

ScreenPro's BC Lab is a Trusted Laboratory for Travel to Africa

Toronto, Ontario--(Newsfile Corp. - December 9, 2021) - **ScreenPro Security Inc. (CSE: SCRN) (OTCQB: SCRSE) ("ScreenPro" or the "Company")** is pleased to announce that its BC lab is now a trusted laboratory with Africa Centres for Disease Control and Prevention ("**Africa CDC**") for COVID-19 testing for travel to Africa and the only such lab in British Columbia.

Travellers to Africa shall produce evidence of a negative polymerase chain reaction ("**PCR**") COVID-19 test result. This test must have taken place within 72 hours of departure. Children under the age of five are exempt. For travellers, you can access info at the Africa CDC COVID-19 Trusted Travel Portal at www.africacdc.org/trusted-travel/.

This Trusted Travel Portal is a partnership with The Africa Union Commission and the Africa CDC, whose goal is to promote harmonized, standardized and coordinated entry and exit for travellers in Africa by providing access to information on travel restrictions and COVID-19 testing requirements for international travel.

Jean-Michel Dentinger, Laboratory Director commented, "We are very pleased to receive this accreditation from Africa CDC and we have already started processing travellers for Africa. With the many variants circulating globally, testing and contact tracing has become more important than before."

"With countries opening up its borders to fully vaccinated individuals, Canadian airports are getting busier with more passengers looking to travel by air, and we have seen a uptick in COVID-19 testing through both the clinic in Vancouver and through canvas," stated Lena Kozovski, CEO of ScreenPro Security.

About ScreenPro

ScreenPro is a Screening and Medical Technology company that provides turnkey screening solutions with its proprietary medical alerting software. ScreenPro's unique access to multiple manufacturers of high-quality test kits and its strategic partnership with labs in British Columbia, Ontario and Quebec allowing ScreenPro to be a full-service nationwide provider of COVID testing solutions across Canada. In addition, ScreenPro has its own medical doctor and nursing professionals along with on the ground support staff and transportation, as access to high quality PPEs to ensure that its clients are protected in all aspects of their testing needs. ScreenPro provides alerting software through its secure GoStop application that enables individuals to use the app for test screening results as well as provides automated identification codes for our laboratories and analytics to our clients on their testing cadence. Forward-Looking Statements:

Certain statements contained in this news release may constitute forward-looking information, including statements relating to expectations regarding the acquisition and business of Concierge Medical Consultants Inc. and the future development of ScreenPro's business. Forward-looking information is often, but not always, identified by the use of words such as "anticipate", "plan", "estimate", "expect", "may", "will", "intend", "should", and similar expressions. Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking information. The actual results of ScreenPro could differ materially from those anticipated in this forward-looking information as a result of regulatory decisions, competitive factors in the industries in which ScreenPro operates, prevailing economic conditions, changes to ScreenPro's strategic growth plans, and other factors, many of which are beyond the control of ScreenPro. Management of ScreenPro believes that the expectations reflected in the forward-looking information herein are reasonable, but no assurance can be given that these expectations will prove to be correct and such forward-looking information should not be unduly relied upon. Any forward-looking information contained in this news release represents ScreenPro's expectations as of the date hereof and is subject to change after such date. ScreenPro disclaims any intention or obligation to update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required by applicable securities legislation.
