Message to Shareholders

“It is only by combing the information furnished by all the earth sciences that we can hope to determine ‘truth’, that is to say, to find the picture that sets out all the known facts in the best arrangement and that therefore has the highest degree of probability.” - Alfred L.

Wegener in ‘The Origins of Continents and Oceans’

Inverse probability also known as Bayes’ theorem expresses as an equation how the probable truth of a theorem should rationally change to account for evidence. $P(A)$ and $P(B)$ are the probabilities of A and B without regard to

$$P(A|B) = \frac{P(B|A) P(A)}{P(B)},$$

each other. $P(A|B)$, a conditional probability, is the probability of observing event A given that B is true. $P(B|A)$ is the probability of observing event B given that A is true.

Kimberlites were found near Darnley Bay intruding Paleozoic limestones and associated with a swarm of diabase dykes outside the Cretaceous basin that covers most of the Lena West region of the Northwest Territories. The Dharma kimberlite was subsequently found outside the basin cutting Proterozoic limestones. (See figure opposite)

Darnley Bay Resources theorised that the dykes are favourable for kimberlite intrusion, Darnley Bay and Talmora Diamond Inc. theorised that they follow a “zone of anomalous mantle” that is the northern extension of the Slave “corridor of hope” and should be equally favourable for discovery of a major diamond field, Diamondex Resources Ltd., Sanatana Diamond Inc. and De Beers Canada Inc. theorised that the whole Lena West region is a craton favourable for diamondiferous kimberlites, Diamondex theorised that diamonds in Yukon placers are from a major diamond field in the Lena West region and Talmora theorised that Eocene tropical weathering is preserved on the unglaciated Melville Hills and is partially preserved on their flanks.

Evidence indicates that the Lena West region is a craton [1], the probability of a major diamond field is greatest outside and east of the Cretaceous basin and is probably pre-Cretaceous [2] but is neither at Dharma or Darnley Bay [3, 4], and that it lies along the dyke swarm south of Darnley Bay [5] in an area of paleo-tropical weathering [6] where Talmora has focused exploration.

CORPORATE PROFILE

Talmora Diamond Inc. (“Talmora”) is a junior exploration company (formed by the amalgamation of Talmora Resources Inc. and Canadian Diamond Limited). Talmora holds 90 claims (56,026.80 acres) in the Horton River area south of Paulatuk in the Northwest Territories. The claims were acquired in 2007, 2009 and 2011 to cover magnetic anomalies that have characteristics of kimberlite pipes.

An orientation survey was carried out in 2004. Follow-up work in 2007 included an airborne magnetic survey, staking of magnetic anomalies and further sampling to outline drill targets. The 2007 work shows a close relation between kimberlite indicator minerals and magnetic anomalies with characteristics of kimberlite pipes.

Claims were again staked in 2009, on prospective ground that came open that year. The new claims were traversed with an airborne magnetometer and additional samples were collected. Additional claims were staked in 2011 on a permit due to lapse in January 2012 and samples were collected and spectrometer readings recorded in order to ground truth ASTER satellite images of the property.

Assessment work carried out in 2012 included sampling of surface tills and using a small Packsack drill to sample and test thickness of overburden above several magnetic anomalies with characteristics of kimberlite pipes. The drill penetrated through the glacial till to end in clay in three holes . Cuttings of the clay have chemical characteristics of weathered kimberlite and one hole carried anomalous numbers of kimberlite indicator minerals from a local source.

Talmora is currently focussed on securing financing to test the Horton River kimberlite targets with a larger drill.

(“**Talmora**” or the “**Corporation**”) to be held on Wednesday, June 21, 2017 at 11:00 a.m. (Toronto time) at offices of **Peterson McVicar LLP, 390 Bay Street, Suite 806, Toronto, Ontario, Ontario, M5H 2Y2**, and at any continuation thereof after an adjournment.

In this Circular, unless otherwise indicated, all dollar amounts “\$” are expressed in Canadian dollars.

The information contained herein is given as of May 17, 2017 except as otherwise stated.

SECTION I - VOTING INFORMATION

Solicitation of Proxies

The enclosed proxy is being solicited by or on behalf of the management of the Corporation. The mailing to Shareholders of this Circular will be on or about May 25, 2017. The cost of soliciting proxies will be borne by the Corporation. While most proxies will be solicited by mail only, regular employees of the Corporation may also solicit proxies by telephone or in person. Such employees will receive no additional compensation for these services other than their regular salaries, but will be reimbursed for their reasonable expenses.

The Corporation will provide proxy materials to brokers, custodians, nominees and fiduciaries and will request that such materials be promptly forwarded to the beneficial owners of Common Shares registered in the names of such brokers, custodians, nominees and fiduciaries. The Corporation will reimburse brokers, custodians, nominees and fiduciaries for their reasonable charges and expenses incurred in forwarding proxy materials to beneficial owners of Common Shares.

Voting Common Shares

The board of directors (the “**Board**”) of Talmora has fixed May 17, 2017 as the record date for the purpose of determining Shareholders entitled to receive notice of the Meeting (the “**Meeting Record Date**”).

The Corporation will prepare, no later than ten (10) days following the Meeting Record Date, a list of Shareholders entitled to vote as of the Meeting Record Date, showing the number of Common Shares held by each such Shareholder. Each person named on the list of Shareholders is entitled to one (1) vote for each Common Share held, except to the extent that: (i) the Shareholder has transferred any Common Shares after the Meeting Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes ownership of those Common Shares and requests not later than ten (10) days before the date of the Meeting that the transferee's name be included on such list before the Meeting, in which case the transferee is entitled to vote those Common Shares at the Meeting.

Registered Shareholders

Registered Shareholders are Shareholders whose Common Shares are held in their own name and they will have received a proxy form in their own name.

Non-Registered/Beneficial Shareholders

Beneficial Shareholders are Shareholders who do not hold their Common Shares in their own name, but rather in the name of a nominee - this could be a bank, trust company, securities broker or other financial institution (and is known as holding in “street form”).

If you are a non-registered Shareholder, there are two (2) ways you can vote your Common Shares held by your nominee. Your nominee is required to seek voting instructions from you in advance of the Meeting in accordance with securities laws, and so you will receive, or will have already received from your nominee, a request for voting instructions or a proxy form for the number of Common Shares you hold. Every nominee has its own mailing procedures and provides its own signing and return instructions. Therefore, please follow them in order to make sure that your Common Shares are voted.

Alternatively, if you wish to vote in person at the Meeting, please insert your own name in the space provided on the “Request for Voting Instructions” or proxy form to appoint yourself as proxyholder and follow the signing and return instructions of your nominee. Non-registered Shareholders who appoint themselves as proxyholders should, at the Meeting, present themselves to a representative of Computershare Investor Services Inc.

Appointment of Proxy Holders

The persons named in the enclosed form of proxy are directors and/or officers of Talmora. A Shareholder has the right to appoint some other person (who need not be a Shareholder) to attend and to act for and on behalf of such Shareholder at the Meeting. To exercise this right, the Shareholder must either insert the name of the desired person in the blank space provided in the proxy and strike out the other names or submit another proper form of proxy and, in either case, deliver the completed proxy by post or other form of delivery to Talmora Diamond Inc. at 6 Willowood Court, Toronto, Ontario, M2J 2M3, Fax: 416.499.5187 or to the transfer agent for the Common Shares, Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, Fax: 888.453.0330, in either case to be received not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof.

All Common Shares represented by a properly executed and deposited proxy will be voted or withheld from voting on the matters identified in the Notice of Meeting in accordance with the instructions of the Shareholder as specified thereon.

If you have appointed a person who was designated by Talmora to vote on your behalf as provided in the enclosed form of proxy and you do not provide any instructions concerning any matter identified in the Notice of Meeting, the Common Shares represented by such proxy will be voted:

- (1) FOR the election of the persons nominated for election as directors of Talmora;
- (2) FOR the re-appointment of McGovern, Hurley, Cunningham, LLP, Chartered Accountants, as auditors of Talmora and to authorize the Board to fix the remuneration of the auditors.

The enclosed form of proxy, when properly signed, confers discretionary authority on the person or persons named to vote on any amendment to matters identified in the Notice of Meeting and on any other matter properly coming before the Meeting. Management of the Corporation is not aware of any such matter; however, if such matter properly comes before the Meeting, the proxies will be voted at the discretion of the person or persons named therein. The persons named in the form of proxy are either officers or directors of Talmora.

Revocability of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (i) completing and signing a proxy bearing a later date and depositing it at the offices of the Corporation or Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1;

SECTION III - EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation's executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation's Chief Executive Officer, Chief Financial Officer, and, if applicable, its three most highly compensated individuals acting as, or in a like capacity as, executive officers of the Corporation whose total compensation for the most recently completed financial year was individually equal to more than \$150,000 (the "NEOs" or "Named Executive Officers"), during the Corporation's most recently complete financial year, being the financial year ended December 31, 2016 (the "**Last Financial Year**"). The only NEOs of the Corporation during the Last Financial Year were Raymond Davies, the President and Chief Executive Officer of the Corporation and Robert T. Owen, the Chief Financial Officer of the Corporation.

Report on Executive Compensation

The Compensation Committee of the Board considers compensation matters as and when required. The Compensation Committee reviews and submits recommendations to the Board with respect to the Corporation's executive compensation policies and the compensation paid to the Corporation's executive officers. The Compensation Committee also reviews the design and competitiveness of the Corporation's compensation and benefit programs generally and has the authority to recommend to the Board for its approval amendments to, and grants pursuant to, such programs.

Composition of the Compensation Committee

The Compensation Committee is composed of Joan E. Fiset (Chair), Richard M. Hogarth and Toby Strauss, all of whom are independent within the meaning of Canadian Securities Administrator's National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58-101”).

Compensation Philosophy

The Corporation's executive compensation policy is designed to provide for the enhancement of shareholder value, the successful implementation of the Corporation's business plans and a link between executive compensation and the financial performance of the Corporation.

The objectives of the Corporation's executive compensation policy are to:

- (a) attract, retain and motivate executives critical to the success of the Corporation;
- (b) provide fair, competitive and cost effective compensation programs to its executives;
- (c) link the interests of management with those of the Shareholders; and
- (d) provide rewards for outstanding corporate and individual performance.

The Compensation Committee reviews on an annual basis the cash compensation, performance and overall compensation package for each executive officer. It then submits recommendations to the Board with respect to the basic salary, bonus and participation in long-term incentive plans for each executive officer.

Basic Salary

In determining the basic salary of an executive officer, the Compensation Committee places equal weight on the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by comparable businesses;
- (c) the experience level of the executive officer; and
- (d) his or her overall performance.

Bonus Payments

Executive officers are eligible for annual cash bonuses, after taking into account and giving equal weight to, financial performance, attainment of certain corporate objectives and individual performance.

In taking into account the financial performance aspect, it is recognized that executive officers cannot control certain factors, such as interest rates and the international market for precious metals. When applying the financial performance criteria, the Compensation Committee considers factors over which the executive officers can exercise control, such as meeting budget targets established by the Board of Directors at the beginning of each year, controlling costs, taking successful advantage of business

opportunities and enhancing the competitive and business prospects of the Corporation. There are no pre-established payout ranges.

No bonuses were awarded to the officers of the Corporation during the Last Financial Year.

Long-Term Incentives

The grant of options pursuant to the Corporation's incentive stock option plan is an integral component of the compensation arrangements of the senior officers of the Corporation. The Board believes that the grant of options to senior officers and Common Share ownership by such officers serves to motivate such officers to strive towards achievement of the Corporation's long-term strategic objectives, which will benefit all Shareholders. Options are awarded to employees of the Corporation by the Board, based on the recommendations of the Compensation Committee. Decisions with respect to options granted are based upon the individual's level of responsibility and their contribution towards the Corporation's goals and objectives, and additionally may be awarded in recognition of the achievement of a particular goal or extraordinary service. The Board considers the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of options and the size of such grants.

During the Last Financial Year, the Board granted 2,300,000 options on December 16, 2016.

As of the date hereof, the Board has not adopted a cash compensation program for its directors with respect to general director's duties, meeting attendance, or for additional service on Board committees. Stock Option Plan

The Board adopted the 2013 Stock Option Plan in accordance with the requirements of the Canadian National Stock Exchange. See “*Section II – Business of the Meeting – Stock Option Plan Approval*”.

The 2013 Stock Option Plan is administered by the Board, with the Compensation Committee having been designated by the Board to administer it. The Compensation Committee has full and complete authority to interpret the Stock Option Plan, to prescribe such rules and regulations as it deems necessary for the proper administration of the Stock Option Plan and to make such determinations and to take such actions in connection therewith as it deems necessary or advisable.

SECTION V – STATEMENT OF CORPORATE GOVERNANCE

Talmora believes that good corporate governance is an essential element in a well-managed company. The following is a description of the Corporation's corporate governance practices.

Board of Directors

The duties and responsibilities of the Board are:

- to supervise the management of the business and affairs of the Corporation; and
- to act with a view towards the best interests of the Corporation.

In discharging its mandate, the Board is responsible for the oversight and review of the development of, among other things, the following matters:

- the strategic planning process of the Corporation;
- identifying the principal risks of the Corporation's business and ensuring the implementation of appropriate systems to manage these risks;
- succession planning, including appointing, training and monitoring senior management;
- a communications policy for the Corporation to facilitate communications with investors and other interested parties; and
- the integrity of the Corporation's internal control and management information systems.

The Board also has the mandate to assess the effectiveness of the Board as a whole, its committees and the contribution of individual directors.

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board is currently comprised of four (4) directors being Raymond Davies, Richard Hogarth, Joan Fiset and Toby Strauss. Messrs. Hogarth and Strauss, and Ms. Fiset, are independent within the meaning of NI 58-101. Mr. Davies is not independent as he is an officer of the Corporation and thereby has a “material relationship” with the Corporation.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Policy 58-201 – *Corporate Governance Guidelines*, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance. In the Last Financial Year, the Board met four (4) times.

Other Public Company Directorships

The following members of the Board of Directors currently hold directorships in other reporting issuers as set forth below:

<u>Name of Director</u>	<u>Name of Reporting Issuer</u>	<u>Market</u>
Raymond Davies	Ditem Exploration Inc	TSXV

Orientation and Continuing Education

The Board, together with the Nominating and Corporate Governance Committee (the “**Nominating Committee**”) is responsible for providing a comprehensive orientation and education program for new directors which fully sets out:

- the role of the Board and its committees;
- the nature and operation of the business of the Corporation; and
- the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments.

In addition, the Board, together with the Nominating Committee, is also responsible for providing continuing education opportunities to existing directors so that individual directors can maintain and enhance their abilities and ensure that their knowledge of the business of the Corporation remains current.

Ethical Business Conduct

The Board encourages and promotes a culture of ethical business conduct amongst the directors, officers and employees of the Corporation.

In addition to those matters which, by law, must be approved by the Board, the approval of the Board is required for:

- the Corporation's annual business plan and budget;
- material transactions not in the ordinary course of business; and
- transactions which are outside of the Corporation's existing business.

To ensure the directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest, all such matters are considered and approved by the independent directors. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

Nomination of Directors

The Nominating Committee holds the responsibility for the appointment and assessment of directors.

The Nominating Committee seeks to achieve a balance of knowledge, experience and capability among the members of the Board. When considering candidates for director, the Nominating Committee takes into account a number of factors, including the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- Personal qualities and characteristics, accomplishments and reputation in the business community;
- Current knowledge and contacts in the countries and/or communities in which the Corporation does business and in the Corporation's industry sectors or other industries relevant to the Corporation's business; and
- Ability and willingness to commit adequate time to Board and committee matters, and be responsive to the needs of the Corporation.

The Board will periodically assess the appropriate number of directors on the Board and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, or the size of the Board is expanded, the Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating Committee through current directors or management, stockholders or other persons. These candidates will be evaluated at regular or special meeting of the Nominating Committee, and may be considered at any point during the year.

Compensation

The Compensation Committee assists the Board in its oversight role with respect to (i) the Corporation's human resource strategy, policies and programs, and (ii) all matters relating to the proper utilization of human resources within the Corporation, with special focus on management succession, development and compensation.

The Compensation Committee:

- reviews and makes recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans including the Plan and grants and benefit plans;
- has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention;
- reviews and approves at least annually all compensation arrangements with the senior executives of the Corporation;
- reviews and approves at least annually all compensation arrangements with the directors of the Corporation; and
- reviews the executive compensation sections disclosed in annual management proxy circular distributed to the shareholders in respect of the Corporation's annual meetings of shareholders.

Other Board Committees

In addition to the Audit Committee, the Compensation Committee and the Nominating Committee, the Board has an Occupational Health & Safety Committee.

The Occupational Health & Safety Committee is responsible for reviewing environmental and occupational health and safety policies and programs, overseeing the Corporation's occupational health and safety performance, and monitoring current, as well as future, regulatory issues.

Assessments

The Board does not consider formal assessments useful given the stage of the Corporation's business and operations. However, the chairman of the Board meets annually with each director individually, which facilitates a discussion of his contribution and that of other directors. When needed, time is set aside at a meeting of the Board for a discussion regarding the effectiveness of the Board and its committees. If appropriate, the Board then considers procedural or substantive changes to increase the effectiveness of the Board and its committees. On an informal basis, the chairman of the Board is also responsible for reporting to the Board on areas where improvements can be made. Any agreed upon improvements required to be made are implemented and overseen by the Nominating Committee. A more formal assessment process will be instituted as, if, and when the Board considers it to be necessary.

10. DEATH OF OPTIONEE

In the event of the death of an optionee during the currency of the optionee's option, the option theretofore granted to the optionee shall be exercisable within, but only within, the period of one year next succeeding the optionee's death. - (b) a third party makes a bona fide formal offer or proposal to Talmora or its shareholders which, if accepted, would constitute an Acceleration Event;

Talmora shall notify the optionee in writing of such transaction, offer or proposal as soon as practicable and, provided that the board of directors or Committee, as applicable, has determined that no adjustment shall be made pursuant to section 12 hereof, (i) the board of directors or Committee, as applicable, may permit the optionee to exercise the option granted under this Plan, as to all or any of the optioned shares in respect of which such option has not previously been exercised (regardless of any vesting restrictions),

- (b) any consolidation or merger of Talmora in which Talmora is not the continuing or surviving corporation or pursuant to which shares of Talmora would be converted into cash, securities or other property, other than a merger of Talmora in which shareholders immediately prior to the merger have the same proportionate ownership of stock of the surviving corporation immediately after the merger;
- (c) any sale, lease exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of Talmora; or
- (d) the approval by the shareholders of Talmora of any plan of liquidation or dissolution of Talmora.

19. RIGHTS PRIOR TO EXERCISE

An optionee shall have no rights whatsoever as a shareholder in respect of any of the optioned shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of optioned shares in respect of which the optionee shall have exercised the option to purchase hereunder and which the optionee shall have actually taken up and paid for.

20. GOVERNING LAW

This Plan shall be construed in accordance with and be governed by the laws of the Province of Ontario and shall be deemed to have been made in said Province, and shall be in accordance with all applicable securities laws.

21. EXPIRY OF OPTION

On the expiry date of any option granted under the Plan, and subject to any extension of such expiry date permitted in accordance with the Plan, such option hereby granted shall forthwith expire and terminate and be of no further force or effect whatsoever as to such of the optioned shares in respect of which the option has not been exercised.
