# Justera Health Expands Presence with New IV Therapy Lounge in Vancouver

Toronto, Ontario--(Newsfile Corp. - June 7, 2023) - **Justera Health Ltd. (CSE: VTAL) (OTCQB: SCRSF) (formerly ScreenPro Security Inc.) ("Justera"** or the **"Company")** is pleased to announce the launch of its intravenous (IV) therapy lounge in Vancouver, now open to the public.

Leveraging its existing resources and clinic, the Company converted its COVID-19 screening clinic into an IV lounge, marking a strategic shift towards the health and wellness business. With the addition of highly skilled naturopathy doctors to the team, the Company is well-positioned to expand its footprint in the wellness market and enhances its patient care.

According to Grand View Research, the global intravenous (IV) hydration therapy market size was valued at \$2.32 billion USD in 2023 and is expected to grow at a compound annual growth rate of 7.97% from 2023 to 2030. The market growth is due to the rise in chronic diseases, the growing popularity of wellness and beauty treatments, and the increasing availability of IV hydration therapy clinics offering these services.

"The Company's recent focus has been on health and wellness services and products. This new expansion of converting our COVID-19 testing facility to an IV therapy clinic solidifies our dedication to reinventing the Company to more successful outcomes and furthers our position in the health and wellness industry as we continue our mission to improve the lives of individuals through advanced medical solutions," said Alex MacKay, Chief Executive Officer and Chairman of the Company.

### **About Justera Health**

Founded in 2020, Justera Health Ltd. is a health and wellness management company that provides Canadians with professional health and medical solutions. With a focus on medical services, Justera Health offers personalized health and wellness services such as IV vitamin therapy, personal home care, on-call urgent medical care, nutrition, and health screening services, such as COVID-19 testing. Our team of board-certified physicians and healthcare professionals bring years of expertise to provide knowledgeable and trustworthy solutions to improve patients' overall health outcomes.
