Forward Looking Statements:

Certain statements contained in this news release may constitute forward-looking information, including statements relating to expectations regarding the future development of ScreenPro's business. Forward-looking information is often, but not always, identified by the use of words such as "anticipate", "plan", "estimate", "expect", "may", "will", "intend", "should", and similar expressions. Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking information. The actual results of ScreenPro could differ materially from those anticipated in this forward-looking information as a result of regulatory decisions, competitive factors in the industries in which ScreenPro operates, prevailing economic conditions, changes to ScreenPro's strategic growth plans, and other factors, many of which are beyond the control of ScreenPro. Management of ScreenPro believes that the expectations reflected in the forward-looking information herein are reasonable, but no assurance can be given that these expectations will prove to be correct and such forward-looking information should not be unduly relied upon. Any forward-looking information contained in this news release represents ScreenPro's expectations as of the date hereof and is subject to change after such date. ScreenPro disclaims any intention or obligation to update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required by applicable securities legislation.
