

**TAIGA ATLAS FILES EARLY WARNING REPORT FILED PURSUANT TO  
NATIONAL INSTRUMENT 62-103**

**VALLETTA, Malta**, April 17, 2020 – Taiga Atlas plc ("Taiga"), a European investment holding company announces pursuant to the requirements of National Instrument 62-103 that its shareholdings in AMP German Cannabis Group Inc. ("AMP") has fallen below 10% after AMP completed a non-brokered private placement (the "Private Placement") on April 3, 2020.

Prior to completion of the Private Placement, Taiga owned 2,310,176 of the issued and outstanding shares of AMP, representing approximately 11.4% and 9.3% after completion of the Private Placement.

Taiga's investment in AMP is for investment purposes only. Taiga will review its investment on an ongoing basis and depending upon such factors may, from time to time, deem relevant, may, among other things, acquire additional or dispose securities of AMP.

The early warning report has been filed on the SEDAR website ([www.sedar.com](http://www.sedar.com)).
