1. No dividend at any time shall be declared, set aside or paid on the Class B preference shares;
2. In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets or property of the Corporation among shareholders for the purpose of winding up its affairs, the holders of the Class B preference shares shall be entitled to receive from the assets and property of the Corporation, a sum equivalent to the aggregate of the amount paid up on the Class B preference shares held by them respectively before any amount shall be paid on any property or assets of the Corporation distributed to the holders of any Class A shares, Class C shares or shares of any other class ranking junior to the Class B preference shares. After payment to the holders of the Class B preference shares of the amount so payable to them as above provided, they shall not be entitled to share in any further distribution of the assets or property of the Corporation;
3. The Class B preference shares shall be redeemable at any time at the option of the Corporation without the consent of the holders thereof on payment for each Class B preference share to be redeemed of the amount paid up thereon. In the case of redemption of Class B preference shares, the Corporation shall at least 30 days before the date specified for redemption, mail to each person who at the date of mailing is a registered holder of Class B preference shares to be redeemed, a notice in writing of the intention of the Corporation to redeem such Class B preference shares. From and after the date specified for redemption in any such notice, the holders thereof shall not be entitled to exercise any of the rights of Class B preference shareholders in respect thereof unless payment of the redemption price shall not be made upon presentation of certificates in accordance with the foregoing provisions, in which case the rights of the Class B preference shareholders shall remain unaffected. shares and any other shares of the Company ranking junior to the Class C preference shares as may be fixed as provided herein;

3. if any cumulative dividends or amounts payable on the return of capital in respect of a series of Class C preference shares are not paid in full, all series of Class C preference shares shall participate rateably in respect of such dividends and return of capital;

4. the Class C preference shares of any series may be made convertible into common shares at such rate and upon such basis as the directors in their discretion may determine; and
