

BGX ANNOUNCES SHARE SPLIT

VANCOUVER, BC, February 26, 2025 – BGX – Black Gold Exploration Corp. (the "**Company**" or "**BGX**") (**CSE: BGX**) (**FRE: P30**) pleased to announce that its board of directors has approved a share split (the "**Split**") of the Company's issued and outstanding shares on the basis of one (1) pre-split common shares for every thirty (30) post-split common shares (the "**Split Ratio**"). The Company currently has 5,719,613 common shares outstanding and will have approximately 177,588,390 common shares outstanding after completion of the Split. Shareholders of record of the Company as of the close of business on the record date, March 3, 2025 (the "**Record Date**"), will receive twenty-nine (29) additional common shares for each common share held on such date.

The purpose of the Split is to increase the liquidity and marketability of the Company's common shares. The number and exercise price of outstanding restricted share units, stock options and warrants of the Company will similarly be adjusted in accordance with the Split Ratio.

The Canadian Securities Exchange (the "**CSE**") will publish a bulletin confirming the Split for the Company in due course. The Company's common shares are expected to begin trading on a post-Split basis on Monday, March 3, 2025.

Shareholders do not need to take any action with respect to the Split. As per CSE policy, the Split is being conducted on a "push-out" basis and therefore the Company's CUSIP number will remain the same. The Company's transfer agent, Endeavor Trust Corporation, will send holders of common shares as of the Record Date a DRS advice letter in lieu of a share certificate, which will represent the additional shares resulting from the Split.

The Split is subject to the acceptance of the CSE. The Company will not be changing its name or trading symbol in conjunction with the Split.

On behalf of the Company,
Francisco Gulisano
