In addition to the “guaranteed” interest referenced above, in the Event of Default pursuant to Section 3.00(a), additional interest will accrue from the date of the Event of Default at the rate equal to the lower of 20% per annum or the highest rate permitted by law (the “**Default Rate**”).

The Company acknowledges and agrees the Exhibits are material provisions of this Note.

As an investment incentive, the Company shall issue to the Holder 300,000 Common Shares (the “**Origination Shares**”), which shares shall be issued and delivered to the Holder within 3 Trading Days of the Effective Date (which delivery shall be satisfied by electronic recordation of the issuance of such shares by the Company’s transfer agent).

The following terms and conditions shall apply to this Note:

Section 1.00 Repayment.

(a) The Company may pay this Note, in whole or in part, in cash or in other good funds, according to the following schedule:

Days Since Effective Date	Payment Amount
Under 30	110% of Principal Amount so paid
31-60	115% of Principal Amount so paid
61-90	120% of Principal Amount so paid
91-225	133% of Principal Amount so paid

(b) After 225 days from the Effective Date, the Company may not pay this Note, in whole or in part, in cash or in other good funds, without prior written consent from Holder, which consent may be withheld, delayed, denied, or conditioned in Holder’s sole and

absolute discretion. Whenever any amount expressed to be due by the terms of this Note is due on any day that is not a Business Day, the same shall instead be due on the next succeeding day that is a Business Day. Upon the occurrence of an Event of Default, the Company may not pay the Note, in whole or in part, in cash or in other good funds without written consent of the Holder, which consent may be withheld, delayed, denied, or conditioned in Holder's sole and absolute discretion. Further, the Company shall provide the Holder with two weeks' prior written notice of the Company's determination to pay any or all of its obligations hereunder. During such two-week period, the Holder may exercise any or all of its conversion rights hereunder. In the event that the Holder does not exercise its conversion rights in respect of any or all of such noticed, prospective payment, the Company shall tender the full amount set forth in such notice (less any amount in respect of which the Holder has exercised its conversion rights) to the Holder within 2 Business Days following the Holder's exercise (or notification to the Company of non-exercise) of the Holder's conversion rights in respect of the amount set forth in such notice. Any such payment by the Company in connection with this provision shall be deemed to have been made on the date that the Holder first receives the above-referenced notice.

Section 2.00 **Conversion.**

(a) **Conversion Right.** Subject to the terms hereof and restrictions and limitations contained herein, the Holder shall have the right, at the Holder's sole option, at any time and from time to time to convert in whole or in part the outstanding and unpaid Principal Amount under this Note into Common Shares as per the Fixed Conversion Price (or the Conversion Price in the event that the Note is not repaid, retired or fully-converted prior to the Maturity Date, as set forth in Section 3.00(c)), but not to exceed the Restricted Ownership Percentage, as defined in Section 2.00(f). The date of any conversion notice ("**Conversion Notice**") hereunder shall be referred to herein as the "**Conversion Date**".

(b) **Stock Certificates; Electronic Delivery.** The Company will deliver to the Holder, or Holder's authorized designee, no later than 2 Trading Days after the Conversion Date, a certificate or certificates (which certificate(s) shall be free of restrictive legends and trading restrictions if the Common Shares underlying the portion of the Note being converted are eligible under a resale exemption pursuant to Rule 144(b)(1)(ii), Rule 144(d)(1)(ii), Rule 904 of Regulation S or such other available registration exemption of the Securities Act of 1933, as amended) representing the number of Common Shares being acquired upon the conversion of this Note. In lieu of delivering physical certificates representing the Common Shares issuable upon conversion of this Note, providing that the conversion shares are eligible to be issued free of restrictive legend, and provided the Company's transfer agent is participating in Depository Trust Company's ("**DTC**") Fast Automated Securities Transfer ("**FAST**") program, the Company shall instead use commercially reasonable efforts to cause its transfer agent to electronically transmit such shares issuable upon conversion to the Holder (or its designee), by crediting the account of the Holder's (or such designee's) broker with DTC through either its Direct Registration System ("**DRS**") or Deposits and Withdrawal at Custodian ("**DWAC**") program (provided that the same time periods herein as for stock certificates shall apply).

(c) **Charges and Expenses.** Issuance of Common Shares to the Holder, or any of its assignees, upon the conversion of this Note shall be made without charge to the Holder for any issuance fee, transfer tax, legal opinion and related charges, postage/ mailing charge or any other expense with respect to the issuance of such Common Shares. Company shall pay all transfer agent fees incurred from the issuance of the Common Shares to Holder, as well as any

and all other fees and charges required by the transfer agent as a condition to effectuate such issuance. Any such fees or charges, as noted in this Section that are paid by the Holder (whether from the Company's delays, outright refusal to pay, or otherwise), will be automatically added to the Principal Sum of the Note then outstanding and tack back to the Effective Date for purposes of Rule 144 or Regulation S, as applicable.

(d) Delivery Timeline. If the Company fails to deliver to the Holder such certificate or certificates (or shares through the DRS or DWAC program) pursuant to this Section (free of any restrictions on transfer or legends, if eligible) prior to 3 Trading Days after the Conversion Date, the Company shall pay to the Holder as liquidated damages an amount equal to \$2,000 per day, until such certificate or certificates are delivered. The Company acknowledges that it would be extremely difficult or impracticable to determine the Holder's actual damages and costs resulting from a failure to deliver the Common Shares and the inclusion herein of any such additional amounts are the agreed upon liquidated damages representing a reasonable estimate of those damages and costs. Such liquidated damages will be automatically added to the Principal Sum of the Note and tack back to the Effective Date for purposes of Rule 144 or such available exemption from registration.

(e) Reservation of Underlying Securities. The Company covenants that it will at all times reserve and keep available for Holder, out of its authorized and unissued Common Shares solely for the purpose of issuance upon conversion of this Note, free from preemptive rights or any other actual contingent purchase rights of persons other than the Holder, two and one-half (2.5x) times the number of Common Shares as shall be issuable (taking into account the adjustments under this Section 2.00, but without regard to any ownership limitations contained herein) upon the conversion of this Note (consisting of the Principal Amount), under the formula in Section 3.00(c) below, to Common Shares (the "**Required Reserve**"). The Company covenants that all Common Shares that shall be issuable will, upon issue, be duly authorized, validly issued, fully-paid, non-assessable and freely-tradable (if eligible). If the amount of shares on reserve in Holder's name at the Company's transfer agent for this Note shall drop below the Required Reserve, the Company will, within 2 Trading Days of notification from Holder, instruct the transfer agent to increase the number of shares so that the Required Reserve is met. In the event that the Company does not instruct the transfer agent to increase the number of shares so that the Required Reserve is met, the Holder will be allowed, if applicable, to provide this instruction as per the terms of the Irrevocable Transfer Agent Instructions attached to this Note. Upon an Event of Default that is not cured within the applicable cure period, the Required Reserve shall immediately increase to 3.5x times the number of Common Shares as shall be issuable upon conversion of the then outstanding Principal Amount of the Note, under the formula set forth in Section 3.00(c), to Common Shares (the "**Adjusted Required Reserve**"). The Company agrees that the maintenance of the Required Reserve and Adjusted Required Reserve is a material term of this Note and any breach of this Section 2.00(e) will result in a default of the Note.

(f) Conversion Limitation. The Holder will not submit a conversion to the Company that would result in the Holder beneficially owning more than 9.99% of the then total outstanding shares of the Company ("**Restricted Ownership Percentage**").

(g) Conversion Delays. If the Company fails to deliver shares in accordance with the timeframe stated in Section 2.00(c), the Holder, at any time prior to selling all of those shares, may rescind any portion, in whole or in part, of that particular conversion attributable to

the unsold shares. The rescinded conversion amount will be returned to the Principal Sum then outstanding with the rescinded conversion shares returned to the Company, under the expectation that any returned conversion amounts will tack back to the Effective Date.

(h) Shorting and Hedging. Holder may not engage in any “shorting” or “hedging” transaction(s) in the Common Shares of the Company prior to conversion or at any time while any portion of the Principal Sum remains outstanding.

(i) Conversion Right Unconditional. If the Holder shall provide a Conversion Notice as provided herein, the Company's obligations to deliver Common Shares shall be absolute and unconditional, irrespective of any claim of setoff, counterclaim, recoupment, or alleged breach by the Holder of any obligation to the Company, subject to any court order by a court of competent jurisdiction.

Section 3.00 **Defaults and Remedies.**

(a) Events of Default. An “**Event of Default**” is: (i) a default in payment of any amount due hereunder; (ii) a default in the timely issuance of underlying shares upon and in accordance with terms of Section 2.00, which default continues for 2 Trading Days after the Company has failed to issue shares or deliver stock certificates within the 3rd Trading Day following the Conversion Date; (iii) if the Company does not issue the press release or file such necessary 8-K, material change report or other applicable report with either EDGAR or SEDAR, as applicable, in each case in accordance with the provisions and the deadlines referenced Section 5.00(i); (iv) failure by the Company for 3 Trading Days after notice has been received by the Company to comply with any material provision of this Note; (v) any representation or warranty of the Company in this Note that is found to have been incorrect in any material respect when made, including, without limitation, the Exhibits; (vi) failure of the Company to remain compliant with DTC, thus incurring a “chilled” status with DTC; (vii) any default of any mortgage, indenture or material instrument which may be issued, or by which there may be secured or evidenced any material indebtedness, for money borrowed by the Company or for money borrowed the repayment of which is guaranteed by the Company, whether such indebtedness or guarantee now exists or shall be created hereafter; (viii) if the Company is subject to any Bankruptcy Event; (ix) any material failure of the Company to satisfy (from and after the Effective Date) its continuous disclosure obligations pursuant to the requirements of the Securities Act (British Columbia) or, when applicable, the Securities Exchange Act of 1934, as amended (the “**1934 Act**”) and the rules and guidelines issued by OTC Markets News Service, OTCMarkets.com and their affiliates, in each case if and as applicable; (x) failure of the Company to remain in good standing under the laws of its state of domicile; (xi) any failure of the Company to provide the Holder with information related to its corporate structure including, but not limited to, the number of authorized and outstanding shares, public float, etc. within 1 Trading Day of request by Holder; (xii) failure by the Company to maintain the Required Reserve or Adjusted Required Reserve in accordance with the terms of Section 2.00(e); (xiii) failure of Company’s Common Shares to maintain a closing bid price in its Principal Market for more than 5 consecutive Trading Days; (xiv) any delisting from a Principal Market for any reason; (xv) failure by Company to pay any of its transfer agent fees in excess of \$2,000 or to maintain a transfer agent of record; (xvi) failure by Company to notify Holder of a change in transfer agent within 24 hours of such change; (xvii) any trading suspension imposed by the B.C. Securities Commission (the “**BCSC**”), or when applicable to the Company, the United States Securities and Exchange Commission (the “**SEC**”) under Sections 12(j) or 12(k) of the 1934 Act;

(xviii) failure by the Company to meet the requirements necessary to satisfy the availability of either Rule 904 of Regulation S, Rule 144A or Rule 144, as applicable, to the Holder or its assigns, including but not limited to the timely fulfillment of its filing requirements as a fully-reporting issuer registered with the BCSC or the SEC (when applicable), requirements for XBRL filings (if applicable), and requirements for disclosure of financial statements on its website (if applicable); (xix) failure of the Company to abide by the Use of Proceeds or failure of the Company to inform the Holder of a change in the Use of Proceeds; or (xx) failure of the Company to abide by the terms of the right of first refusal contained in Section 5.00(j).

(b) Remedies. If an Event of Default occurs, and remains uncured within the applicable cure period, then the outstanding Principal Amount of this Note then outstanding and owing in respect thereof through the date of acceleration, shall become, at the Holder's election, immediately due and payable in cash at the “**Mandatory Default Amount**”. The Mandatory Default Amount means 43% of the outstanding Principal Amount of this Note will be automatically added to the Principal Sum of the Note and tack back to the Effective Date for purposes of Rule 904 of Regulation S, Rule 144 or Rule 144A, as applicable. Commencing 5 days after the occurrence of any Event of Default that results in the eventual acceleration of this Note, this Note shall accrue additional interest, in addition to the Note’s “guaranteed” interest, at a rate equal to the lesser of 20% per annum or the maximum rate permitted under applicable law. In connection with such acceleration described herein, the Holder need not provide, and the Issuer hereby waives, any presentment, demand, protest or other notice of any kind, and the Holder may immediately and without expiration of any grace period enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such acceleration may be rescinded and annulled by the Holder at any time prior to payment hereunder and the Holder shall have all rights as a holder of the note until such time, if any, as the Holder receives full payment pursuant to this Section 3.00(b). No such rescission or annulment shall affect any subsequent event of default or impair any right consequent thereon. Nothing herein shall limit the Holder's right to pursue any other remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Issuer's failure to timely deliver certificates representing shares of Common Shares upon conversion of the Note as required pursuant to the terms hereof.

(c) Variable Conversion Price. If the Note is not retired on or before the Maturity Date, then at any time and from time to time after the Maturity Date, and subject to the terms hereof and restrictions and limitations contained herein, the Holder shall have the right, at the Holder's sole option, to convert in whole or in part the outstanding and unpaid Principal Amount under this Note into Common Shares at the Variable Conversion Price. The “**Variable Conversion Price**” (together with the Fixed Conversion Price, the “**Conversion Price**”) shall be equal to the lower of: (a) the Fixed Conversion Price or (b) 75% of the average of the two lowest volume weighted average price of the Company’s Common Shares during the 15 consecutive Trading Days prior to the date on which Holder elects to convert all or part of the Note. For the purpose of calculating the Variable Conversion Price only, any time after 4:00 pm Eastern Time (the closing time of the Principal Market) shall be considered to be the beginning of the next Business Day. If the Company is placed on “chilled” status with the DTC, the discount under this Section 3.00(c) shall be increased by 10%, *i.e.*, from 25% to 35%, until such chill is remedied. If the Company is not DRS or DWAC eligible through their transfer agent and DTC’s FAST system, the discount under this Section 3.00(c) will be increased by 5%, *i.e.*, from 25% to 30%. In the case of both, the discount under this Section 3.00(c) shall be a cumulative increase of 15%, *i.e.*, from 25% to 40%; provided, however, that any such adjustment to the Fixed

Conversion Price

contemplated in this Section 3.00(c) is subject to compliance with applicable Canadian securities laws and the policies and rules of the Canadian Securities Exchange or such other stock exchange on which the securities of the Company are principally traded.

Section 4.00 Representations and Warranties of Holder.

Holder hereby represents and warrants to the Company that:

Holder has carefully considered and has, to the extent Holder believes such discussion necessary, discussed with its professional, legal, tax and financial advisors, the suitability of an investment in the Securities for its particular tax and financial situation and its advisers, if such advisers were deemed necessary, and has determined that the Securities are a suitable investment for it. Holder has not been offered the Securities by any form of general solicitation or advertising, including, but not limited to, advertisements, articles, notices or other communications published in any newspaper, magazine, or other similar media or television or radio broadcast or any seminar or meeting where, to Holders’ knowledge, those individuals that have attended have been invited by any such or similar means of general solicitation or advertising. Holder has had an opportunity to ask questions of and receive satisfactory answers from the Company, or any person or persons acting on behalf of the Company, concerning the terms and conditions of the Securities and the Company, and all such questions have been answered to the full satisfaction of Holder. The Company has not supplied Holder any information regarding the Securities or an investment in the Securities other than as contained in this Agreement, and Holder is relying on its own investigation and evaluation of the Company and the Securities, including any public information which has been filed by the Company with any Canadian provincial securities commissions (the “**Public Record**”), and not on any other information and is aware that an investment in the Company is speculative and involves certain risks (including those risks disclosed in the Public Record). Holder agrees and acknowledges that in order for the Note or the underlying conversion shares to be resold, transferred, offered or pledged, there must be an available exemption from registration and, therefore, Holder covenants that it shall provide any certificates, documents and opinions as needed to avail itself of such applicable registration exemption and legend removal.

(b) The Holder is a limited liability company duly organized, validly existing and in good standing under the laws of the state of its incorporation and has all requisite corporate power and authority to carry on its business as now conducted. The Holder is duly qualified to transact business and is in good standing in each jurisdiction in which the failure to

The Holder agrees and acknowledges that the Company is and shall be subject to certain public company disclosure requirements imposed on the Company by law and/or Principal Market regulations, which shall require disclosure of the terms of this Note, the names of parties to it and certain other information related hereto, and such required disclosure by the Company shall, in no circumstance, be deemed or considered a default under or breach of this Note.

(j) Right of First Refusal. From and after the date of this Note and at all times

hereafter while the Note is outstanding, the Parties agree that, in the event that the Company receives any written or oral proposal (the “**Proposal**”) containing one or more offers to provide additional capital or equity or debt financing (the “**Financing Amount**”), and if the Company’s executive management and its board of directors either accept such Proposal or determine to negotiate such Proposal in contemplation of acceptance, then the Company agrees that it shall provide a copy of such written Proposal to the Holder and all amendments, revisions, and supplements thereto (the “**Proposal Documents**”) no later than 3 business days from the receipt and contemplated acceptance by the Board of the Proposal Documents. Following receipt of the Proposal Documents from the Company, the Holder shall have the right (the “**Right of First Refusal**”), but not the obligation, for a period of 5 business days thereafter (the “**Exercise Period**”), to invest, at similar or better terms to the Company, an amount equal to or greater than the Financing Amount, upon written notice to the Company that the Holder is exercising the Right of First Refusal provided hereby. In furtherance of the Right of First Refusal, the Company agrees that it will cooperate and assist the Holder in conducting a due diligence investigation of the Company and its corporate and financial affairs and promptly provide the Holder with information and documents that the Holder may reasonably request so as to allow the Holder to make an informed investment decision. However, the Company and the Holder agree that the Holder shall have no more than 5 business days from and after the expiration of the Exercise Period to exercise its Right of First Refusal hereunder and to provide a written counteroffer to the Company on the same or better terms. This Right of First Refusal shall extend to all purchases of debt held by, or assigned to or from, current stockholders, vendors, or creditors, all transactions, including, if applicable, under Sections 3(a)9 and/or 3(a)10 or the Securities Act of 1933, as amended, and all equity line-of-credit transactions, provided, however, the Right of First Refusal set forth herein shall not apply to any loans to the Company or purchases of securities by any directors of the Company, financing(s) by the Company involving a United States IPO transaction, syndicated, underwritten or best efforts registered transaction, including, but not limited to, a financing transaction to qualify for a listing on the Nasdaq Capital Market or OTC QB or QX markets; provided, however, the Holder shall have the option, but not the obligation, to participate in such transaction(s) by the Company while the Note remains outstanding. Other than for exempted issuances described herein, in the event that the Company does enter into, or makes any issuance of Common Shares related to a 3(a)(9) Transaction or a 3(a)(10) Transaction while this note is outstanding, without giving Right of First Refusal to the Holder, a liquidated damages charge of 25% of the outstanding principal balance of this Note, but not less than \$25,000 (if permissible in compliance with applicable law), will be assessed and will become immediately due and payable to the Holder at its election in the form of cash payment or addition to the balance of this Note. Such liquidated damages will be automatically added to the Principal Sum of the Note and tack back to the Effective Date for purposes of Rule 144A or Rule 144, as applicable.
