### NEWS RELEASE

#### DOUBLE DEUCE CLOSES NON-BROKERED PRIVATE PLACEMENT

December 13, 2024 – Double Deuce Exploration Corp. (**CSE: DD**) (the “**Company**” or “**Double Deuce**”) announces that further to the news release dated October 15, 2024, it has closed its non-brokered private placement (the “Private Placement”) issuing 3,888,889 units (the “Units”), at a price of \$0.09 per Unit for gross proceeds of approximately \$350,000. Each Unit is comprised of one common share in the authorized share structure of the Company (a “**Share**”) and one transferable common share purchase warrant (a “**Warrant**”). Each Warrant is exercisable to acquire one Share until December 13, 2026 at an exercise price of \$0.12 per Share in the first year and at a price of \$0.15 per Share in the second year.

Michael Dake, a director and officer of the Company, acquired 400,000 Units in the Private Placement. He is therefore a “related party” and his participation constituted a “related party transaction” as defined under Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). Such participation is exempt from the formal valuation and minority shareholder approval requirements in sections 5.5(a) and 5.7(1)(a), respectively, of MI 61-101 as neither the fair market value of the Units acquired by the related party, nor the fair market value of the consideration for the Units paid by such related party, exceed 25% of the Company’s market capitalization.

The Company intends to use the proceeds from the Private Placement for general working capital purposes.

All the securities issued in connection to the Private Placement are subject to a statutory hold period expiring April 14, 2025, in accordance with applicable Canadian securities laws.
