Disclaimer for Forward-Looking Information

Certain statements in this press release related to the proposed Financing are forward-looking statements and are prospective in nature. Forward-looking statements are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. These statements generally can be identified by the use of forward-looking words such as “may”, “should”, “will”, “could”, “intend”, “estimate”, “plan”, “anticipate”, “expect”, “believe” or “continue”, or the negative thereof or similar variations. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding the Company’s ability to complete the Financing and the use of proceeds thereof. Such forward-looking statements should therefore be construed in light of such factors, and the Company is not under any obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

The CSE has neither approved nor disapproved the information contained herein and does not accept responsibility for the adequacy or accuracy of this release.
