

C21 Investments Provides MCTO Status Update

Vancouver, British Columbia--(Newsfile Corp. - August 4, 2022) - C21 Investments Inc. (CSE: **CXXI**) (OTCQX: **CXXIF**) ("**C21**" or the "**Company**"), a vertically integrated cannabis company, is providing a default status report in accordance with the alternative information guidelines set out in National Policy 12-203 - *Management Cease Trade Orders* ("**NP 12-203**").

As previously announced on May 30, 2022 (the "**Announcement**"), the Company applied for a management cease trade order ("**MCTO**") from the British Columbia Securities Commission (the "**BCSC**") due to an expected delay in filing of the audited consolidated financial statement for the year ended January 31, 2022, annual management's discussion and analysis for the same period and management certifications of annual filings (collectively, the "**Annual Filings**") beyond the deadline of May 31, 2022 prescribed by Canadian securities laws. The MCTO was granted by the BCSC on June 1, 2022. The MCTO prohibits the Company's management from trading in the securities of the Company until such time as the Annual Filings are filed. The MCTO does not affect the ability of any other shareholders of the Company to trade securities of the Company.

C21 advises that there has been no change to the unaudited operational results (Sales, cost of sales, gross profit, expenses, income from operations) year end reported in the June 9, 2022 news release. C21 and its auditors continue to work diligently toward completing the Annual Filings as soon as possible. The ongoing auditor review is primarily addressing non-operational derivative accounting and certain other non-cash items for restatement of previous periods. Upon completion of the auditor's internal review process, the Annual Filings will be filed on SEDAR (www.sedar.com).

The Company confirms that since the date of the Announcement: (i) there has been no material change to the information set out in the Announcement that has not been generally disclosed; (ii) the Company is satisfying and confirms that it intends to continue to satisfy the provisions of the "alternative information guidelines" under NP 12-203 and issue bi-weekly default status reports for so long as the delay in filing the Annual Filings is continuing, each of which will be issued in the form of a news release; (iii) there has not been any other specified default by the Company under NP 12-203; (iv) the Company is not subject to any insolvency proceedings; and (v) there is no material information concerning the affairs of the Company that has not been generally disclosed.

Update on Interim Financials

As a result of the delay in filing the Annual Filings, the Company also announces that the filing of its unaudited interim financial statements for the three-months ended April 30, 2022, the management's discussion and analysis for the same period and management certifications of interim filings (collectively, the "**Interim Filings**"), has been delayed beyond the filing deadline of June 29, 2022. The Company is working to complete the Interim Filings as soon as possible and expects the Interim Filings to be filed following the Company's filing of the Annual Filings.
