

RXT 110 Inc. Announces Settlement of Litigation

Toronto, Ontario (March 7, 2012) – RXT 110 INC. (CNSX:RXT) (the "Company") announced today that it has reached a binding settlement of the litigation against Donald Meade, Rx110 Inc., Rx100 Inc. and certain other persons and entities (the "Defendants") in respect of an intellectual property license granted by Rx110 Inc. to the Company. Pursuant to the terms of the settlement agreement, the Defendants have agreed to deliver to the Company 8,552,123 Class A shares for cancellation. Of this total, 3,113,926 Class A shares have been cancelled and the cancellation of the remaining shares is in process.

Additionally, the Company today announced that it has commenced legal proceedings against MVB Asset Management Inc. ("MVB") and certain of its principals for a declaration that a consulting agreement entered into with MVB in April 2011 is of no force or effect or alternatively, that MVB breached the terms of such agreement. The Company is seeking cancellation of options previously issued to certain principals of MVB and damages.

About RXT 110 Inc.

RXT 110 Inc.'s line of retail anti-microbial products will effectively kill mould, bacteria and fungi on contact and prevent re-growth. These products address the demand created by the mounting health and environmental concerns. Mould can affect the immune system, nervous system, liver, kidneys, blood and cause brain damage.

RXT will also manufacture and distribute RXT 110, an anti-microbial filler. Calcium Carbonate is one of the most common fillers used industrially. It is susceptible like other fillers that hold moisture to attracting mould. Annual global revenue in the calcium carbonate filler industry approximates 140 billion dollars. RXT 110 Inc. will produce anti-microbial filler that performs 'filling' and 'bulking' functions like calcium carbonate. RXT 110 does not attract moisture and consequently mould infestation. RXT filler with its anti-microbial high ph core in individual particles enhances commercial product life and eradicates a broad spectrum of known bacteria, fungi, algae and other micro - organisms by suppression of their reproduction.

Forward-Looking Information

This release may contain forward-looking statements information and statements which constitute "forward-looking information" under Canadian securities law and which may be material regarding, among other things, the Company's beliefs, plans, objectives, estimates, intentions and expectations with respect to its capital and funding plans. Inherent in the forward-looking information and statements are known and unknown risks, uncertainties and other factors beyond the Company's ability to control or predict, which give rise to the possibility that the Company's predictions, forecasts, expectations or conclusions will not prove to be accurate, that its assumptions may not be correct and that the Company's plans, objectives and statements will not be achieved. Actual results or developments may differ materially from those contemplated by the forward-looking information and statements. Consequently, undue reliance should not be placed on such forward-looking statements.

On behalf of the Board of Directors of RXT 110 Inc.

Bruce Lewis
Chairman
