 2013 Plan will be under the name of "Brisio Innovations Inc."

At the Meeting, Shareholders will be asked to approve the following ordinary resolution (the "**2013 Plan Resolution**"), which must be approved by at least a majority of the votes cast by Shareholders represented in person or by proxy at the Meeting who vote in respect of the 2013 Plan Resolution:

"BE IT RESOLVED, as an ordinary resolution of the shareholders of the Company, that:

2. The board of directors be authorized in its absolute discretion to administer the 2013 Plan and amend or modify the 2013 Plan in accordance with its terms and conditions and with the policies of the TSXV; and
3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the 2013 Plan required by the TSXV or applicable securities regulatory authorities and to complete all transactions in connection with the administration of the 2013 Plan."

The form of the 2013 Plan Resolution set forth above is subject to such amendments as management may propose at the Meeting but which do not materially affect the substance of the 2013 Plan Resolution.

Management of the Company recommends that Shareholders vote in favour of the 2013 Plan Resolution. It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the 2013 Plan Resolution.

RIGHTS OF DISSENT

Pursuant to Section 191 of the *Business Corporations Act* (Alberta)

Shareholder’s right to dissent

191(1) Subject to sections 192 and 242, a holder of shares of any class of a corporation may dissent if the corporation resolves to

- (a) amend its articles under section 173 or 174 to add, change or remove any provisions restricting or constraining the issue or transfer of shares of that class,
- (b) amend its articles under section 173 to add, change or remove any restrictions on the business or businesses that the corporation may carry on,
- (b.1) amend its articles under section 173 to add or remove an express statement establishing the unlimited liability of shareholders as set out in section 15.2(1),
- (c) amalgamate with another corporation, otherwise than under section 184 or 187,
- (d) be continued under the laws of another jurisdiction under section 189, or
- (e) sell, lease or exchange all or substantially all its property under section 190.

(2) A holder of shares of any class or series of shares entitled to vote under section 176, other than section 176(1)(a), may dissent if the corporation resolves to amend its articles in a manner described in that section.

(3) In addition to any other right the shareholder may have, but subject to subsection (20), a shareholder entitled to dissent under this section and who complies with this section is entitled to be paid by the corporation the fair value of the shares held by the shareholder in respect of which the shareholder dissents, determined as of the close of business on the last business day before the day on which the resolution from which the shareholder dissents was adopted.

(4) A dissenting shareholder may only claim under this section with respect to all the shares of a class held by the shareholder or on behalf of any one beneficial owner and registered in the name of the dissenting shareholder.

(5) A dissenting shareholder shall send to the corporation a written objection to a resolution referred to in subsection (1) or (2)

- (a) at or before any Meeting of shareholders at which the resolution is to be voted on, or
- (b) if the corporation did not send notice to the shareholder of the purpose of the Meeting or of the shareholder’s right to dissent, within a reasonable time after the shareholder learns that the resolution was adopted and of the shareholder’s right to dissent.

(6) An application may be made to the Court after the adoption of a resolution referred to in subsection (1) or (2),

- (a) by the corporation, or
- (b) by a shareholder if the shareholder has sent an objection to the corporation under subsection (5),

to fix the fair value in accordance with subsection (3) of the shares of a shareholder who dissents under this section, or to fix the time at which a shareholder of an unlimited liability corporation who dissents under this section ceases to become liable for any new liability, act or default of the unlimited liability corporation.

(7) If an application is made under subsection (6), the corporation shall, unless the Court otherwise orders, send to each dissenting shareholder a written offer to pay the shareholder an amount considered by the directors to be the fair value of the shares.

(8) Unless the Court otherwise orders, an offer referred to in subsection (7) shall be sent to each dissenting shareholder

- (a) at least 10 days before the date on which the application is returnable, if the corporation is the applicant, or
- (b) within 10 days after the corporation is served with a copy of the application, if a shareholder is the applicant.

(9) Every offer made under subsection (7) shall

- (a) be made on the same terms, and
- (b) contain or be accompanied with a statement showing how the fair value was determined.

(10) A dissenting shareholder may make an agreement with the corporation for the purchase of the shareholder's shares by the corporation, in the amount of the corporation's offer under subsection (7) or otherwise, at any time before the Court pronounces an order fixing the fair value of the shares.

(11) A dissenting shareholder

- (a) is not required to give security for costs in respect of an application under subsection (6), and
- (b) except in special circumstances must not be required to pay the costs of the application or appraisal.

(12) In connection with an application under subsection (6), the Court may give directions for

- (a) joining as parties all dissenting shareholders whose shares have not been purchased by the corporation and for the representation of dissenting shareholders who, in the opinion of the Court, are in need of representation,
- (b) the trial of issues and interlocutory matters, including pleadings and questioning under Part 5 of the Alberta Rules of Court,
- (c) the payment to the shareholder of all or part of the sum offered by the corporation for the shares,
- (d) the deposit of the share certificates with the Court or with the corporation or its transfer agent,
- (e) the appointment and payment of independent appraisers, and the procedures to be followed by them,
- (f) the service of documents, and
- (g) the burden of proof on the parties.

(13) On an application under subsection (6), the Court shall make an order

- (a) fixing the fair value of the shares in accordance with subsection (3) of all dissenting shareholders who are parties to the application,

- (b) giving judgment in that amount against the corporation and in favour of each of those dissenting shareholders,
- (c) fixing the time within which the corporation must pay that amount to a shareholder, and
- (d) fixing the time at which a dissenting shareholder of an unlimited liability corporation ceases to become liable for any new liability, act or default of the unlimited liability corporation.

(14) On

- (a) the action approved by the resolution from which the shareholder dissents becoming effective,
- (b) the making of an agreement under subsection (10) between the corporation and the dissenting shareholder as to the payment to be made by the corporation for the shareholder's shares, whether by the acceptance of the corporation's offer under subsection (7) or otherwise, or
- (c) the pronouncement of an order under subsection (13),

whichever first occurs, the shareholder ceases to have any rights as a shareholder other than the right to be paid the fair value of the shareholder's shares in the amount agreed to between the corporation and the shareholder or in the amount of the judgment, as the case may be.

(15) Subsection (14)(a) does not apply to a shareholder referred to in subsection (5)(b).

(16) Until one of the events mentioned in subsection (14) occurs,

- (a) the shareholder may withdraw the shareholder's dissent, or
- (b) the corporation may rescind the resolution,

and in either event proceedings under this section shall be discontinued.

(17) The Court may in its discretion allow a reasonable rate of interest on the amount payable to each dissenting shareholder, from the date on which the shareholder ceases to have any rights as a shareholder by reason of subsection (14) until the date of payment.

(18) If subsection (20) applies, the corporation shall, within 10 days after

- (a) the pronouncement of an order under subsection (13), or
- (b) the making of an agreement between the shareholder and the corporation as to the payment to be made for the shareholder's shares,

notify each dissenting shareholder that it is unable lawfully to pay dissenting shareholders for their shares.

(19) Notwithstanding that a judgment has been given in favour of a dissenting shareholder under subsection (13)(b), if subsection (20) applies, the dissenting shareholder, by written notice delivered to the corporation within 30 days after receiving the notice under subsection (18), may withdraw the shareholder's notice of objection, in which case the corporation is deemed to consent to the withdrawal and the shareholder is reinstated to the shareholder's full rights as a shareholder, failing which the shareholder retains a status as a claimant against the corporation, to be paid as soon as the corporation is lawfully able to do so or, in a liquidation, to be ranked subordinate to the rights of creditors of the corporation but in priority to its shareholders.

(20) A corporation shall not make a payment to a dissenting shareholder under this section if there are reasonable grounds for believing that

- (a) the corporation is or would after the payment be unable to pay its liabilities as they become due, or
- (b) the realizable value of the corporation's assets would by reason of the payment be less than the aggregate of its liabilities.

12.3 Failure to elect or appoint directors

If:

- (a) the Company fails to hold an annual general meeting, and all the shareholders who are entitled to vote at an annual general meeting fail to pass the unanimous resolution contemplated by Article 7.2, on or before the date by which the annual general meeting is required to be held under the *Business Corporations Act*; or
- (b) the shareholders fail, at the annual general meeting or in the unanimous resolution contemplated by Article 7.2, to elect or appoint any directors;

then each director in office at such time continues to hold office until the earlier of:

- (c) the date on which his or her successor is elected or appointed; and
- (d) the date on which he or she otherwise ceases to hold office under the *Business Corporations Act* or these Articles.

12.4 Directors may fill casual vacancies

Any casual vacancy occurring in the board of directors may be filled by the remaining directors.

12.5 Remaining directors' power to act

The directors may act notwithstanding any vacancy in the board of directors, but if the Company has fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the directors may only act for the purpose of appointing directors up to that number or for the purpose of summoning a meeting of shareholders to fill any vacancies on the board of directors or for any other purpose permitted by the *Business Corporations Act*.

12.6 Shareholders may fill vacancies

If the Company has no directors or fewer directors in office than the number set pursuant to these Articles as the quorum of directors, and the directors have not filled the vacancies pursuant to Article 12.5 above, the shareholders may elect or appoint directors to fill any vacancies on the board of directors.

12.7 Additional directors

Notwithstanding Articles 11.1 and 11.2, between annual general meetings or unanimous resolutions contemplated by Article 7.2, the directors may appoint one or more additional directors, but the number of additional directors appointed under this Article 12.7 must not at any time exceed:

- (b) in any other case, one-third of the number of the current directors who were elected or appointed as directors other than under this Article 12.7.

Any director so appointed ceases to hold office immediately before the next election or appointment of directors under Article 12.1(a), but is eligible for re-election or re-appointment.

12.8 Ceasing to be a director

A director ceases to be a director when:

- (a) the term of office of the director expires;
- (b) the director dies;
- (c) the director resigns as a director by notice in writing provided to the Company or a lawyer for the Company; or
- (d) the director is removed from office pursuant to Articles 12.9 or 12.10.

12.9 Removal of director by shareholders

The Shareholders may, by special resolution, remove any director before the expiration of his or her term of office, and may, by ordinary resolution, elect or appoint a director to fill the resulting vacancy. If the shareholders do not contemporaneously elect or appoint a director to fill the vacancy created by the removal of a director, then the directors may appoint, or the shareholders may elect or appoint by ordinary resolution, a director to fill that vacancy.

12.10 Removal of director by directors

The directors may remove any director before the expiration of his or her term of office if the director is convicted of an indictable offence, or if the director ceases to be qualified to act as a director of a company and does not promptly resign, and the directors may appoint a director to fill the resulting vacancy.

NOTE: Article 12.11 is subject to separate approval by special resolution of the shareholders of the Company as set out in the Information Circular to which this Schedule B is attached. If the shareholders do not adopt the Advance Notice Provisions, Article 12.11 will not be included in the Company's Articles.

The number of Optioned Shares granted under the Plan cannot exceed the number of Plan Shares.

3.3 Eligibility. Options to purchase Common Shares may be granted hereunder to Eligible Persons from time to time by the Board. If and when the Company’s shares are listed on the TSXV, Eligible Persons that are corporate entities will be required to agree in writing not to effect or permit any transfer of ownership or option of any of its shares, nor issue more of its shares to any other individual or entity as long as such Options remain outstanding, unless the written permission of the TSXV and the Company is obtained. The Company represents that Eligible Persons who are granted Options will be bona fide Directors, Employees or Consultants of the Company or a subsidiary of the Company at the time of grant of such Options.

 - (b) Optionees Performing Investor Relations Activities. The aggregate number of Options granted to Eligible Persons engaged to provide Investor Relations Activities in a 12-month period must not exceed 2% of the issued Common Shares of the Company (determined as at the Grant Date) without the prior consent of TSXV.
 - (c) Consultants. The aggregate number of Options granted to any one Consultant in a 12-month period must not exceed 2% of the issued Common Shares of the Company (determined as at the Grant Date) without the prior consent of TSXV.
- 3.7 Options Not Exercised. In the event an Option granted under the Plan expires unexercised, is terminated or is otherwise lawfully cancelled prior to exercise of the Option, the Optioned Shares that were issuable thereunder will be returned to the Plan and will be available again for an Option grant under this Plan.
- 3.8 Acceleration of Unvested Options. If there is a Change of Control, then all outstanding Options, whether fully vested and exercisable or remaining subject to vesting provisions or other limitations on exercise, shall be exercisable in full to enable the Optioned Shares subject to such Options to be issued and tendered to such bid.
- 3.9 Powers of the Board.  - (b) grant Options hereunder;
 - (c) subject to appropriate shareholder and Regulatory Approval, amend, suspend, terminate or discontinue the Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Plan will, without the written consent of all Optionees, alter or impair any Option previously granted under the Plan unless as a result of a change in TSXV Policies or the Company’s tier classification thereunder;
 - (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and

thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and

- (e) may in its sole discretion amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Eligible Persons (before a particular Option is granted) subject to the other terms hereof.

3.10 Terms Requiring Disinterested Shareholder Approval. If the Common Shares are listed on the TSXV and if required by the TSXV Policies, the Company must obtain Disinterested Shareholder Approval of Options if the Options, together with any other Share Compensation Arrangement, could result at any time in:

- (a) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the issued Common Shares of the Company;

4. TERMS AND CONDITIONS OF OPTIONS

4.1 Exercise Price. The Board shall establish the Exercise Price at the time each Option is granted, subject to the following conditions:

- (a) if the Common Shares are listed on the TSXV, then the Exercise Price for the Options granted will not be less than the minimum prevailing price permitted by the TSXV Policies;
- (b) if the Common Shares are not listed, posted and trading on any stock exchange or quoted on any quotation system, then the Exercise Price for the Options granted will be determined by the Board at the time of granting;
- (c) if an option is granted within 90 days of a distribution by a prospectus by the Company, the exercise price will not be less than the price that is the greater of the minimum prevailing price permitted by TSXV policies and the per Share price paid by public investors for Shares acquired under the distribution by the prospectus, with the 90 day period beginning on the date a final receipt is issued for the prospectus; and

The Exercise Price shall be subject to adjustment in accordance with the provisions of Section 4.9.

4.2 Term of Option. The Board shall establish the Expiry Date for each Option at the time such Option is granted, subject to the following conditions:

- (a) the Option will expire upon the occurrence of any event set out in Section 4.8 and at the time period set out therein; and
- (b) the Expiry Date cannot be longer than the maximum exercise period as determined by the TSXV Policies, which is currently 10 years.

4.3 Automatic Extension of Term of Option. The Expiry Date will be automatically extended if the Expiry Date falls within a blackout period during which the Company prohibits Optionees from exercising their Options, provided that:

- (a) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the policies of the TSXV). For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any options will not be automatically extended in any circumstances;
- (b) the blackout period expires upon the general disclosure of the undisclosed Material Information and the expiry date of the affected options is extended to no later than ten (10) business days after the expiry of the blackout period; and
- (c) the automatic extension will not be permitted where the Optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.

4.4 Hold Period.

- (a) If required by applicable securities laws, any Optioned Shares will be subject to a hold period expiring on the date that is four months and a day after the Grant Date, and the certificates representing any Optioned Shares issued prior to the expiry of such hold period will bear a legend in substantially the following form:

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THE SECURITIES REPRESENTED HEREBY MUST NOT TRADE THE SECURITIES BEFORE *[INSERT THE DATE THAT IS FOUR MONTHS AND ONE DAY AFTER THE DATE OF GRANT]*”

- (b) If the Exercise Price of any Option granted hereunder is based on the Discounted Market Price (as defined in TSXV Policies) rather than the Market Price (as defined in TSXV Policies), all such Options and any Optioned Shares issuable upon exercise of such Options will be subject to a four month and one day hold period commencing on the Grant Date, and the certificates representing any Optioned Shares issued prior to the expiry of such hold period will bear a legend in substantially the following form:

“WITHOUT PRIOR WRITTEN APPROVAL OF THE TSX VENTURE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL *[INSERT THE DATE THAT IS 4 MONTHS AND ONE DAY AFTER THE DATE OF GRANT]*.”

4.5 Vesting of Options.

- (a) No Option shall be exercisable until it has vested. The Board shall establish a vesting period or periods at the time each Option is granted to Eligible Persons, provided that Options granted to Eligible Persons performing Investor Relations Activities are required to vest in stages over at least 12 months with no more than one quarter of the Options vesting in any three month period.

- (b) If no vesting schedule is specified at the time of grant and the Optionee is not performing Investor Relations Activities, the Option shall vest immediately.
- 4.6 Non Assignable. Subject to Section 4.9(e), all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.
- 4.7 Option Amendment.
- (a) Exercise Price. The Board may amend the Exercise Price of any Options provided that, subject to Section 4.1 and if the Common Shares are traded on the TSXV, the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of:
 - (i) the Grant Date;
 - (ii) the date the Company's shares commenced trading on the TSXV; or
 - (iii) the date of the last amendment of the Exercise Price.
 - (b) Disinterested Shareholder Approval. If the Common Shares are listed on the TSXV, any proposed reduction in the exercise price of Options for Optionees that are Insiders will be subject to TSXV Policies, including Disinterested Shareholder Approval.
 - (c) Term. The term of an Option cannot be extended so that the effective term of the Option exceeds ten (10) years in total, or such other period as prescribed by the TSXV Policies. If the Common Shares are traded on the TSXV, an option must be outstanding for at least one year before the Company can extend its term and the TSXV treats any extension of the length of the term of the Option as a grant of a new Option, which must comply with pricing and other requirements of this Plan.
 - (d) TSXV Approval. If the Common Shares of the Company are listed on the TSXV, any proposed amendment to the terms of an Option must be approved by the TSXV prior to the exercise of such Option as amended.
- 4.8 Termination of Option. Unless the Board determines otherwise, the Options will terminate in the following circumstances:
- (a) Termination of Services For Cause. If the engagement of the Optionee as a Director, Employee or Consultant is terminated for cause (as determined by common law), any Option granted hereunder to such Optionee shall terminate and cease to be exercisable immediately upon the Optionee ceasing to be a Director, Employee or Consultant by reason of termination for cause.
 - (b) Termination of Services Without Cause or Upon by Resignation. If the engagement of the Optionee as a Director, Employee or Consultant of the Company is terminated for any reason other than cause (as determined by common law), disability or death, or if such Director, Employee, or Consultant resigns, as the case may be, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the date of termination until the date that is the earlier of (i) the Expiry Date, and (ii) the date that is 90 days after the effective date of the Optionee ceasing to be a Director, Employee or Consultant for that other reason.
 - (c) Termination of Investor Relations Services. If the engagement of the Optionee as a Consultant performing Investor Relations services is terminated for any reason other than cause (as determined by common law), disability or death, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the date of termination until the date that is the earlier of (i) the Expiry Date, and (ii) the date that is 30 days after the

effective date of the Optionee ceasing to be a Director, Employee or Consultant for that other reason.

- (d) Death. If the Optionee dies, the Optionee's lawful personal representatives, heirs or executors may exercise any Option granted hereunder to the Optionee to the extent such Option was exercisable and had vested on the date of death until the earlier of (i) the Expiry Date, and (ii) one year after the date of death of such Optionee.
- (e) Disability. If the Optionee ceases to be an Eligible Person, due to his Disability, or, in the case of an Optionee that is a company, the Disability of the person who provides management or consulting services to the Company or to an Affiliate of the Company, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the Date of Disability until the earlier of (i) the Expiry Date, and (ii) the date that is one year after the Date of Disability.
- (f) Changes in Status of Eligible Person. If the Optionee ceases to be one type of Eligible Person but concurrently is or becomes one or more other type of Eligible Person, the Option will not terminate but will continue in full force and effect and the Optionee may exercise the Option until the earlier of (i) the Expiry Date, and (ii) the applicable date set forth in Sections 4.8(a) to 4.8(e) above where the Optionee ceases to be any type of Eligible Person. If the Optionee is an Employee, the Option will not be affected by any change of the Optionee's employment where the Optionee continues to be employed by the Company or an Affiliate of the Company.

4.9 Adjustment of the Number of Optioned Shares. The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) Following the date an Option is granted, the exercise price for and the number of Optioned Shares which are subject to an Option will be adjusted, with respect to the then unexercised portion thereof, in the events and in accordance with the provisions and rules set out in this Section 4.9, with the intent that the rights of Optionees under their Options are, to the extent possible, preserved and maintained notwithstanding the occurrence of such events. Any dispute that arises at any time with respect to any adjustment pursuant to such provisions and rules will be conclusively determined by the Board, and any such determination will be binding on the Company, the Optionee and all other affected parties.
- (b) If there is a change in the outstanding Common Shares by reason of any share consolidation or split, reclassification or other capital reorganization, or a stock dividend, arrangement, amalgamation, merger or combination, or any other change to, event affecting, exchange of or corporate change or transaction affecting the Common Shares, the Board shall make, as it shall deem advisable and subject to the requisite approval of the relevant regulatory authorities, appropriate substitution and/or adjustment in:
 - (i) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to this Plan;
 - (ii) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to any outstanding unexercised Options, and in the exercise price for such shares or other securities or property; and
 - (iii) the vesting of any Options, including the accelerated vesting thereof on conditions the Board deems advisable, and if the Company undertakes an arrangement or is amalgamated, merged or combined with another corporation, the Board shall make such provision for the protection of the rights of Optionees as it shall deem advisable.

- (c) If the outstanding Common Shares are changed into or exchanged for a different number of shares or into or for other securities of the Company or securities of another Company or entity, in a manner other than as specified in Section 4.9(b), then the Board, in its sole discretion, may make such adjustment to the securities to be issued pursuant to any exercise of the Option and the exercise price to be paid for each such security following such event as the Board in its sole and absolute discretion determines to be equitable to give effect to the principle described in Section 4.9(a), and such adjustments shall be effective and binding upon the Company and the Optionee for all purposes.
- (d) No adjustment provided in this Section 4.9 shall require the Company to issue a fractional share and the total adjustment with respect to each Option shall be limited accordingly.
- (e) The grant or existence of an Option shall not in any way limit or restrict the right or power of the Company to effect adjustments, reclassifications, reorganizations, arrangements or changes of its capital or business structure, or to amalgamate, merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

5. COMMITMENT AND EXERCISE PROCEDURES

- 5.1 Option Agreement. Upon grant of an Option hereunder, an authorized director or officer of the Company will deliver to the Optionee an Option Agreement detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.
- 5.2 Manner of Exercise. An Optionee who wishes to exercise his Option, in its entirety or any portion thereof, may do so by delivering:
 - (a) a Notice of Exercise to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and
 - (b) cash, a certified cheque or a bank draft payable to the Company for the aggregate Exercise Price for the Optioned Shares being acquired.
- 5.3 Subsequent Exercises. If an Optionee exercises only a portion of the total number of his Options, then the Optionee may, from time to time, subsequently exercise all or part of the remaining Options until the Expiry Date.
- 5.4 Delivery of Certificate and Hold Periods. As soon as practicable after receipt of the Notice of Exercise described in Section 5.2 and payment in full for the Optioned Shares being received by the Company, the Company will or will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws and TSXV Policies.
- 5.5 Withholding. The Company may withhold from any amount payable to an Optionee, either under this Plan or otherwise, such amount as it reasonably believes is necessary to enable the Company to comply with the applicable requirements of any federal, provincial, local or foreign law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to options (“**Withholding Obligations**”). The Company may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Company may determine in its discretion, by:
 - (a) requiring an Optionee, as a condition to the exercise of any Options, to make such arrangements as the Company may require so that the Company can satisfy such Withholding Obligations including, without limitation, requiring the Optionee to remit to the Company in advance, or reimburse the Company for, any such Withholding Obligations; or

- (b) selling on the Optionee's behalf, or requiring the Optionee to sell, any Optioned Shares acquired by the Optionee under the Plan, or retaining any amount which would otherwise be payable to the Optionee in connection with any such sale.

6. AMENDMENTS

- 6.1 Amendment of the Plan. The Board reserves the right, in its absolute discretion, to at any time amend, modify or terminate the Plan with respect to all Common Shares in respect of Options which have not yet been granted hereunder. Any amendment to any provision of the Plan will be subject to shareholder approval, if applicable, and any necessary Regulatory Approvals. If this Plan is suspended or terminated, the provisions of this Plan and any administrative guidelines, rules and regulations relating to this Plan shall continue in effect for the duration of such time as any Option remains outstanding.
- 6.2 Amendment of Outstanding Options. The Board may amend any Option with the consent of the affected Optionee and the TSXV, if required, including any shareholder approval required by the TSXV. For greater certainty, Disinterested Shareholder Approval is required by the TSXV for any reduction in the exercise price of an Option if the Participant is an Insider at the time of the proposed amendment.
- 6.3 Amendment Subject to Approval. If the amendment of an Option requires shareholder or Regulatory Approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

7. GENERAL

- 7.1 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement. If the Optionee retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Optioned Shares, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.
- 7.2 Employment and Services. Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.
- 7.3 No Rights as Shareholder. Nothing contained in this Plan nor in any Option granted thereunder shall be deemed to give any Optionee any interest or title in or to any Common Shares of the Company or any rights as a shareholder of the Company or any other legal or equitable right against the Company whatsoever other than as set forth in this Plan and pursuant to the exercise of any Option in accordance with the provisions of the Plan and the Option Agreement.
- 7.4 No Representation or Warranty. The Company makes no representation or warranty as to the future market value of Optioned Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Optioned Shares issuable thereunder or the tax consequences to a Optionee. Compliance with applicable securities laws as to the disclosure and resale obligations of each Optionee is the responsibility of such Optionee and not the Company.
- 7.5 Other Arrangements. Nothing contained herein shall prevent the Board from adopting other or additional compensation arrangements, subject to any required approval.
- 7.6 No Fettering of Discretion. The awarding of Options under this Plan is a matter to be determined solely in the discretion of the Board. This Plan shall not in any way fetter, limit, obligate, restrict or constrain the

Board with regard to the allotment or issue of any Common Shares or any other securities in the capital of the Company or any of its Affiliates other than as specifically provided for in this Plan.

 15. Other than in the event of death of the Optionee in which case the Options may be transferred or assigned by will or by the law governing the devolution of property to the Optionee's executor, administrator or other person representative, this Agreement shall not be transferable or assignable by the Optionee or his personal representative and the Options may be exercised only by the Optionee or his personal representative provided that, subject to the prior approval of the Board and, if necessary, any applicable stock exchange, the Optionee may assign the Options to a company of which all of the voting securities are beneficially owned by the Optionee, which ownership will continue for as long as any portion of the Options remain unexercised.

An officer of the Company is available to answer questions about the collection of personal information by the Company.

21. Neither this Agreement nor the Plan confers on the Optionee the right to continue in the employment of or association with the Company or any Affiliate of the Company, nor do they interfere in any way with the right of the Optionee or the Company or any Affiliate of the Company to terminate the Optionee's employment at any time.
22. Reference is made to the Plan for particulars of the rights and obligations of the Optionee and the Company in respect of the terms and conditions on which the Options are granted, all to the same effect as if the provisions of the Plan were set out in this Agreement and to all of which the Optionee assents.
23. The Company will give a copy of the Plan to the Optionee on request.

26. If at any time during the term of this Agreement the parties deem it necessary or expedient to make any alteration or addition to this Agreement, they may do so by means of a written agreement between them which shall be supplemental hereto and form part hereof and which shall be subject to Regulatory Approval if required.
27. Wherever the plural or masculine are used throughout this Agreement, the same shall be construed as meaning singular or feminine or neuter or the body politic or corporate where the context of the parties thereto require.
28. This Agreement may be executed in several parts in the same form and such parts as so executed shall together constitute one original agreement, and such parts, if more than one, shall be read together and construed as if all the signing parties hereto had executed one copy of this Agreement.
29. Delivery of an executed copy of this Agreement by electronic facsimile transmission or other means of electronic communication capable of producing a printed copy will be deemed to be execution and delivery of this Agreement as of the date first above written.

30. This Agreement shall be exclusively governed by and construed in accordance with the laws of the Province of British Columbia without giving effect to any choice or conflict of law provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction, and shall bind and inure to the benefit of the parties hereto and their respective successors and assigns.
