Forward-looking Statements.

Certain statements in this news release constitute "forward-looking" statements. These statements relate to future events or our future performance and, in certain cases, can be identified by the use of words such as "will", "shall", "could" occur, or the negative forms of any of these words and other similar expressions. Forward-looking statements include the expected closing of the New India Transaction. All such statements involve substantial known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to vary from those expressed or implied by such forward-looking statements. Forward-looking statements reflect current expectations regarding future events and operating performance and speak only as of the date of this news release. Forward-looking statements involve significant risks and uncertainties, they should not be read as guarantees of future performance or results, and they will not necessarily be accurate indications of whether or not such results will be achieved. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements, including, but not limited to, the closing conditions not being satisfied in the expected timeframe. Although the forward-looking statements contained in this news release are based upon what management of Gravitas believes are reasonable assumptions on the date of this news release, Gravitas cannot assure investors that actual results will be consistent with these forward-looking statements. These forward-looking statements are subject to certain risks and uncertainties and other risks detailed from time-to-time in Gravitas' ongoing filings with the securities regulatory authorities, which filings can be found at www.sedar.com. These forward-looking statements are made as of the date of this news release and Gravitas disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise, unless required by applicable securities laws.
