PART 1 – VOTING

HOW A VOTE IS PASSED

All matters that will come to a vote at the Meeting, as described in the attached Notice of Meeting, are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favor, then the resolution is approved (an “ordinary resolution”) unless the motion requires a special resolution in which case 2/3 of the votes cast will be required (a “special resolution”).

WHO CAN VOTE?

If you are a registered shareholder of AAN Ventures Inc. as at April 15, 2016, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a Company, a duly authorized officer of the Company may attend on its behalf, but documentation indicating the officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxy holder to vote in accordance with your instructions (see “*VOTING BY PROXY*” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “*BENEFICIAL SHAREHOLDERS*”, below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, the Company invites you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by voting over the internet or via the telephone (*see proxy for instructions*) or by appointing someone who will be there to act as your proxy holder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

WHAT IS A PROXY?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. A form of proxy or VIF is enclosed with this Information Circular. You should use it to appoint a proxy holder, although you can also use any other legal form of proxy.

In order to be valid, you must return the completed form to AAN Ventures' transfer agent, Computershare by fax at 604-661-9401 or by mail to Proxy Department, 3rd Floor, 510 Burrard Street Vancouver, BC V6C 3B9 not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof. You may also vote online as set out in the form.

APPOINTING A PROXYHOLDER

You can choose any individual to be your proxy holder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxy holder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy will be deemed to be appointed to act as your proxy holder. Such persons are directors and/or officers or other representatives of AAN Ventures (the "**Management Proxy holders**").

INSTRUCTING YOUR PROXY

You may indicate on your form of proxy how you wish your proxy holder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxy holder must vote your shares according to your instructions.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxy holder can vote your shares as he or she thinks fit.

At the time of printing this Information Circular, the management of AAN Ventures is not aware of any other matters to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

If you have appointed the Management Proxy holders as your proxy holder, they will, unless you give contrary instructions, vote your shares at the Meeting as follows:

FOR the election of the proposed nominees as directors;

FOR the appointment of Dale Matheson Carr-Hilton Labonte, LLP, Chartered Accountants, as the auditor of AAN Ventures;

FOR the resolution to authorize the directors to fix the remuneration to be paid to the auditor;

FOR the adoption of the Stock Option Plan;

FOR the consolidation resolution;

FOR other business.

REVOKING YOUR PROXY IF YOU CHANGE YOUR MIND

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by

- (a) attending the Meeting and voting in person;
- (b) signing a proxy bearing a later date;
- (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to AAN Ventures at 8338-120th Street, Surrey, B.C., V3W 3N4; or

(d) any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person.

Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must, at least 7 days before the Meeting, arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent Computershare by fax at 604-661-9401 or by mail to Proxy Department, 3rd Floor, 510 Burrard Street Vancouver, BC V6C 3B9 not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) of the Meeting or by voting online as set out in the form.

BENEFICIAL SHAREHOLDERS

The following information is of significant importance to shareholders who do not hold common shares in their own name.

Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common shares) or as set out in the following disclosure.

If Common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common shares will not be registered in the shareholder's name on the records of the Company. Such Common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an “intermediary”). In the United States, the vast majority of such Common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called “OBOs” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called “NOBOs” for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 “Communication with Beneficial Owners of Securities of a Reporting Issuer” that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (“VIF”). These VIFs are to be completed and returned to Computershare (“Computershare”) in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.”

These security holder materials are being sent to owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly [except for OBOs] the Company has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified on the Proxy or VIF you receive.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common shares are voted at the Meeting

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy. The VIF will name the same persons as the Company's Proxy to represent your Common shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common shares to be represented at the Meeting and the appointment of any shareholder's representative.

If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common shares voted or to have an alternate representative duly appointed to attend and to vote your Common shares at the Meeting.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

OUTSTANDING AAN VENTURES SHARES

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares. Each shareholder is entitled to one vote per share registered in his or her name. The order was issued for failure to file financial statements; this order was revoked on February 26, 2013 when the required statements were filed

CONFLICTS OF INTEREST

The directors of the Company are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a Conflict of interest arises at a meeting of the board of directors, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, that directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time.

Except as disclosed in this Information Circular, to the best of the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management may from time to time serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of those other companies.

During the financial year ended September 30, 2015, Dale Matheson Carr-Hilton Labonte, LLP. Chartered Accountants, 1500-1140 West Hastings Street, Vancouver, BC V6E 4G1, served as the Company's auditor.

The Company's management recommends that shareholders vote in favor of the re-appointment of Dale Matheson Carr-Hilton Labonte, LLP, Chartered Accountants as the Company's auditor for the ensuing year and in favor of granting the Board of Directors the authority to determine the remuneration to be paid to the auditor.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Dale, Matheson, Carr-Hilton Labonte, LLP, Chartered Accountants as the auditor of the Company until the close of the next annual meeting and also intend to vote FOR the proposed resolution to authorize the Board of Directors to fix the remuneration to be paid to the auditor.

APPROVAL OF STOCK OPTION PLAN

Management is seeking shareholder approval for the adoption of the stock option plan (the “Stock Option Plan”) and the approval of the number of shares reserved for issuance under the Stock Option Plan in accordance with and subject to the rules and policies of the Canadian Securities Exchange (the “CSE” or the “Exchange”). The Board of Directors of the Company has established an incentive stock option plan (the “Stock Option Plan”) reserving a rolling 10% of the issued and outstanding shares of the Company from time to time. The purpose of the Stock Option Plan is to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Company and reduce the cash compensation the Company would otherwise have to pay.

TERMS OF THE STOCK OPTION PLAN

A full copy of the Stock Option Plan is available upon request for review by shareholders. Shareholders may also obtain copies of the Stock Option Plan from the Company prior to the meeting on written request. The following is a summary of the material terms of the Stock Option Plan:

Number of Shares Reserved. The number of common shares which may be issued pursuant to options granted under the Stock Option Plan (including all options granted by the Company prior to the adoption of the Stock Option Plan) shall equal 10% of the issued and outstanding shares of the Company from time to time at the date of grant.

Maximum Term of Options. The term of any options granted under the Stock Option Plan is fixed by the Board of Directors and may not exceed five years from the date of grant. The options are non-assignable and non-transferable.

Exercise Price. The exercise price of options granted under the Stock Option Plan is determined by the Board of Directors, provided that it is not less than the price permitted by the CSE, or, if the shares are no longer listed on the CSE, then such other exchange or quotation system on which the shares are listed or quoted for trading.

Amendment. The terms of an option may not be amended once issued under CSE requirements. If an option is cancelled prior to the expiry date, the Company shall not grant new options to the same person until 30 days have elapsed from the date of cancellation.

Vesting. Vesting, if any, and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time and in accordance with CSE requirements.

Termination. Any options granted pursuant to the Stock Option Plan will terminate generally within 90 days of the option holder ceasing to act as a director, officer, or employee of the Company or any of its affiliates, and within generally 30 days of the option holder ceasing to act as an employee engaged in investor relations activities, unless such cessation is on account of death. If such cessation is on account of death, the options terminate on the first anniversary of such cessation. If such cessation is on account of cause, or terminated by regulatory sanction or by reason of judicial order, the options terminate immediately. Options that have been cancelled or that have expired without having been exercised shall continue to be issuable under the Stock Option Plan. The Stock Option Plan also provides for adjustments to outstanding options in the event of any consolidation, subdivision, conversion or exchange of Company’s shares.

Administration. The Stock Option Plan is administered by the Board of Directors of the Company or senior officer or employee to which such authority is delegated by the Board from time to time.

Board Discretion. The Stock Option Plan provides that, generally, the number of shares subject to each option, the exercise price, the expiry time, the extent to which such option is exercisable, including vesting schedules, and other terms and conditions relating to such options shall be determined by the Board of Directors of the

Company or senior officer or employee to which such authority is delegated by the Board from time to time and in accordance with CSE requirements.

Shareholders (being a simple majority of the votes cast by the shareholders who are not insiders of the Company or associates of those insiders) will be asked to approve the following resolution:

“BE IT RESOLVED:

1. that the Stock Option Plan be and the same is hereby adopted and approved and that the directors of the Company be and are hereby authorized to make such amendments or revisions to the Stock Option Plan from time to time, without further shareholder approval, as may be required by the CSE or any other stock exchange upon which the Company's shares may be listed for trading in order to cause the Stock Option Plan to fully comply with the requirements of the of such exchange and to fully carry out this resolution;
2. all options to acquire common shares of the Company previously issued by the Company to directors, officers, employees and consultants of the Company or any subsidiary of the Company and currently outstanding shall be deemed to have been granted and issued under the Stock Option Plan and otherwise be governed by the terms and conditions of the Stock Option Plan, subject to the specific terms and conditions as to exercise price, vesting periods, if any, and expiry dates as are currently applicable to such options; and
3. the reservation under the Stock Option Plan of a maximum up to the amount of 10% of the issued shares of the Company on a rolling basis, at the time of granting of the stock option pursuant to the Stock Option Plan be and the same is hereby approved.”

The Company’s management recommends that shareholders vote in favor of the resolution to ratify and approve the Stock Option Plan. Unless you give instructions otherwise, the Management Proxy holders intend to vote FOR the approval and ratification of the Stock Option Plan.

SHARE CONSOLIDATION

Shareholders will be asked at the Meeting to consider and, if thought fit, pass a special resolution to consolidate all of the issued common shares of AAN Ventures on the basis of up to ten pre-consolidation common shares, or such lesser number as AAN Ventures’ Board of Directors may determine, for one post-consolidation common share (the “Share Consolidation”). The proposed resolution (the “Share Consolidation Resolution”) is attached as Appendix B to this Information Circular. The Board intends to reduce the consolidation ratio if and to the extent required to ensure compliance with the share distribution requirements of the Exchange. AAN Ventures is distributing with this Information Circular, Letters of Transmittal to be completed by AAN Ventures shareholders, if the Share Consolidation is approved at the Special Meeting, for the purpose of exchanging existing share certificates for post-Consolidation DRS Advice, should that be desired.

The Share Consolidation may be subject to Exchange acceptance.

The Board of Directors believes that AAN Ventures' ability to conduct the equity financing required for its operations is contingent upon, among other things, a consolidation of its outstanding common shares. Therefore, the Board of Directors recommends that the AAN Ventures' shareholders vote in favour of the Share Consolidation Resolution. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the Share Consolidation Resolution as set out in Appendix B to this Information Circular.

ADDITIONAL BUSINESS

At the Meeting, the Shareholders will also transact such further or other business as may properly come before the Meeting or any adjournments thereof. Management of AAN knows of no amendments, variations or other matters to come before the Meeting, other than the matters referred to in this information circular. However, if any other matter properly comes before the Meeting, the persons set forth in the accompanying Instrument of Proxy/VIF, if named as proxy, will vote on such matter in accordance with their best judgment.

PART 4 – DIRECTOR AND EXECUTIVE OFFICER COMPENSATION

As defined under applicable securities legislation, the Company had two "Named Executive Officers" during the financial year ended September 30, 2015 as set out below:

Lucky Janda - Chief Executive Officer
Jared Scharf – Chief Financial Officer

COMPENSATION DISCUSSION AND ANALYSIS

Given the Company's current size and stage of development, the Board of Directors has not established a formal compensation committee. It is the Board as a whole who is responsible for determining the final compensation to be granted to the Company's executive officers and directors to ensure that such arrangements reflect the responsibilities and risks associated with each position. Management directors are required to abstain from voting in respect of their own compensation thereby providing the independent members of the Board with considerable input as to executive compensation. The Board's compensation philosophy is aimed at attracting and retaining quality and experienced people which is critical to the success of the Company and may include a "pay-for-performance" element which supports the Company's commitment to delivering strong performance for the Shareholders.

The Board annually reviews the corporate goals and objectives relevant to executive compensation; evaluates each executive officer's performance in light of those goals and objectives and sets the executive officer's compensation level based, in part, on this evaluation. The Board also takes into consideration the Company's overall performance, shareholder returns, the value of similar incentive awards to executive officers at comparable companies and the awards given to executive officers in past years.

The Company has no arrangements, standard or otherwise, under which Directors are compensated for their services in their capacity as Directors, or for committee participation or involvement in special assignments during the most recently completed financial year or subsequently, up to and including the date of this Information Circular.

Stock options are an important part of the Company's incentive strategy for its directors and officers, permitting them to participate in any appreciation of the market value of the Company's shares over a stated period of time, and is intended to reinforce commitment to long-term growth and shareholder value. Stock options reward overall corporate performance as measured through the price of the Company's shares and enables executives to acquire and maintain an ownership position in the Company.

Stock options grants may be made periodically to ensure that the number of options granted to any particular officer or director commensurate with the officer's level of ongoing responsibility within the Company. The Board will evaluate the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering further grants.

The directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors and may receive cash bonuses from time to time which the Company awards to directors for serving in their capacity as a member of the board. Executive officers who also act as directors of the Company do not receive any additional compensation for services rendered in their capacity as directors.

Directors are entitled to participate in the Company's stock option plan, which is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term. Individual grants are determined by an assessment of each individual director's current and expected future performance, level of responsibilities and the importance of their position and contribution to the Company.

PART 6 – AUDIT COMMITTEE

AUDIT COMMITTEE CHARTER

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators (“NI 52-110”) requires the Company to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its external auditor as set forth below.

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Exhibit “A” to this Information Circular.

COMPOSITION OF THE AUDIT COMMITTEE

The Company's audit committee is currently comprised of three directors, Eugene Beukman, Rajen Janda (joined the board after the 2015 year end and was appointed CEO) and Lewis Dillman, of which Eugene Beukman and Lewis Dillman are considered “independent” as that term is defined in applicable securities legislation. As Chief Executive Officer, Rajen Janda is not independent.

All three audit committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered “financially literate”.

All of the audit Committee members are businessmen with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to the general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor.

Since the commencement of the Company's most recently completed financial year ended September 30, 2012, the board of directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

RELIANCE ON CERTAIN EXEMPTIONS

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of MI 52-110 (De Minimis Non-audit Services), or an exemption from MI 52-110, in whole or in part, granted under Part 8 of Multilateral Instrument 52-110.

PRE-APPROVAL POLICIES AND PROCEDURES

The audit committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter attached as Exhibit “A” to this Information Circular.

EXTERNAL AUDIT SERVICE FEES (BY CATEGORY)

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its external auditor for services rendered to the Company in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Tax Fees	Other Fees
September 30, 2015	\$8,000	Nil	Nil
September 30, 2014	\$8,000	Nil	Nil

EXEMPTION

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

Corporate governance relates to the activities of the board of directors of the Company (the “Board”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) also requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices.

BOARD OF DIRECTORS

The Board is currently composed of three directors. NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s board of directors be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the **current** (as at the date hereof) directors, Rajen Janda, CEO is an “inside” or management director and accordingly is considered “non-independent”. Lewis Dillman and Eugene Beukman are considered “outside directors” or “independent” directors.

Following the Meeting, the Board will have 2 independent directors.

MANDATE OF THE BOARD

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders’ equity interests through the optimum utilization of the Company’s capital resources. The Board also takes responsibility for identifying the principal risks of the Company’s business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company’s development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

In keeping with its overall responsibility for the stewardship of the Company, the Board is also responsible for the integrity of the Company’s internal control and management information systems and for the Company’s policies respecting corporate disclosure and communications.

The Board delegates to management, through the Chief Executive Officer and the Chief Financial Officer, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Given the size of the Company’s current operations, the Board believes that the Company is well serviced and the independence of the Board from management is not compromised. In addition, the Board has found that the fiduciary duties placed on management by the Company’s governing corporate legislation and common law and the restrictions on an individual director’s participation in decisions of the Board in which the director has an interest under applicable corporate and securities legislation provide the “independent” directors with significant input and leadership in exercising their responsibilities for independent oversight of management. In addition, each member of the Board understands that he is entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances and the “independent” directors have the ability to meet independently of management whenever deemed necessary..

DIRECTORSHIPS

As of the date of this Information Circular, the directors and/or officers listed in the table that follows are currently directors and/or officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

Name of Director	Other Reporting Issuer
-------------------------	-------------------------------

Lewis Dillman	Director of Abington Venture Inc, Director of Phoenix Copper Corp, Director of Hellix Ventures Inc., Director of Abenteuer Resources Corp.
Rajen Janda	Acana Capital Corp. Orofino Minerals Inc. Easy Technologies Inc.
Steven Bicego	Orofino Minerals Inc.

ORIENTATION AND CONTINUING EDUCATION

Orientation and education of new members of the Board is conducted informally by management and the Board. The orientation provides background information on the Company's history, performance and strategic plans.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However there is no formal orientation for new members of the Board and this is considered to be appropriate, given the Company's size and current operations.

ETHICAL BUSINESS CONDUCT

The Board of Directors expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

However, to date, the Board has not adopted a formal written Code of Business Conduct and Ethics. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate and securities legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company and its shareholders.

In addition, the limited size of the Company's operations and the small number of officers and employees allows the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

NOMINATION AND ASSESSMENT

Given its current size and stage of development, the Board has not appointed a nominating committee and these functions are currently performed by the Board as a whole. Nominees are generally the result of recruitment efforts by Board members, including both formal and informal discussions among Board members and the President, and proposed directors' credentials are reviewed in advance of a Board meeting with one or more members of the Board prior to the proposed director's nomination.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current operations.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an ad hoc basis.

COMMITTEES OF THE BOARD OF DIRECTORS

At the present time, the Board of Directors of the Company has appointed only an audit committee. The audit committee is comprised of Rajen Janda (Chair), Eugene Beukman and Lewis Dillman and is ultimately responsible for the policies and practices relating to integrity of financial and regulatory reporting of the Company, as well as internal controls to achieve the objectives of safeguarding the Company's assets; reliability of information; and compliance with policies and laws.

As the Company evolves, and its operations and management structure become more complex, the Board will likely find it appropriate to constitute additional standing committees, such as a formal Governance Committee, a Compensation Committee and a Nominating Committee, and to ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

COMPENSATION

Given the Company's current size and stage of development, the Board of Directors has not appointed a formal compensation committee, but instead the independent directors make recommendations to the Board regarding executive compensation (including incentive in the form of stock options) to be paid to the Company's executive officers having regard to the responsibilities and risks associated with each position.

In addition, compensation to be paid to executive officers who are also directors must be approved by the disinterested directors thereby providing the non-executive officer directors with significant input into compensation decisions.
