

ScreenPro Announces Growth in Covid Testing

Toronto, Ontario--(Newsfile Corp. - March 21, 2022) - **ScreenPro Security Inc. (CSE: SCRN) (OTCQB: SCRSD) ("ScreenPro" or the "Company")** is pleased to announce that further to its press release of February 25th, 2022, the Company has received four (4) additional Covid testing contracts from well-know film production companies in Vancouver and Toronto.

Though the Covid environment is changing, testing is strong with a 50% increase in added productions compared to February and over 20% in weekly growth this month. The Company is now providing testing for a total of eleven (11) film production companies.

"We continue to have momentum with Covid testing within the film and production industry. With the additional film productions being added, we continue to build our brand and reputation within the industry," said Lena Kozovski, CEO of the Company.

About ScreenPro

ScreenPro is a Screening and Medical Technology company that provides turnkey screening solutions with its proprietary medical alerting software. ScreenPro's unique access to multiple manufacturers of high-quality test kits and its strategic partnership with labs in British Columbia, Ontario and Quebec allows ScreenPro to be a full-service nationwide provider of COVID testing solutions across Canada. In addition, ScreenPro has its own medical doctor and nursing professionals with on the ground support staff and transportation, with access to high quality PPEs to ensure that clients are protected in all aspects of their testing needs.

Forward Looking Statements:

Certain statements contained in this news release may constitute forward-looking information, including statements relating to expectations regarding the acquisition and business of Concierge Medical Consultants Inc. and the future development of ScreenPro's business. Forward-looking information is often, but not always, identified by the use of words such as "anticipate", "plan", "estimate", "expect", "may", "will", "intend", "should", and similar expressions. Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking information. The actual results of ScreenPro could differ materially from those anticipated in this forward-looking information as a result of regulatory decisions, competitive factors in the industries in which ScreenPro operates, prevailing economic conditions, changes to ScreenPro's strategic growth plans, and other factors, many of which are beyond the control of ScreenPro. Management of ScreenPro believes that the expectations reflected in the forward-looking information herein are reasonable, but no assurance can be given that these expectations will prove to be correct and such forward-looking information should not be unduly relied upon. Any forward-looking information contained in this news release represents ScreenPro's expectations as of the date hereof and is subject to change after such date. ScreenPro disclaims any intention or obligation to update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required by applicable securities legislation.
