

ScreenPro Provides COVID-19 Testing Updates

Toronto, Ontario--(Newsfile Corp. - October 11, 2022) - **ScreenPro Security Inc. (CSE: SCRN) (OTCQB: SCRSF) ("ScreenPro" or the "Company")** is pleased to announce that the Company is currently providing Covid-19 testing to eleven (11) film and production companies in Canada.

The Company's COVID-19 testing business is expected to maintain its demand due to the recent news of the Screen Actors Guild-American Federation of Television and Radio Artists ("**SAG-AFTRA**") that testing will remain in place as part of the COVID-19 safety & return to work agreement into 2023.

Additionally, Canada's COVID-19 Immunity Task Force suggests that infections rise in the colder seasons. Experts warn that Canadians are in the "Omicron era" which can fuel a higher demand in testing with stronger variants such as BQ.1/BQ1.11 and BA .2.75.2 expected to spread and cause a spike in cases. "With Covid-19 still lingering with on-going positive cases, testing is a necessity for the film and production industry. The Company is proud to do its part in aiding in the health and safety of the community and continue our relationship with the film and production industry. As film productions ramp up, the Company expects to see an increase in COVID-19 testing contracts due to steady demand," said Andrew Ryu, Chief Executive Officer and Chairman of the Company.
