News Release

DOUBLE DEUCE EXPLORATION CORP. APPOINTS NEW CHIEF FINANCIAL OFFICER

January 21, 2025 – Double Deuce Exploration Corp. (CSE-DD) Double Deuce Exploration Corp. (the “Company”) is pleased to announce that Mr. Martin Nicoletti, CPA has been appointed as Chief Financial Officer effective as of January 21.

Mr. Martin Nicoletti CPA, is a Member of the Chartered Professional Accountant of Quebec and he holds a BA in Accounting from the University of Québec in Trois-Rivières. Mr. Nicoletti has over 35 years experience in the mining sector acting as Chief Financial Officer for a number of publicly traded mining companies over the years. He is presently the President of SKTM Financial Corporation Ltd, which provides mandates as Chief Financial Officer and Financial Controller for mining companies in addition to providing corporate finance and tax services. Most recently, Mr. Nicoletti served as CFO of Amex Exploration, Osisko Metals Incorporated (previously Bowmore Exploration Ltd) and Puma Exploration.

Micheal Dake, CEO, stated: “We are please to have Martin Nicoletti join our team with his wealth of experience in the mining sector and I would like to thank Sean McGrath for his services and wish him luck on his future endeavors”.

FOR FURTHER INFORMATION PLEASE CONTACT: Michael Dake, Chief Executive Officer, at

Suite 200 – 551 Howe Street, Vancouver, B.C. V6C 2C2 Email: mdake@shaw.ca

Certain statements in this release are forward-looking statements, which reflect assumptions related to certain factors including but not limited to, without limitations, exploration and development risks, expenditure and financing requirements, general economic conditions, changes in financial markets, the ability to properly and efficiently staff the Company’s operations, the sufficiency of working capital and funding for continued operations, title matters, First Nations relations, operating hazards, political and economic factors, competitive factors, metal prices, relationships with vendors and strategic partners, governmental regulations and supervision, permitting, seasonality and weather, technological change, industry practices, and one-time events. Additional risks are set out in the Company’s prospectus dated Sept. 13, 2019 and filed under the Company’s profile on SEDAR at www.sedar.com. Should any one or more risks or uncertainties materialize or change, or should any underlying assumptions prove incorrect, actual results and forward-looking statements may vary materially from those described herein. The Company does not undertake to update forward looking-looking statements or forward looking information, except as required by law.
