

ScreenPro Provides COVID-19 Travel Certificate for Passengers Travelling on Korean Air, a Member of SkyTeam

Toronto, Ontario--(Newsfile Corp. - May 10, 2021) - **ScreenPro Security Inc. (CSE: SCRN)** ("**ScreenPro**" or the "**Company**") is pleased to announce that it has started providing COVID-19 testing and screening with supporting travel documents for air passengers travelling on Korean Air Lines Co., Ltd., a founding member of SkyTeam, a global airline alliance established in 2000.

SkyTeam currently has 19 members and operates more than 15,445 flights each day to 1,036 cities in over 170 countries across the world. SkyTeam members are dedicated to delivering their passengers with safe, reliable, and comfortable journeys.

ScreenPro has partnered with travel agencies successfully assisting Korean Air passengers to secure the proof of negative COVID-19 test and related travel documents for the Company's polymerase chain reaction ("**PCR**") tests, as required for the international travel. The Company is poised to expand the services to air passengers flying with different carriers. The Company intends to focus on travel destinations for passengers flying to the United States, South Korea, the Caribbean, and the Middle East.

As international travel routes begin to reopen, all air passengers require reliable and timely COVID-19 testing, and ScreenPro, through its clinics in Vancouver and its concierge services, can provide the testing required, with travel documents delivered electronically, confirming PCR negative COVID-19 test results.

John McMullen, CEO of ScreenPro, commented, "As skies re-open and people begin to travel, it is important to give them the confidence in testing with reliable results. Our team of experienced nurses make the process seamless, with the timely testing results provided by our laboratory partners."

About ScreenPro

ScreenPro provides turnkey coronavirus screening solutions to the private sector including testing, track and tracing with GoStop alerting software. ScreenPro's unique access to multiple manufacturers of high quality South Korean test kits and its strategic partnership with Canvas Labs in Vancouver and Integrated Explorations in Ontario offers a complete solution for their clients. This platform allows ScreenPro to be a nationwide provider of a full-service testing solutions across Canada. In addition to providing test kits, ScreenPro has its own nursing professionals, and access to high quality PPE to ensure that its clients are protected in all aspects of their testing needs. GoStop's passport was developed with a privacy preserving approach that will enable individuals to use the alerting software and downloadable app with authentication certificates. The alerts can be scheduled on an on-demand, daily, weekly, or monthly basis and can be used also for vaccine scheduling.
