April 15, 2013

Plus8 Global Ventures, Ltd. Commences Trading on the Canadian National Stock Exchange

NEW YORK, April 15, 2013 – Plus8 Global Ventures Ltd. (“Plus8 Global” or the “Company”) (CNSX: PGT), has received the approval to list its common shares on the Canadian National Stock Exchange (CNSX). Plus8 Global commenced trading on Monday, April 15, 2013, under the symbol “PGT”.

Plus8 Global was formed following the acquisition of TraderOS Technologies Inc. on August 22, 2012. On April 4, 2013, Plus8 Global completed a private placement of 960,000 common shares at a price of \$0.25 for gross proceeds of \$240,000, which brings the total equity raised since the acquisition of TraderOS Technologies Inc. to \$740,000. In addition, on March 26, 2013, the Company completed a convertible loan financing for gross proceeds of \$100,000. The loan is convertible, at the option of the Company, into common shares of the Company at a price of \$0.25.

Management Comment:

"We are very excited today about our decision to list on the CNSX", stated David Elias, CEO of Plus8 Global. "The CNSX's regulatory oversight and disclosure requirements give investors access to our company in a way that existing start-up corporate structures do not provide. As a public company, Plus8 Global now provides investors with the ability to directly invest in the type of early stage company that has traditionally been only available to venture capitalists. With over two decades of experience in trading, technology, and social marketing our team has the expertise to execute our plan to create innovative solutions for investors."

Shareholder Information:

Shareholders and potential investors can access Company information on the CNSX website and receive full Company disclosure monthly. About Plus8 Global Ventures, Ltd.

Plus8 Global is a financial products and services company that offers investors an innovative way to look at the financial markets. With dramatic advances in technology, mobile, and social connectivity the markets and the way people invest are changing rapidly. Plus8 Global is currently focused on the launch of Trader|OS, a RealTime social collaborative charting and communication platform for investors.

About CNSX

The CNSX was initially launched in 2003 as the Canadian Trading and Quotation System Inc. (CNQ). The CNQ established itself as an innovative stock exchange for the trading of equity securities of emerging companies. It provides companies with a low cost, streamlined stock exchange with an extremely high standard of disclosure. This model, combined with comprehensive regulatory oversight, is designed to meet the needs of emerging companies, their investors, and investment dealers. Effective November 6, 2008, the CNQ was re-launched as the CNSX to reflect its status as a full service, national stock exchange.

Forward Looking Information

Certain statements contained in this press release may constitute forward-looking statements, including, without limitation, anticipated developments in the Company's operations and the Company's ability to execute on its development plan. These forward-looking statements are not based on historical facts but rather on management's expectations regarding future growth, results of operations, performance, competitive advantages, business prospects and opportunities. Such forward-looking statements are subject to a number of risks, assumptions and uncertainties that could cause the Company's actual results to differ materially from those projected in such forward-looking statements. In particular, factors that could cause actual results to differ materially from those in forward looking statements include, the Company's inability to obtain additional financing on acceptable terms, risk that the Company's products and services will not gain widespread market acceptance; continued consumer adoption of digital technology, inability to compete with others who provide comparable products, the failure of the Company's technology, inability to respond to consumer and technological demands, inability to replace significant customers; and other risks detailed in the Company's public filings. Forward-looking statements speak only as of the date made and are not guarantees of future performance. The Company undertakes no obligation to publicly update or revise any forward-looking statements except as required by law.
